**PRE CONTRACT INTEGRITY PACT**

**General**

This pre-bid pre-contract Agreement (hereinafter called the Integrity Pact) is made on \_\_\_\_ day of the month of \_\_\_\_\_ 2018

Between,

National Bank for Agriculture and Rural Development (NABARD), represented by \_\_\_\_\_ (hereinafter called the “BUYER”, which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) of the First Part,

And

M/s \_\_\_\_\_ represented by \_\_\_\_\_, (hereinafter called “BIDDER/ SELLER” which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) of the Second Part.

WHEREAS the BUYER proposes to procure (Name of the Stores/ Equipment/ Item) and the BIDDER is willing to offer/ has offered the stores and WHEREAS the BIDDER is a private company/ public company/ Government undertaking/ partnership/ registered export agency, constituted in accordance with the relevant law in the matter and the BUYER is a body corporate established under NABARD Act, 1981 having its Head Office at Plot No. C-24, Block ‘G’, Bandra- Kurla Complex, Bandra (East), Mumbai.

NOW, THEREFORE,

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence/ prejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to:

Enabling the BUYER to obtain the desired said stores/ equipment at a competitive price in conformity with the defined specifications by avoiding the high cost and the distorted impact of corruption on public procurement and

Enabling BIDDERS to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the BUYER will commit to prevent corruption, in any form, by its officials by following transparent procedures.

The parties hereto hereby agree to enter into this Integrity Pact and agree as follows:

## **Commitments of the BUYER**

- 1.1 The BUYER undertakes that no official of the BUYER, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit of any other advantage from the BIDDER, either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.
- 1.2 The BUYER will, during the pre-contract stage, treat all BIDDERS alike and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other BIDDERS.
- 1.3 All the officials of the BUYER will report to the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.
2. In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the BUYER with full and verifiable facts and the same is prima facie found to be correct by the BUYER, necessary disciplinary proceedings, or any other action as deemed fit including criminal proceedings may be initiated by the BUYER and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the BUYER the proceedings under the contract would not be stalled.

## **3. Commitments of BIDDER**

The BIDDER commits itself to take all measures to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during an pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following:

- 3.1 The BIDDER will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER, connected directly or indirectly with the bidding process, or to any person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.
- 3.2 The BIDDER further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to

any official of the BUYER or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the Bank for showing or forbearing to show favour or disfavor to any person in relation to the contract or any other contract with the Bank.

- 3.3 BIDDERS shall disclose the name and address of agents and representatives and Indian BIDDERS shall disclose their foreign principles or associates.
- 3.4 BIDDERS shall disclose the payments to be made by them to agents/ brokers or any other intermediary, in connection with this bid/ contract.
- 3.5 The BIDDER further confirms and declares to the BUYER that the BIDDER is the original manufacturer/ integrator/ authorized government sponsored export entity of the defense stores and has not engaged any individual or firm or company whether Indian or foreign to intercede, facilitate or in any way to recommend to the BUYER or any of its functionaries, whether officially or unofficially to the award of the contract to the BIDDER, nor has any amount been paid, promised or intended to be paid to any such individual, firm or company in respect of any such intercession, facilitation or recommendation.
- 3.6 The BIDDER, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payments he has made, is committed to or intends to make to officials of the BUYER or their family members, agents, brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.
- 3.7 The BIDDER will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- 3.8 The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- 3.9 The BIDDER shall not use improperly for purposes of competition or personal gain or pass on to others, any information provided by the BUYER as part of the business relationship regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.
- 3.10 The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- 3.11 The BIDDER shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.

- 3.12 If the BIDDER or any employee of the BIDDER or any person acting on behalf of the BIDDER either directly or indirectly is a relative of any of the officers of the BUYER, or alternatively if any relative of an officer of the BUYER has financial interest/ stake in the BIDDER's firm, the same shall be disclosed by the BIDDER at the time of filling of tender.

The term 'relative' for this purpose would be as defined in Section 6 of the Companies Act 1986.

- 3.13 The BIDDER shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the BUYER.

#### 4. **Previous Transgression**

- 4.1 The BIDDER declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprises in India or any Government Department in India that could justify BIDDER's exclusion from the tender process.

- 4.2 The BIDDER agrees that if it makes incorrect statement on this subject, BIDDER can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

#### 5. **Earnest Money (Security Deposit)**

- 5.1 While submitting commercial bid, the BIDDER shall deposit an amount ₹1,00,000/- as Earnest Money/ Security Deposit, with the BUYER through any of the following instruments:

- i. Demand Draft in favour of NABARD
- ii. A confirmed guarantee by an Indian Nationalized Bank, promising payment of the guaranteed sum to the BUYER on demand within three working days without any demur whatsoever and without any reasons whatsoever. The demand for payment by the BUYER shall be treated as conclusive proof of payment.
- iii. Any other mode or through any other instrument (as specified in the RFP)

- 5.2 The Earnest Money/ Security Deposit shall be valid up to the complete conclusion of the contractual obligations to the complete satisfaction of both the BIDDER and the BUYER, including warranty period, whichever is later.

5.3 In case of the successful BIDDER a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the provisions of Sanctions for Violation shall be applicable for forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

5.4 No interest shall be payable by the BUYER to the BIDDER on Earnest Money/ Security Deposit for the period of its currency.

6. **Sanctions for Violations**

6.1 Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle the BUYER to take all or any one of the following actions, wherever required:

- i. To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue.
- ii. The Earnest Money Deposit (in pre-contract stage) and/ or Security Deposit/ Performance Bond (after the contract is signed) shall stand forfeited either fully or partially as decided by the BUYER and the BUYER shall not be required to assign any reason therefore.
- iii. To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
- iv. To recover all sums already paid by the BUYER, and in case of an Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of State Bank of India, while in case of a BIDDER from a country other than India with interest thereon at 2%, higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with another contract for any other stores, such outstanding payment could also be utilized to recover the aforesaid sum and interest.
- v. To encash the advance bank guarantee and performance bond/ warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the BUYER, along with interest.
- vi. To cancel all or any other contracts with BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation/ rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.

- vii. To debar the BIDDER from participating in future bidding processes of the Government of India for a minimum period of five years, which may be further extended at the discretion of the BUYER.
  - viii. To recover all sums paid in violation of this Pact by BIDDER(s) to any middleman or agent or broker with a view to securing the contract.
  - ix. In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the BUYER with the BIDDER, the same shall not be opened.
  - x. Forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.
- 6.2 The BUYER will be entitled to take all or any of the actions mentioned at paragraphs 6.1 (i) to (x) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined in Chapter IX of the Indian Penal code, 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.
- 6.3 The decision of the BUYER to the effect that a breach of the provisions of the Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the Independent Monitor(s) appointed for the purposes of this Pact.

## **7 Fall Clause**

- 7.1 The BIDDER undertakes that it has not supplied/ is not supplying similar product/ systems or subsystems at a price lower than that offered in the present bid in respect of any other Ministry/ Department of the Government of India or PSU and it is found at any stage that similar product/ systems or sub systems was supplied by the BIDDER to any other Ministry/ Department of the Government of India or a PSU at a lower price, then that very price, with due allowance for elapsed time, will be applicable to the present case and the difference in the cost would be refunded by the BIDDER to the BUYER, if the contract has already been concluded.

## **8. Independent Monitors**

- 8.1 The BUYER has appointed Independent Monitor Shri Subodh Kumar Goel, 501, Tower-6, Common Wealth Games Village, New Delhi - 110092 (hereinafter referred to as Monitor) for this Pact in consultation with the Central Vigilance Commission.
- 8.2 The task of the Monitor shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.

- 8.3 The Monitor shall not be subject to instructions by the representatives of the parties and perform their functions neutrally and independently.
- 8.4 Both the parties accept that the Monitors have the right to access all the documents relating to the project/ procurement, including minutes of meetings.
- 8.5 As soon as the Monitor notices or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the BUYER.
- 8.6 The BIDDER(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the BUYER including that provided by the BIDDER. The BIDDER will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor shall be under contractual obligation to treat the information and documents of the BIDDER/ Subcontractor(s) with confidentiality.
- 8.7 The BUYER will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the Monitor the option to participate in such meetings.
- 8.8 The Monitor will submit a written report to the designated Authority of BUYER within 8 to 10 days from the date of reference or intimation to him by the BUYER/ BIDDER and should the occasion arise submit proposals for correcting problematic situations.

9. **Facilitation of Investigation**

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BUYER or its agencies shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

10. **Law and Place of Jurisdiction**

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the BUYER.

11. **Other Legal Actions**

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

12. **Validity**

12.1 The validity of this Integrity Pact shall be from date of its signing and extend up to 5 years or the complete execution of the contract to the satisfaction of both the BUYER and the BIDDER/ Seller, including warranty period, whichever is later in case BIDDER is unsuccessful, this Integrity Pact shall expire after six months from the date of the signing of the contract.

12.2 Should one or several provisions of this Pact turn out to be invalid, the remainder of this Pact shall remain valid. In this case, the parties will strive to come to an agreement to their original intentions.

The Contractor should be responsible to fulfill all the obligations in connection with the workers employed by the Contractor for the purpose of the Contract and all the Statutory and other liabilities, if any, including minimum wages, leave salary, uniform, ex-gratia, gratuity, ESI, Provident Fund, Workman Compensation, if any, etc. in connection therewith shall be on the Contractor's account and payable by the Contractor.
15. The Contractor should obtain necessary permission that may be required for the purpose of this Contract from such authorities as may be prescribed by Law from time to time.
16. The Contractor or his authorized representative should visit the site frequently as required by NABARD and meet NABARD's Engineer with prior appointment for any clarifications and to receive instructions, take measurements, etc. at the site.
17. The contractor should engage qualified technical personnel/ supervisor in respective Engineering field/s to supervise the work on daily basis as per the specifications and instruction of the Bank's Engineer. The supervisor shall maintain daily log book for the work done at site flat wise and get it certified on weekly basis by the Bank's engineer. The supervisor has to ensure that the work is being undertaken as per the bar chart/ work schedule submitted at the time of acceptance of work. Weekly report of the work status is required to be submitted by contractor that shall be followed by review of work on site/ NABARD Office.
18. The Contractor shall be fully responsible and shall compensate NABARD with suitable Insurance cover (All Risk Policy or Third Party Insurance) in the event of any damage to men or material, injury/ damage or death as the case may be, caused directly or indirectly due to the negligence of the Contractor or his agents and/ or his employees, or workmen. The decision of NABARD in this regard shall be final and binding.
19. The Contractor shall indemnify the Employer against any losses as per format given at Annexure B.
20. Any act of indiscipline/ misconduct/ theft/ pilferage on the part of any employee engaged by the Contractor resulting in any loss to NABARD in kind or cash will be viewed seriously and NABARD will have the right to claim damages or levy fine and/ or terminate the Contract forthwith, if necessary.

21. In case of any default or failure on Contractor's part to comply with all/ any one of the Terms/ Conditions, NABARD reserves to itself the right to take necessary steps to remedy the situation including, inter-alia, the deduction of appropriate amount/ s from dues otherwise payable to Contractor and/ or by taking recourse to appropriate recovery proceedings.
22. If any dispute arises on any matter concerning this Contract, the decision of NABARD shall be final and binding.
23. The Contractor should not at any time do, cause or permit any nuisance on the site/ do anything which shall cause unnecessary disturbances or inconvenience to the occupants/ visitors at site or near the site of work.
24. The contractor by his own expenses and risk shall shift furniture, wall pictures/ frames, fire extinguishers, clocks, other fixtures etc. if any in the area of work carefully and without any damage to a convenient place under intimation to the Bank for the convenience of work and shall reinstall the same in old place after completion of the work.
25. The work should be carried out with least inconvenience to the occupants. The workmen employed by the Contractor should abide by the Rules and Regulations maintained by NABARD in the premises, especially in respect of working hours, entry of the workers to the premises, interpersonal relation with the occupants etc.
26. The Contractor should obtain approvals, if any, necessary for the work from the statutory bodies on behalf of NABARD. However, NABARD may assist the Contractor in respect of any liaison with the Municipal or any other authority for necessary approval/ permission with regard to the construction/ maintenance works. The fees and other statutory charges, if any, will be reimbursed to the Contractor based on the original receipts produced to NABARD.
27. The Contract can be terminated by NABARD on 15 days' notice if services are found to be unsatisfactory and if there is no improvement even after issue of three notices to the contractor. The EMD of the contractor will be forfeited.
28. On-site storage space will be provided to the Contractor subject to availability. However, the Contractor may erect temporary sheds for storage purposes at his cost with the permission of NABARD. NABARD will not be responsible for Contractor's materials. The Contractor may be required to vacate the storage space and sheds as per exigency without any extra cost to NABARD.
29. The Contractor shall provide everything necessary for the proper execution of the works. NABARD will not supply any 'T & P' and materials or any other equipment, materials, labour, etc. and no payment in this respect will be made by NABARD. The

Contractor shall supply, and maintain all the scaffoldings, jhulla, T & P etc. at his cost during the execution of any work and remove them as soon as the work is completed.

30. The Contractor shall not directly or indirectly transfer, assign or sublet the Contract or any part of it, without written permission of NABARD.
31. Any defect which may appear within the **Defect Liability Period** after the Virtual completion of work should be rectified by the Contractor at his cost and only thereafter the Security Deposit will be refunded to the Contractor.
32. The Earnest Money Deposit/ Security Deposit (SD) consisting of EMD and RMD will not bear any interest. If the Tenderer withdraws his Tender before expiry of the validity period of the Tender, or if the Contractor fails to execute/ complete the works satisfactorily, or if the contractor commits breach of any of the terms and conditions of the contract, NABARD has the right to forfeit the EMD/ SD. This forfeiture is independent of the liquidated damages provided for the contract. Any Tender not accompanied by the EMD will be rejected. The EMD of all the unsuccessful tenderers will be refunded.
33. Security Deposit:  
In addition to EMD, Security Deposit/ Retention Money Deposit (RMD) shall be deducted @ 5% of the value of work done from every bill and shall be refunded after expiry of defects liability period of one year after the date of virtual completion of the work provided the Contractor has satisfactorily carried out all the rectification works and attended to all defects to the satisfaction of NABARD. The EMD of successful contractor shall be adjusted within the security deposit in the final bill or refunded after completion of work. No interest will be paid on EMD, Security Deposit/ Retention Money. No mobilization advance will be given to contractor.
34. Defects Liability Period:  
One year from the date of Virtual Completion of works certified by NABARD.
35. Validity of Tender Rates:  
3 months from the date of opening of Technical Bid (Part -1).
36. Liquidated Damages:  
0.25% of the accepted Tender Value per week or part of the week subject to a maximum of 5% of the value of work
37. Payment:  
The contractor shall be entitled to receive payments on submission of interim bills of amount more than ₹10.00 lakh only during execution of work. The contractor shall submit interim bills only after working out the appropriate measurements jointly recorded with NABARD at site in the Measurement Book (MB). This is not only to regulate correctness of quantity but also to facilitate expeditious clearing of the bills.

The interim bills submitted by the contractor will be paid by NABARD after all the statutory deductions viz. RMD @ 5%, TDS, Work Contract Tax etc. as applicable.

We accept all the above Terms and Conditions in all respects without any reservation.

#### **D. SPECIAL CONDITIONS**

1. The Tender is strictly on Item Rate basis.
2. All the pages of the Tender Document shall be signed by the Tenderer.
3. NABARD takes no responsibility for delay/ loss in post or non-receipt of Tender Documents.
4. Bids submitted by un-authorized agents and FAX/ Telex/ Telegraphic bids shall not be entertained/ considered.
5. Tenderers are advised to visit the site at their cost, conduct survey of existing conditions so as to familiarize themselves with the site conditions, nature of works etc. and get all clarifications as necessary from NABARD before quoting the rates.
6. Rates should include for removal of debris out of premises to the safe limit, removing stains, cleaning the site thoroughly and unless the same is done to the satisfaction of the NABARD's Engineer, the Bill will not be accepted.
7. The Contractor shall make necessary arrangement for watch and ward of his materials, tools, machines, scaffolding etc. stored for the execution of the work at his own risk and cost and NABARD will not be responsible on any account.
8. If the last date of receipt of Tender is a holiday, then submission of Tenders shall be shifted to next working day without change of time and venue.
9. The Tenderers should quote their rates strictly adhering to Terms and Conditions stipulated in the Tender Document. Unsolicited correspondence after opening of the Tender shall not be entertained. Conditional/ deviational tenders may be rejected without making any reference to the Tenderers.
10. No Tenderer will be allowed to withdraw his Tender during the validity period. Subletting of the Contract is not permitted.
11. Rates should be filled in the Tender neatly and as far as possible, no correction shall be made. The rates quoted should be written legibly in words and figures. If on check, differences are observed between the rates given by the Contractor in words and figures or in the amount worked out by him, the following procedure shall be followed.
  - a. When there is a difference between the rates in figures and in words the rate which corresponds to the amounts worked out by the Contractor shall be taken as correct.

- b. When the amount of an item is not worked out by the Contractor or it does not correspond with the rate written either in figures or in words, then the rate quoted by the Contractor in words shall be taken as correct.
  - c. When the rates quoted by the Contractor in figures and in words tallies, but the amount is not worked out correctly, the rate quoted by the Contractor shall be taken as correct and not the amount.
12. No advance shall be paid towards mobilization and cost of materials.
13. DAMAGE TO PERSONS AND PROPERTY INSURANCE ETC.

The contractor shall be responsible for all injury to the work or workmen to persons, animals or things and for all damages to the structural and/ or decorative part of property which may arise from the operations or neglect of himself or of any sub-contractor or of any of his or a sub-contractor's employees, whether such injury or damage arise from carelessness, accident or any other cause whatsoever in any way connected with the carrying out of this contract. The clause shall be held to include inter-alia, any damage to buildings whether immediately adjacent or otherwise, and any damage to roads, streets, foot paths or ways as well as damages caused to the buildings and the works forming the subject of this contract by rain, wind or other inclemency of the weather. The contractor shall indemnify the Employer and hold harmless in respect of all and any expenses arising from any such injury or damages to the person or property as aforesaid and also in respect of any claim made in respect of injury of damage under any acts on compensation or damage consequent upon such claim. The contractor shall reinstate all damages of every sort mentioned in this clause so as to deliver the whole of the contract works complete and perfect in every respect and so as to make good or otherwise satisfy all claims for damages to the property of third parties. The contractor shall affect the insurance necessary and indemnify the Employer entirely from all responsibility in this respect. The insurance must be placed with a company approved by the Employer and must be effected jointly in the name of the Employer and contractor and the policy lodged with the Employer. The scope of insurance is to include damage or loss to the contract itself till this is made over in a complete state, so contractor will take the CAR (Contractors All Risk Policy) for insurance equal to the amount of issued work order for this work for his persons employed at site and for third party. Insurance is compulsory and must be affected from the very initial stage. The contractor shall also be responsible for anything, which may be excluded from damage to any property arising out of incidents, negligence or defective carrying out of this contract. Policies should be taken in the joint names of NABARD and the Contractor for which first name should be NABARD. The Employer shall be at liberty and is hereby empowered to deduct the amount of any damages, compensations, costs, charges and expenses arising or accruing from or in respect of any such claim or damages from any sums due to or to become due to the contractor. The contractor at his cost and risk should shift/ displace the Bank's

furniture/ fixtures etc. as per the needs to facilitate the job during the time of work and should re-shift the goods at its initial place without any damage.

14. The Contractor shall use necessary safety equipment and maintain all safety measures during the execution of works and ensure compliance of Safety Code as per Rules and Regulations in force.
15. The Contractor shall engage necessary qualified and experienced supervisory staff at his cost during the execution of the work for attending to day to day affairs.
16. The Contractor shall submit the bills along with the accepted and jointly recorded measurement sheets duly certified by the NABARD's Engineer.
17. The Contractor should have necessary Contract License and comply with the Labour Laws as applicable.
18. Notwithstanding anything stated above, NABARD reserves the right to assess the Tenderer's capability and capacity to perform the contract, should the circumstances warrant such assessment in the overall interest of NABARD.
19. The decision of NABARD in awarding the work shall be final and cannot be subjected to arbitration.
20. NABARD reserves the right to accept/ negotiate/ reject any Tender either in whole or in part without assigning any reasons therefore whatsoever and without entering into any further correspondence and hence, NABARD shall be under no obligation to accept the lowest or any other Tenders received in response to this Tender. The decision of NABARD in this regard shall be final and undisputable.
21. NABARD also reserves the right of super session of any of the conditions, stipulated in the Tender Document.
22. Rates quoted by the contractor shall be as indicated in the tender and may be extended further with mutual consent of NABARD and the contractor.
23. All disputed or differences of any kind whatsoever which shall at any time arise between the parties hereto touching or concerning the works or the execution or maintenance thereof this contract or effect thereof or to the rights or liabilities of the parties or arising out of or in relation thereto whether during or after determination foreclosure or breach of the contract (other than those in respect of which the decision of any person is by the contract expressed to be final and binding) shall after written notice by either party to the contract to the other of them and to the Employer hereinafter mentioned be referred for adjudication to a sole Arbitrator to be appointed as hereinafter provided.

For the purpose of appointing the sole Arbitrator referred to above, the Employer will send within thirty days of receipt of the notice, to the contractor a panel of three names of persons who shall be presently unconnected with the organization for which the work is executed from the following categories of Arbitrators:

- a. Retired High Court/ Supreme Court judge who has experience in handling Arbitration Cases.
- b. Member of Council of Arbitrators
- c. Fellow of the Institution of Engineers
- d. Eminent Retired Chief Engineer from State/ Central PWD/ Public sector undertaking of good reputation and integrity
- e. Fellow of the Indian Institute of Architects

The contractor shall on receipt of the names as aforesaid, select any one of the person's name to be appointed as a sole Arbitrator and communicate his name to the Employer within thirty days of receipt of the names. The Employer shall thereupon without any delay appoint the said person as the Sole Arbitrator. If the contractor fails to communicate such selection as provided above within the period specified, the Competent Authority should make the selection and appoint the selected person as the Sole Arbitrator.

If the Employer fails to send to the contractor the panel of three names as aforesaid within the period specified, the contractor shall send to the Employer a panel of three names of persons who shall all be unconnected with either party. The Employer shall on receipt appoint him as the Sole Arbitrator. If the Employer fails to select the person and appoint him as the Sole Arbitrator within 30 days of receipt of the panel and inform the contractor accordingly, the contractor shall be entitled to appoint one of the persons from the panel as the Sole Arbitrator and communicate his name to the Employer.

If the Arbitrator so appointed is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever another Sole Arbitrator shall be appointed as aforesaid.

The work under the Contract shall, however, continue during the arbitration proceedings and no payment due or payable to the contractor shall be withheld on account of such proceedings. The Arbitrator shall be deemed to have entered on the reference on the date he issued notice to both the parties fixing date of the first hearing. The Arbitrator may from time to time, with the consent of the parties, enlarge the time for making and publishing the award. The arbitrator shall give a separate award in respect of each dispute or difference referred to him. The Arbitrator shall decide each dispute in accordance with the terms of the contract and give a reasoned award. The venue of arbitration shall be such place as may be fixed by the Arbitrator in his Sole discretion.

The award of the Arbitrator shall be final and binding on the both the parties. Subject to aforesaid the provisions to the Arbitration Act. 1992 or any statutory modification or re-enactment thereof and the rules made there under, and for the time being in force, shall apply to the arbitration proceeding under this clause. The Employer and the contractor hereby also agree that arbitration under clause shall be condition precedent to any right to action under the contract with regard to the matters hereby expressly agreed to be so referred to arbitration.

**DECLARATION BY THE CONTRACTOR**

## E. TECHNICAL SPECIFICATIONS

### TECHNICAL SPECIFICATION FOR 33 KV CONTROL AND RELAY PANELS FOR 750 KVA 33/0.415 KV TRANSFORMER

#### 1.0 SCOPE

- 1.1. This specification provides for design, engineering, manufacture, assembly, shop testing, inspection and testing at works, transport to site, insurance, storage, erection and commissioning of Control, Relay, Alarm and Annunciation Panels for 33/0.415 KV sub stations.
- 1.2. It is not the intent to specify completely herein all details of the design and construction of equipments. However, the equipment shall conform in all respects to high standards of engineering, design and workmanship and shall be capable of performing in continuous commercial operation acceptable to the purchaser, who will interpret in a manner the meanings of drawings and specifications and shall have the power to reject any material which in his judgment is not in accordance therewith. The equipment offered shall be complete with all components necessary for its effective and trouble free operation. Such components shall be deemed to be within the scope of Bidder's supply, irrespective of whether these are specifically brought out in this specification and/ or the commercial order or not.
- 1.3. It may be noted that the Control & Relay Panels must meet the following minimum criteria. Failure to comply with the requirements may results in rejection of the BID as non- respective.
  - 1.3.1. The manufacturer must have designed, manufactured, type tested and supplied Control 7 Relay Panels in at least two power utilities of similar rating which are in successful operation for at least 5 (Five) years as on the date of BID opening.

#### 2.0 STANDARDS

All equipments provided under this specification shall in general conform to the latest revision/amendment etc. of the following:

Sl. no.	Standard	Title
1	IS: 3231, IEC 255 Part-I to III,BS:89	Electrical Relays for power system protection.
2	IS: 1248; IS:2419; BS:89	Indicating instruments
3	IS-13010; IS:722 (Part-I to IX) IEC 521; BS 3T	Energy meters
4	IS: 4237	General requirement of switchgear and control gear for voltages not exceeding 1KV
5	IS: 375	Marking arrangement for switchgear, busbars, main connection & auxiliary wiring.

6	IS: 8686, IEC- 255 Part-V & VI IEC 801-4	Specification for static protective relays and tests
7	IEC 337; IEC 337-1; IS: 6875	Control switches (LV switching devices for control and auxiliary circuits)
8	IS: 2516	MCCB and load break switches having a break capacity of 30 KVA rms at 415 V.
9	IS: 4047	Fuse switching units.

#### NAME PLATE

Equipment should be provided with name plate giving full details of manufacture, capacities and other details as specified in the relevant ISS or other specification stipulated. The Purchase Order No. and date and year of supply and the "PURCHASER" and clear mention of Name of the Project shall be made.

#### GUARANTEED TECHNICAL PARTICULARS:

It is obligatory on the part of bidders to furnish Guaranteed Technical Particulars enclosed with the bid document duly filled in complete in all respects. In case Guaranteed Technical Particulars duly filled in complete in all respects is not furnished, the bid may be treated as non-responsive.

The salient technical particulars of the VCB should be as follows:

Sl. no.	Type of Circuit Breaker	Vacuum, Outdoor
1	Standards Applicable	IEC 62271-100 & IS 13118
2	Nominal System Voltage(KV rms)	33 KV

2.1. Equipment meeting with the requirements of other authoritative Standards, which ensure equal or better performance than the standards mentioned above, shall also

be considered. When the equipment offered by the Bidder conforms to other standards, salient points of difference between standards adopted and the standard specified in this specification shall be clearly brought out in the relevant schedule. Four copies of such standards with authentic translation in English shall be furnished along with CPRI Type test report.

### 3.0 CLIMATIC CONDITIONS

3.1 The climatic and isoceraunic conditions at site under which the equipments shall operate satisfactorily under the tropical conditions specified in this bidding documents.

3.2. The reference ambient temperatures assumed for the purpose of this specification are as follows:

- i) Maximum ambient temperature : 40° C
- ii) Maximum average daily ambient temperature : 35° C
- iii) Maximum average yearly ambient temperature : 30° C

Core No.	Accuracy class	Burden	Minimum knee poir voltage as per Formula	Purpose

### Painting:

The entire work shall have to be of good quality. The contractor shall use materials of readymade paints of best quality and of approved manufacturers as per specification. The Contractor will not be permitted to carry out any mixing at site except for addition of thinners for thinning the paint.

Rates shall be inclusive of doing plaster patch work (not exceeding 0.1 sq m for each patch) and also making up the broken arise, edge of walls, columns, beams, sills, ceiling, etc. so as to match the existing surface.

Special care shall be taken by providing suitable covers, tarpaulins etc. to prevent dust nuisance.

The contractor has to wash & clean the floors after his work in the area that has been completed.

No further coat shall be applied, till previous coat has completely dried up.

Additional coats shall have to be given without any extra cost, if instructed by the Bank, over and above the number of coats prescribed till the surface presents smooth and uniform finish.

The contractor should include the cost of erecting scaffoldings, ladder, jhulla, etc. required for painting the staircase / building both from inside and outside.

Care should be taken to paint switch boards, electric wiring on batten with paint similar to wall or ceiling as the case may be for which no extra payment will be made.

a. Measurements for Painting:

All measurements shall be in metric units. Length and breadth are to be measured correct to a centimeter.

b. Deductions in measurements to be regulated as follows:

For Acrylic emulsion paint interior/exterior, spirit polish, synthetic enamel paint.

- a. No deduction shall be made for opening less than 0.5 sq m and no addition made for jambs, sills reveals therein etc.
- b. Openings exceeding 0.5 sq m shall be deducted and jambs, soffits, sills etc. measured.

**Patch Repairing:**

The Patch repairs shall generally be carried out as under:

- a. Patches should be marked properly on the surface and all loose plaster of the cracked portion shall be removed as directed by the Engineer.
- b. The surface to be patch plastered shall be wetted thoroughly and if plain, shall be roughened up by hacking.
- c. The plastering shall be done as directed. The finishing coat shall match with the adjoining surface. The rate quoted shall include all types of finishing and no extra payment shall be admissible.
- d. The cement mortar used shall be 1:6 (one part cement to six parts of sand by volume) and the work shall be done as directed by the Engineer.
- e. The patches thus repaired shall be cured adequately and shall be got approved from the Engineer before proceeding further.
- f. Wide cracks in plaster, if any shall be grooved as directed and should be filled by polymer modified cementitious repair mortar such as Roff Plaster coat R 03 & 05 or equivalent make, as per manufacturer specifications. No payment will be made for this operation.
- g. Minor cracks in plaster due to separation of brick work from the concrete or wood work or between two masonry panels or diagonal cracks shall be grooved as directed, filled and finished with "SNOW FILLA/ Dr. FIXIT" or mentioned in schedule of quantities specifications. The rates quoted for respective items shall be inclusive of this operation.

- h. Measurement: The measurements of the patches exceeding 0.1 sq m in area shall only be recorded. The patching work having 0.1 sq m or less in area shall not be measured and paid for.

### **Scaffolding:**

Unless otherwise instructed by the Engineer, single/double bamboo scaffolding (or MS props, if required at site) having two sets of vertical supports shall be provided for repair work. The supports shall be sound and strong, tied together by horizontal members over which scaffolding planks shall be fixed.

The work of scaffolding shall be deemed to be the part of the work of respective items under schedule and no extra payment in this regard under any circumstance shall be admissible. The scaffolding thus erected shall have to be got approved from the Engineer or his representative before commencing the work or actual painting. However, it should be noted that approval from the Engineer shall not relieve the Contractor of his responsibility and any damage to the property or any loss of life due to the negligence on this regard shall be at the Contractor's account.

### **Painting:**

The work of painting, colour washing shall be done according to IS: 2395 (1966) and 1477 (1959) and shall be to the entire satisfaction of the Engineer.

### **Exterior painting:**

The surface shall be prepared as directed and by removing any existing fungus or mould growth shall be completely removed by thoroughly scraping and rubbing down with water jet, bristle/ scrap with brush and sand paper then washing down with clean water and allowed to dry. The surface shall be brushed with a soft bristle brush to remove any dust particles 24 hours after the wash. All the cracks shall be properly defined with sharp edge tool, cleaned & filled the same & crevices with Latex caulking crack filler etc. complete generally or as per the manufacturer's specification and as directed.

#### With Acrylic waterproof exterior emulsion

Apply two coats of exterior emulsion as per manufacturer's specification and colour/ shade as approved by the Bank after applying a coat of exterior primer.

### **Painting for Interior surfaces:**

#### **Acrylic Interior Emulsion:**

The paint shall be of approved manufacturer and shade.

**Preparation of surfaces:**

Old paint and neeru should be completely removed by scraping manually and using machine hand cutter till the original plastered surface to be exposed. After that, all loose particles should be removed with wire brush. Finally surface should be washed thoroughly with potable water and clean the surface from all impurities. Then the surface should be allowed to dry. Patch plastering should be done wherever it is required. Patches more than 0.1 sq m will be paid extra.

Apply two coats of Birla white wall care putty of about 3mm thickness as per manufacturer specification over the cleaned surface.

**Application of Wall Care Putty:**

The plastered surface after scrapping and patch plastering has to be brought to level by applying one coat of Birla putty MF to required thickness (not more than 3mm thickness). If more thickness is required to make the surface level in any areas, then the same has to be done in more than one coat of Birla Putty MF as per manufacturer specifications.

Then make the surface even & smooth with one or two coats of Birla Putty SF to required thickness (not more than 1.5 mm thick). The unevenness on the surface may be removed by gently leveling the surface with very fine water proof emery paper, not less than 500 numbers, to get a glossy white surface. The surface should be brought to proper line and level to such an extent that no undulations could be visible and all the edges and corners should be finished very sharp to look like a narrow hair line.

**Preparation of paint:**

The paint shall be prepared strictly according to the manufacturer's instructions and specifications.

**Application of paint:**

Apply two coats of interior emulsion as per manufacturer's specification and colour/ shade as approved by the Bank. Paint shall be applied uniformly by using soft bristle brush and shall be finished with roller.

**Enamel painting to steel work:**

The work shall generally be carried out as per I.S. 1477 (1959), wherever applicable and as directed by the Engineer.

The surface shall be thoroughly cleaned of all scale, rust, dirt, old paint, grease and other imperfections by scraping and brushing with steel wire brushes and if necessary, the surface shall be cleaned by chipping or any other best known methods, such as sand blasting and burning. The surface shall be made thoroughly dry.

Apply a coat of anti-corrosive metal primer of approved make, if required.

Apply a coat of putty to make the surface even and uniform.

Apply first coat of ready mixed enamel paint of approved make, quality and shade. The first coat shall be a tone lighter when compared to the final approved shade.

Apply finishing coat of approved shade as directed.

### **Scaffolding for painting:**

Unless otherwise instructed by the Engineer, single scaffolding having one sets of vertical supports of bamboo (or props, if required) shall be provided for repair work. The supports shall be sound and strong, tied together by horizontal members over which scaffolding planks shall be fixed. Suitable double nylon net with a mesh size of 25mm shall be provided at 4 M. height from the ground level around the buildings up to a distance of minimum 3 M. from the edge of the building in all sides to catch any falling objects causing accidents and offer protection to vehicles parked and people around. The work of scaffolding shall be deemed to be the part of the work of respective items under schedule and no extra payment in this regard under any circumstance shall be admissible. The scaffolding thus erected shall have to be got approved from the Engineer or his representative before commencing the work or actual painting.

### **Samples for Approval:**

Contractor, before supply of material, should show the samples of all the materials to the bank and get it approved.

However, it should be noted that approval from the Engineer shall not relieve the Contractor of his responsibility and any damage to the property or any loss of life due to the negligence in this regard shall be at the Contractor's account.

### **Safety Code:**
