/RIDF XVII(Gen)/2011-12

19 April 2011

Dear Shri/ Madam,

Launching RIDF XVII -- 2011-12

RIDF XVII was announced in the Union Budget for 2011-12 on 28 February 2011 with an allocation of ₹18,000 crore, of which ₹2,000 crore is exclusively earmarked for creation of warehousing facilities. A scheme for utilisation of this amount of ₹2,000 crore is being prepared and will be circulated separately.

2. The State-wise allocation under RIDF XVII has been made in accordance with the normative criteria which includes geographical area, population, inverse of infrastructure index, inverse of rural CD ratio and the previous performance under RIDF sanctions and disbursements.

3. Accordingly, the allocation to your State comes to ₹ (as per the Annexure) crore under RIDF XVII (2011-12) for sanctioning new rural infrastructure projects. Once the State Government reaches this amount, we will allow 20% more allocation. A further review will be undertaken by us in December 2011.

4. The terms and conditions of our sanction are enclosed (**Annexure I**). While there is an approved list of 31 activities for RIDF (**Annexure II**), NABARD will lay greater emphasis on and accord priority to the projects related to agriculture and allied sectors, including irrigation. There may be a cap/review in respect of projects from social sectors like education.

5. I request you to issue necessary directions to the Implementing Departments for early submission of RIDF project proposals to NABARD Regional Office in your State. It will be our endeavour to sanction the projects expeditiously so as to facilitate early launch and completion of the projects.

6. I will also request you to create a shelf of projects so that the allocation is fully utilised during the first half of the financial year leaving adequate time with the Implementing Departments to ground the projects sanctioned under RIDF XVII.

7. You could consider convening a special meeting of HPC ('High Power Committee' on RIDF; Convener: Finance Department; Chairman, Chief Secretary) to draw up a suitable strategy for preparation and submission of project proposals under RIDF XVII, at the earliest.

8. Our NABARD Regional Office will coordinate with Finance Department in this regard.

With regards,

Yours sincerely,

Sd/-
