

# CLEANER WATER. GREENER VILLAGE.

## **INITIATIVE:**

Construction of underground drainage infrastructure under RIDF

## **BENEFICIARIES:**

Residents of 25 districts of Gujarat

## **THE CHALLENGE:**

Absence of centralized sewerage system in the villages.

## **THE SOLUTION:**

- NABARD sanctioned an RIDF project to Gujarat State Government for construction of underground pipelines, pumping systems & treatment plants in 84 locations across 25 districts of the State to help agriculture productivity

## **THE IMPACT:**

- Improvement in the standard of living of rural villages
- Generation of additional income for Panchayats
