(a) Tenders will be opened at **15.30 hr. on 10/06/2008** at his office by Chief General Manager, National Bank For Agriculture and Rural Development, Regional Office, Gujarat, Ahmedabad or any other officer designated for this purpose by him in the presence of the other officials and the tenderers or their representatives, should they choose to be present.

(b) Tenders shall remain open to acceptance by the Bank for a period of three months from the date of opening the tender which may be extended by mutual agreement and the tenderer shall not cancel or withdraw the tender during the period.

(c) The tenderer must use only the forms issued by the Employer/ Downloaded from Web site to fill in the rates.

4. (a) The tender form must be filled in English and all entries must be made by hand and written in ink. If any of the documents are missing or unsigned the tender may be considered invalid by the Bank at its discretion.

(b) Rates should be quoted both in figures and words in columns specified. All erasures and alterations made while filling the tender must be attested by initials of the tenderer. Overwriting of figures is not permitted, failure to comply with either of these conditions will render the tender void at the Bank's option. No advice of any change in rate or conditions after the opening of the tender will be entertained.

(c) Each of the tender documents should be signed by the person or persons submitting tender in token of his/their having acquainted himself/themselves with the General Conditions of Contract, Specifications, Special Conditions etc. as laid down. Any tender with any of the documents not so signed may be rejected.

(d) The tender submitted on behalf of a firm shall be signed by all the partners of the firm or by a partner who has the necessary authority on behalf of the firm to tender into the proposed contract. Otherwise the tender may be rejected by the Bank.

5. The National Bank for Agriculture and Rural Development does not bind itself to accept the lowest or any tender and reserves to itself the right to accept or reject any or all the tenders, either in the whole or in part, without assigning any reasons for doing so.

6. (a) Intending tenderers shall pay as earnest money a sum of Rs. 38000.00 by a demand draft drawn on a scheduled Bank which amount will be credited into the office of the National Bank for Agriculture and Rural Development. The earnest money will be returned to the tenderer if his tender is not accepted but without any interest, after finalisation of work order.

(b) Under no circumstance, earnest money deposit will be accepted in the form of fixed deposit receipts or Banks or Insurance guarantee or cheque.

7. The Earnest Money Deposit of Rs. 38000.00 paid by the successful tenderer shall be held by the National Bank for Agriculture and Rural Development as security for the execution and due fulfilment of the Contract. No interest shall be paid on the said deposit.

8. On receipt of intimation from the Employer of the acceptance of his / their tender, the successful tenderer shall be bound to implement the contract and within fourteen days thereof the successful tenderer shall sign an agreement in accordance with the draft agreement and "the said Conditions" but the written acceptance by the National Bank for Agriculture and Rural Development, of a tender will constitute a binding contract, between the National Bank for Agriculture and Rural Development and the person so tendering, whether such formal agreement is or is not subsequently executed.

(a) In addition to the Earnest Money Deposit under clause 7 and as further security for the due fulfilment of the contract by the contractor, 5% of the value of work done will be deducted by the Employer from each payment to be made to the Contractor. The Retention money (security deposit) will be released by the Employer after rectification of the defects pointed out during the defects liability period of one year. The amounts retained by the employer shall not bear any interest.

(b) All compensation or other sums of money payable by the Contractor to the Employer under the terms of this Contract may be deducted from his retention money and the security deposit if the amount so permits and the Contractor shall, unless such deposit has become otherwise payable, within ten days after such deduction make good in cash the amount so deducted.

9. The contractor shall not assign the Contract. He shall not sublet any portion of the Contract except with the written consent of the Employer. In case of breach of these conditions, the Employer may serve a notice in writing on the contractor rescinding the

Contract whereupon the security deposit shall stand forfeited to the Employer, without prejudice to his other remedies against the Contractor.

10. The tenderer shall submit a list mentioning the names of manufacturers of paints which he proposes to use in the work if his tender is accepted.

11. A Schedule of probable Quantities in respect of each work and Specifications accompany these Special Conditions. The Schedule of probable Quantities is liable to alteration by omission, deductions or additions at the discretion of the Employer. Each tender should contain not only the rates but also the value of each item of work entered in a separate column and all the items should be totalled in order to show the aggregate value of the entire tender.

12. The tenderer must obtain for himself on his own responsibility and at his own expense all the information which may be necessary for the purpose of making a tender for entering into a contract and must examine the Drawings and must inspect the site of the work and acquaint himself with all local conditions, means of access to work, nature of the work and all matters pertaining thereto.

13. The rates quoted in the tender shall include all charges for double scaffolding, centering, hire charges for any tools and plants, sheds for material, marking out and clearing of site, watering, as mentioned in the specification. The rates quoted shall be deemed to be for the finished work to be measured at site. The rates shall also be firm and shall not be subject to exchange variations, labour conditions, fluctuations in railway freights or any conditions whatsoever. Tenderers must include in their rates sales tax, service tax, VAT excise duty, octroi and any other tax and duty or other levy levied by the Central Government or any State Government or Local authority, if applicable. No claim in respect of service tax, VAT, sales tax, excise duty, octroi or other tax duty or levy shall be entertained by the Employer.

14. The Contractor should note that unless otherwise stated the tender is strictly on item rate basis and his attention is drawn to the fact that rates for each and every item should be correct, workable and self supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the Contract. No claim shall be entertained on this account.

15. Time allowed for carrying out the work as mentioned in the Memorandum shall be strictly observed by the Contractor and it shall be reckoned from the 10th day after written order to commence the work is issued. The work shall throughout the stipulated period of the Contract be proceeded with all due diligence and if the Contractor fails to complete the work within the specified period, he shall be liable to pay compensation as defined in clause 27 of the Conditions of Contract. The tenderer shall before commencing work prepare a detailed work programme.

16. a. Tenders will be considered only from recognised bonafide contractors in the trade. Each tenderer shall submit with his tender a list of large works of a like nature he has executed giving details of large works of a like nature he has executed giving details as to their magnitude and cost, the proportion of work done by the contractor in it and the time within which the works done by the contractor in it and the time within which the works were completed.

b. Special attention of the tenderer is drawn to the alternative items in the Schedule of probable Quantities; the rates and amount of these alternative items shall be duly filled in and tenderer is informed that his tender will not be considered unless the alternative rates given are for these items. The employer reserves to himself the right to adopt any of the alternative items either in scrutinising and deciding upon the tenderer later when the works are being executed.

17. The Contractor shall not be entitled to any compensation for any loss suffered by him on account of delays in commencing or executing the work, whatever the cause of delays may be, including delays arising out of modification to the work entrusted to him or in any sub-contract connected therewith or delays in awarding contracts for other trades of the project or in commencement or completion of such works or in procuring Government controlled or other building materials or in obtaining water and power connections for construction purposes or for any other reason whatsoever and the Employer shall not be liable for any claim in respect thereof. The Employer does not accept liability for any sum besides the tender amount, subject to such variations as are provided for herein.

18. The successful tenderer is bound to carry out any items of work necessary for the completion of the job even though such items are not included in the quantities and rates. Schedule of instructions in respect of such additional items and their quantities will be issued in writing by the Employer.

19. The successful tenderer must co-operate with the other contractors appointed by the Employer so that the work shall proceed smoothly with the least possible delay and to the satisfaction of the Employer.

20. The Employer will provide water and power required for the work free of cost at a suitable point and the contractor shall make his own arrangement to carry the same as required. The Contractor should ensure that the water and power facility provided by the Employer are not wasted.

21. The Security Deposit of the successful tenderer will be forfeited if he fails to comply with any of the conditions of the Contract.

22. CONTRACTOR'S LIABILITY AND INSURANCE:

From commencement to completion of works, the Contractor shall take full responsibility for the care of the work and for taking precautions to prevent any loss or damage to the works and shall be liable for any damage or loss or theft that may arise to the works or any part thereof from any cause whatsoever, inherent defects and failures due to poor workmanship and causes such as lightning, explosion, earthquake, storm, hurricane,

floods, inundation, riots (excluding civil war, rebellion, revolution and insurrection) and shall at his own cost repair and make good the same so that at all times the work shall be in good order and condition and in conformity in every respect with the requirements of the Contract.

Explanation:

For the purpose of this condition, the expression “from the commencement to completion of work” shall mean the time commencing from the issue of the work order to the contractor and ending with the issue of Virtual Completion Certificate.

(b) Without limiting the obligations and responsibilities under this condition, the Contractor shall insure and keep insured the works from commencement to completion, as aforesaid, **for their full value provided under this contract, increased by 25% of the contract value** against the risk of loss or damage from any cause whatsoever including the causes enumerated in the forgoing Clauses (a) above. In the event of there being a variation in the nature and extent of the work, the Contractor shall from time to time increase or decrease the value of the insurance correspondingly. All the premia shall be borne and paid by the contractor. The said insurance shall also provide for the removal of debris of the lost or the damaged works. The said insurance shall be in the joint name of the Employer and the Contractor, The Employer's name being mentioned first in the policies and the Contractor should deposit with the Employer the said policy or policies before commencing the work at site. All money payable by the insurers under such policy or policies shall be recovered by the Employer and shall be paid to the Contractor or any other agency of Employer's choice in instalments for the purpose of rebuilding or replacement or repairing the works and/or goods destroyed or damaged as the case may be.

(c) If the Contractor has a blanket insurance policy for all the works to be executed by him and the policy covers all the items to be insured under the condition, the said policy shall be assigned by the Contractor in favour of the Employer, provide however that if any amount is payable under the policy by the insurers in respect of works other than the work under the Contract, the same may be recovered by the Contractors directly from the insurers.

(d) The contractor shall indemnify and keep indemnified the Employer against all losses and claims, damages or compensation under the provision of the payments of Wages Act 1936, Minimum Wage Act 1948, Employer's Liability Act 1938, Workmen's Compensation Act 1923, the Maternity Benefit Act 1961, Bombay Shops and Establishment Act 1947, Industrial Dispute Act 1947, and the Contractor Labour (Regulation and Abolition) Act, 1970 and Employee's State Insurance Act or any modification thereof or any other law relating thereto and rules made there under from time to time or as consequence of any accident or injury to any workmen or other person in or about the work whether in the employment of the employer or Contractor or not, and also against cost, charges and expenses of any suit, action or proceedings whatsoever out of such accident or injury of combination or any such claim.

(e) Before commencing the work, the Contractor shall without limiting his obligations and responsibilities under this condition, insure against any loss of life or injury to any personnel in the Employment of Contractor/sub-Contractor. For this purpose an insurance shall be taken by the contractor or sub-contractor. Such an insurance shall be taken to include both employees/workmen covered by Workmen's Compensation Act 1923, as well those employees/workmen not covered by the said Act. Separate insurance policies shall be taken for employees/workmen covered by Workman's Compensation Act 1923, and Employees /workmen not covered by the said Act. All the premia shall be paid by the Contractor. Policy/policies taken under this clause for the personnel in employment with the Contractor/Sub- Contractor/ nominated sub- Contractors, may be in their Employer's names of the Contractors/sub- Contractors. In the event of any loss or injury to the personnel in employment with the contractors/sub-contractors, the Employee and the Contractor shall recover directly from the Insurance Company and ensure that payment of the same is made to the affected parties. The policy in original shall be deposited with the Employer.

(f) The Contractor shall at all time indemnify and keep indemnified the Employer against all losses and claims for injuries or damage to any person or any property whatsoever which may arise out of or in consequence of the construction and or rehabilitation/repair and during the defects liability period and against all claims, demands, proceedings, damages, costs, charges and expenses whatsoever in respect of and in relation thereto. Before commencing the execution of the works, the Contractor shall without in any way limiting his obligations and liabilities under this condition, insure at his cost and expense against any damage or loss or injury which may be caused to any person or property including the Employee or servants of the Employer and the Consultants and their property by or in the course of the execution of the works.

(g) The Contractor shall provide the Employer with documentary evidence from time to time, that he has taken all the insurance policies mentioned in the foregoing paragraphs and that he has paid the necessary premia for keeping the policies valid till the expiry of defects liability period. (h) The Contractor shall ensure that similar insurance policies are taken out by his sub Contractors or nominated Contractors, if any, and shall be responsible for any claim or loss resulting from their failure of the subcontractor or nominated contractors to obtain adequate insurance protection in connection thereof. While taking the insurance policies, contractor should indicate clearly to the insurance companies that policies issued shall over their sub- contractors and nominated sub-contractors also.

(i) If the Contractor and/or his sub- Contractor or nominated Contractor, if any shall fail to effect and keep in force the insurance referred to above or any other insurance which he/they may be required to effect under the terms of the Contract, then in any such case, the Employer may, without being bound to effect and keep in force any such insurance policy and pay such premium or premia, as may be necessary for that purpose from time to time and deduct the amount so paid by the Employer from any moneys due or which may become due to the Contractor or recover the same as a debt due from the Contractor.

(j) All insurance to be effected by the Contractor, and/or his sub- Contractors, or nominated sub-Contractors, if any, shall be taken only with any of the Nationalised Insurance Companies approved by the Employer.

(k) We also agree to indemnify NABARD by giving suitable Indemnity Bond as per NABARD's pro forma attached herewith. We agree that NABARD will make payment to us only after we furnish the Indemnity Bond to NABARD.

I / We hereby declare that I / We have read and understood the above instructions for the guidance to tenderers.

thereof ascertained under Clause 20 hereof shall be added to or deducted from the Contract amount (as the case may be) provided that there shall be no rectification or error in the Contractor 's Schedule of Rates.

18. The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his Tender for the works and of the prices stated in the Schedule of Quantities and/or the schedule of Rates and Prices which rates and prices shall cover all his obligations under the Contract, and all matters and things necessary for the proper completion of the works.

19. The Employer may from time to time intimate to the Contractor that he requires the works to be measured, and the Contractor shall forthwith attend or send a qualified Agent to assist the Employer in taking such measurements and calculations and to furnish all particulars or to give all assistance required by either of them. The mode of measurements shall be as detailed out under para "mode of measurements" in the chapter "specifications" in this tender. Should the Contractor not attend or neglect or omit to send such agent then the measurement taken by the Employer or a person approved by him shall be taken in accordance with the Standard Method of Measurements. The Contractor or his Agent may at the time of measurement take such notes and measurements as he may require.

20. Should it be found after the completion of the work from measurements taken (in accordance with the previous paragraph) that any of the quantities or amounts of works thus ascertained are less or greater than the quantities or amounts specified for the works in the Priced Schedule of Quantities and/or Tender or that any variation is made, the valuation of such Quantities, amounts or variations, unless previously or otherwise agreed upon, shall be made in accordance with the following rules :

(a) i) The net rates of prices in the original Tender shall determine the valuation of the extra work where such extra work is of similar character and executed under similar conditions as the work priced therein.

(ii) Rates for all items, wherever possible, should be derived out of the rates given in the priced schedule of quantities.

(b) The net prices of the original Tender shall determine the value of the items omitted provided if omissions vary, the conditions under which any remaining items of works are carried out the prices for the same shall be valued under sub clause (c) hereof.

(c) Where the extra works are not of similar character and/or executed under similar conditions as aforesaid or where the omissions vary, the conditions under which any remaining items of works are carried out or if the amount of any omission or additions relative to the amount of the whole of the Contract works or

to any part thereof, shall be such that in the opinion of the Employer the net rate or price contained in the priced Schedule of Quantities or Tender or for any item of the works involves loss of expense beyond that reasonably contemplated by the Contractor, is by reason of such omission or addition rendered unreasonable or inapplicable, the Employer shall fix such other rate or price as in the circumstance he shall think reasonable and proper.

(d) Where extra work cannot be properly measured or valued, the Contractor shall be allowed day work prices as the net rates stated in the Tender or the Priced Schedule of Quantities or; if not so stated then in accordance with the local day work rates and wages for the direct, provided that in either case vouchers specifying the daily time and material employed, be delivered for verifications to the Employer or his representative, at or before the end of the week, following that in which the work has been executed. The measurement and valuation in respect of the Contract shall be completed within the "period of final measurements" stated in the Appendix or if not stated then within 12 months of the completion of the Contract works as defined in Clause 23 hereof.

21. Where in any Certificate (of which the Contractor, has received payment) the Employer has included the value of any unfixed materials intended for and/or placed on or adjacent to the works, such materials shall become the property of the Employer and they shall not be removed, except for use upon the works, without the written authority of the Employer. The Contractor shall be liable for any loss or damage to such materials.

22. The Employer shall, during the progress of the works, have power to order in writing from time to time, removal from the works within such reasonable time or times as may be specified in the order, of any materials which in the opinion of the Employer are not in accordance with the Specification or the instructions of the Employer, the substitution of proper materials, and the removal and proper re-execution of any work executed with material or workmanship not in accordance with the Specification or instructions; and the Contractor shall forthwith carry out such order at his own cost. In case of default on the part of the Contractor to carry out such order, the Employer shall have the power to employ and pay other persons to carry out the same; and all expenses consequent or incidental thereto shall be borne by the Contractor, or may be deducted by the Employer from any moneys due or that may become due to the Contractor.

23. Any defect, such as peeling off, fading of paint or other faults which may appear within the "Defects Liability Period" stated in the appendix hereto or, if none stated, then within 12 months after the virtual completion of the works arising in the opinion of the Employer from materials or workmanship not in accordance with the Contract shall upon the directions in writing from the Employer, and within such reasonable time as shall be specified therein, be mended and made good by the Contractor, at his own cost and in case of default the Employer may employ and pay other person to amend and make good such

defects, or other faults, and all damages, loss and expenses consequent thereon or incidental thereto shall be made good and borne by the Contractor and such damage, loss and expenses shall be recoverable from him by the Employer from the amount which may become due to the Contract, or the Employer, may in lieu of such amending and making good by the Contractor deduct from any moneys due to the Contractor a sum equivalent to the cost of amending such work. In the event of the amount retained under Clause 31 being insufficient, recover the balance from the Contractor, together with any expense the Employer may have incurred in connection therewith. Should any defective work have been done or material supplied by any Sub - Contractor employed on the works who has been nominated or approved by the Employer as provided in Clause 15, the Contractor shall be liable to make good in the same manner as if such work or material had been done or supplied by the Contractor and been subject to the provisions of this Clause and Clause 2 hereof.

24. The Works shall not be considered as completed until the Banks' Engineer has certified in writing that they have been virtually completed and Defects Liability Period shall commence from the date of virtual completion mentioned in such certificate.

25. The Contractor shall be responsible for all injury to persons, animals or things, and for all structural and decorative damage to property which may arise from the operation or neglect of himself or damages arising from carelessness, accident or any other cause whatever in any way connected with the carrying out of the Contractor. The painting/ polishing is to be taken in Buildings consisting of total of three blocks and related services/infrastructures in the NABARD Vihar **Officers Quarter Building at Navrangpura, Ahmedabad**

Preamble to schedule of quantities form a part of schedule of quantities for contractual purpose and should be studied carefully prior to filling up the schedule of quantities.

1. Schedule of quantities supersedes Technical specifications, General and Particular conditions of Contract in case there are any discrepancies between any of these sections.

2. Items are described to the best possible extent in schedule of quantities. However, should there be any clarifications required about any item, the same should be done by the bidder prior to quoting final rate for a particular item. No claim for any unclear and missing information shall be entertained once the contract is awarded.

3. Rate to be quoted against any item in the Schedule of Quantities shall be inclusive of all the materials, labour, equipment, facilities and direct and indirect overheads and profits necessary for safe and timely completion of item in accordance with the specifications.

4. Mode of measurements for any item shall be in accordance with IS 1200, if not mentioned in the item specifications. If there is any discrepancy the decision of NABARD shall be final.

5. Quantities allocated for various items are based on general inspection and as such they are only approximate. Variations to any extent are possible during actual execution for individual items as well as for whole work. It shall be the responsibility of bidder to asses the extent of variations and to account for the same in the quoted bid, no extra claim shall be entertained on account of variations in quantities for whatsoever reason.

6. If no rate/amount is mentioned against any of the items in Bill of Quantities, the same shall be considered to be covered in the quoted items, or the tender may be rejected at the discretion of NABARD.
