# PREFACE

Micro  
Finance  
in India  
2008-09

Microfinance has made tremendous strides in India over the years and it has become a household name in view of the multi-pronged benefits reaped/ receivable from microfinance services by the poor in our country. Self Help Groups (SHGs) have become the common vehicle of development process, converging all development programmes. SHG–Bank Linkage Programme launched by NABARD way back in 1992 envisaging synthesis of formal financial system and informal sector has become a movement throughout the country. It is considered as the largest microfinance programme in terms of outreach in the world and many other countries are keen to replicate this model. At present, a large number of Self-Help Group Promoting Institutions (SHPIs), all the banking agencies and MFIs are pursuing this programme for the upliftment of the poor. This is also recognized as a part of priority sector lending and normal banking business by Reserve Bank of India. Thus, it is synonymous with microfinance programme of the country. This programme is also the main contributor towards the Financial Inclusion process in the country. As on 31 March 2009, there are more than 61 lakh saving-linked SHGs and more than 42 lakh credit-linked SHGs and thus, about 8.6 crore poor households are covered under the programme.

In view of the large outreach and pre-dominant position of this microfinance programme, it is very important to examine the status, progress, trends, qualitative and quantitative performance comprehensively. To achieve this objective, Reserve Bank of India and NABARD had issued guidelines in the year 2006-07 to Commercial Banks, Regional Rural Banks and Cooperative Banks to furnish data on progress under microfinance. The data so collected covered various parameters like SHGs' savings with banks, bank loan disbursed to SHGs, bank loan outstanding against SHGs, gross NPAs of bank loans to SHGs, recovery performance of loans to SHGs. Further, the banks were also asked to furnish data regarding bank loans provided to Micro Finance Institutions (MFIs) under SHG – MFI bank model. Micro Credit Innovation Department (MCID), NABARD has been bringing out the consolidated document annually.

This booklet presents the consolidated data obtained from the banks along with suitable analysis of the various trends and progress under microfinance sector under the two models viz. SHG – Bank Linkage model and MFI – Bank Linkage model. This consolidated data is, in fact, a concrete data received from the primary sources, properly validated and it is near to actual position of microfinance sector under two models. Region-wise, State-wise, Agency-wise, Bank-wise and also for SHGs exclusively under Swarnajayanti Gram Swarojgar Yojana (SGSY) and exclusive women SHGs have been covered in the document.

The booklet also contains the promotional programmes taken up by NABARD to give necessary boost to the microfinance sector. The major support provided by NABARD relates to promotion and nurturing of SHGs by SHPIs, training and capacity building of the stakeholders in the Sector right from SHGs' leaders to policy level officials of the NGOs, banks and Government, equity/ capital support and provision of soft loan assistance to MFIs. NABARD is also experimenting innovative projects for further developing the SHG–Bank linkage, particularly in different areas which are lagging behind and are prioritized for promotional efforts.

We hope that all the stakeholders under microfinance sector would use the information as input and feedback in the sector for bringing about policy changes and improvement in operational strategies for the implementation of the programme. More analysis than what is given in the booklet is expected from all the microfinance players. NABARD would welcome suggestions and comments on this booklet for making it more informative and useful at all levels in the microfinance sector.

# MICROFINANCE IN INDIA

## 1. Introduction

Microfinance sector has covered a long journey from micro savings to micro credit and then to micro enterprises and now entered the field of micro insurance, micro remittance, micro pension and micro livelihood. This gradual and evolutionary growth process has given a great boost to the rural poor in India to reach reasonable economic, social and cultural empowerment, leading to better life of participating households. Financial institutions in the country have been playing a leading role in the microfinance programme for nearly two decades now. They have joined hands proactively with informal delivery channels to give microfinance sector the necessary momentum. During the current year too, microfinance has registered an impressive expansion at the grass root level.

The year 2008-09 is the third year that the data on progress in microfinance sector have been presented on the basis of returns furnished directly to NABARD by Commercial Banks (CBs), Regional Rural Banks (RRBs) and Cooperative Banks operating in the country. The data includes the information related to savings of Self Help Groups (SHGs) with banks as on 31 March 2009, loans disbursed by banks to SHGs during the year 2008-09 and outstanding loans of SHGs with the banking system and the details of Non-Performing Assets (NPAs) and recovery percentage in respect of bank loans provided to SHGs as on 31 March 2009. The data received from banks have been compiled on region-wise, State-wise and agency-wise basis in this booklet. The booklet also has the details related to SHGs under Swarnjayanti Gram Swarojgar Yojna (SGSY) and exclusive women groups. In addition, the information related to bulk lending under Bank - Micro Finance Institutions (MFIs) – SHGs has also been compiled.

The banks operating, presently, in the formal financial system comprises of Public Sector Commercial Banks (27), Private Sector Commercial Banks (28), Regional Rural Banks (86), State Cooperative Banks (31) and District Central Cooperative Banks (371). It is observed that most of the banks participating in the process of microfinance have reported their progress under the programme.

NABARD has been instrumental in facilitating various activities under microfinance sector, involving all possible partners in the arena. It has been encouraging the voluntary agencies, bankers, socially spirited individuals, other formal and informal entities and also government functionaries to promote and nurture SHGs. The focus in this direction has been on training and capacity building of partners, promotional grant assistance to Self Help Promoting Institutions (SHPIs), Revolving Fund Assistance (RFA) to MFIs, equity/ capital support to MFIs to supplement their financial resources and provision of 100% refinance against bank loans provided by various banks for microfinance activities. Details of NABARD support to microfinance sector have also been outlined under paragraph 5 of this booklet.

#### 4. SHGs – Micro Finance Institutions (MFI)-Bank Linkage

Micro Finance Institutions (MFIs) are playing an important role of financial intermediaries in microfinance sector. The MFIs operate under various legal forms,viz.,

- i. NGO MFIs – Registered under Societies Registration Act, 1860 and / or Indian Trust Act, 1880
- ii. Cooperative MFIs – Registered under State Cooperative Societies Act or Mutually Aided Cooperative Societies Act (MACS) or Multi- State Coop. Societies Act, 2002

#### (v) Pilot Project on SHG-Post Office Linkage Programme

The Pilot Project for SHG-Post Office Linkage programme was initially launched in 5 select districts of Tamil Nadu, viz, Sivaganga, Pudukottai, Tiruvannamalai, Thanjavur & Tiruvarur with the objective of examining the feasibility of utilising the vast network of Post Offices in rural areas in disbursement of credit to rural poor, through SHGs, on agency basis.

The progress under the project has been encouraging. As on 31 March 2009, 2,835 SHGs have opened zero interest savings accounts with select Post Offices in Tamil Nadu and 889 SHGs have been credit linked with loan amounting to Rs 213.11 lakh. In addition to Revolving Fund Assistance (RFA) of Rs. 3 Crore sanctioned to Department of Posts, Tamil Nadu, NABARD has sanctioned RFA of Rs.5 lakh to Post Offices in Meghalaya for on-lending to 50 SHGs in East Khasi Hills.

#### (vi) Support to Activity-Based Groups (ABG)

During the year, NABARD introduced a scheme for supporting small-scale activity-based groups wherein capacity building, production and investment credit and market-related support would be extended. The scheme focuses on forming and nurturing groups engaged in similar economic activities, such as farmers, handloom weavers, craftsmen, fishermen, etc., to improve efficiency of their production and realise better terms from the market through economies of aggregation and scale. The scheme draws upon NABARD's existing modes of support and has both grant and loan components. While grant support would cover expenditure on SHGs formation and training, extension services, establishing market linkages, etc., bank loan/s would cover investment activities and working capital needs of the SHGs. Banks would be eligible to draw refinance for the loans provided to Activity-Based Groups on the same terms as applicable for SHG's financing. In select cases, NABARD may also provide loans directly to registered SHGs or through the agencies promoting SHGs to establish few initial projects where none exists.

#### (vii) Support to SHGs' Federations

Recognising the emerging role of the SHGs' Federations in nurturing of SHGs, enhancing the bargaining powers of group members and livelihood promotion, NABARD introduced during 2007-08, a flexible scheme to support such Federations, on a model neutral basis. The broad norms prescribed for supporting SHG Federations stipulate that the federations should be

need-based, member-owned/driven, democratically managed with members at liberty to join, become self-managed over three years, etc. Support to the Federation is extended by way of grant for training, capacity building, and exposure visits of SHG members, etc., as also under all of NABARD's existing promotional schemes.

#### (viii) Special initiative for scaling up SHGs/ SHG Federations

NABARD has associated with Rajiv Gandhi Charitable Trust (RGCT) for promotion, credit linkage and formation of

SHG Federations in select districts of Uttar Pradesh. The project envisages promotion and credit linkage of 22,000 SHGs, 1,100 cluster-level associations and 44 block-level associations in collaboration with participating banks and implementing NGOs. The project would cover 15 and 29 blocks under Phase I and II respectively in 12 districts of Uttar Pradesh viz. Sultanpur, Rae Bareli, Barabanki, Pratapgarh, Lucknow, Unnao, Fatehpur, Jhansi, Lalitpur, Bahraich, Shravasti and have designed the project with technical assistance from Society for Elimination of Rural Poverty (SERP), Government of Andhra Pradesh. As at the end of 31 March 2009, 7,808 SHGs had been promoted, of which 3,972 SHGs had been credit linked. In addition, 273 Village Level and 14 Block Level SHG Federations were formed. Phase II of the project was launched on 01 January 2009 and 8,467 SHGs were promoted, of which 3,378 SHGs were credit-linked.

Banda. NABARD and RGCT have designed the project with technical assistance from Society for Elimination of Rural Poverty (SERP), Government of Andhra Pradesh. As at the end of 31 March 2009, 7,808 SHGs had been promoted, of which 3,972 SHGs had been credit linked. In addition, 273 Village Level and 14 Block Level SHG Federations were formed. Phase II of the project was launched on 01 January 2009 and 8,467 SHGs were promoted, of which 3,378 SHGs were credit-linked.

#### State-specific support in North Eastern Region (NER)

**Arunachal Pradesh:** During 2008-09, an amount of Rs 39.15 lakh was sanctioned by NABARD for implementing the project 'Micro Finance Vision 2011' by the Govt. of Arunachal Pradesh. Further, an amount of Rs. 33.66 lakh was sanctioned to the Essom Foundation Trust for setting up a Resource Centre at Itanagar for providing operational inputs, capacity building support and marketing linkages among the groups.

### 5.3 Promotional Support - MFI Bank Linkage

NABARD has taken various initiatives to support Micro Finance Institutions (MFIs) to strengthen them as given below :

#### (i) Rating of Micro Finance Institutions (MFIs)

In order to identify, classify and rate Micro Finance Institutions (MFIs) and empower them to function as intermediaries between the lending banks and the clients, NABARD had introduced a scheme for providing financial assistance by way of grant to Commercial Banks, Regional Rural Banks and Co-operative Banks to avail of the services of accredited rating agencies for rating of MFIs. Banks can avail the services of credit rating agencies viz. CRISIL, M-CRIL, ICRA, CARE and Planet Finance for rating of MFIs and avail financial assistance by way of grant to the extent of 100% of the total professional fees of the credit rating agency, subject to a maximum of Rs.1.00 lakh. The facility is available for the first rating of an MFI with a

minimum loan outstanding of Rs.50.00 lakh and maximum loan outstanding of Rs.500.00 lakh. The Scheme will be operational upto 31 March 2010.

During the year, a new scheme was introduced in terms of which 100 % of the professional fees of the Credit Rating Agency (CRA), subject to a ceiling of Rs. 3.00 lakh to be borne by NABARD in respect of only those MFIs approaching NABARD directly for capital/ equity support and/or Revolving Fund Assistance (RFA) from Micro Finance Development and Equity Fund (MEDEF). Criterion for eligibility for MFIs is minimum loans outstanding of Rs.50 lakh.

#### (ii) Capital / Equity Support to Micro Finance Institutions (MFIs)

In view of the announcements made by the Honorable Union Finance Minister in the Union Budget 2005-06, redesignating MFDF to MFDEF a scheme called Capital / Equity support to MFIs" was introduced in 2007-08 under which capital/ equity support to various types of MFIs would be provided by NABARD to enable them to leverage commercial and other funds from banks. This would help MFIs in providing financial services at an affordable cost to the poor. During the year 2008-09, capital support amounting to Rs.11.75 crore had been sanctioned to 13 agencies taking the cumulative support to Rs. 21.00 crore covering 24 agencies under the scheme and an amount of Rs.17.00 crore had been released so far.

During the year, NABARD introduced a new scheme for capital support to start up MFIs having potential to scale-up their activities but lacking in capital, infrastructural facilities and managerial skills. Micro-Finance Organisations (MFOs) and MFI-NBFCs, identified as 'Start ups' on the basis of area of operation, client outreach, lending model, borrowing history, etc., are eligible for support under the scheme. Financial support will be in the form of 'subordinated debt' which shall be sub-ordinate to the claims of all other creditors. The quantum of support will be commensurate with the business plan of the MFO / MFI-NBFC but not exceeding Rs.50 lakh in any case. The rate of interest has been fixed at 3.5% for MFOs and the prevailing Bank Rate for MFI-NBFCs to be repaid over a period of 7 years including moratorium of 2 years.

#### (iii) Revolving Fund Assistance (RFA) to MFIs

NABARD provides loan funds in the form of Revolving Fund Assistance (RFA), on a selective basis, to MFIs. The RFA provided to these agencies is necessarily to be used for on-lending to SHGs or individuals and the amount is to be repaid along with the service charge between 6.5% and 9.5% within a stipulated period of 3 to 7 years. This enables them to build a 'history', which would help them to access credit facilities through the regular banking channels. During 2008-09, RFA of Rs.6.25 crore was sanctioned. Cumulatively, RFA of Rs. 42.98 crore had been sanctioned to 38 agencies and an amount of Rs. 33.94 crore had so far been released against which an amount of Rs.13.62 crore was outstanding as on 31 March 2009. The details of agencies-wise outstanding RFA under MFDEF account are given in Statement - 10.

### 6. Impact of SHG-Bank Linkage Programme (SBLP)

The SHG-Bank Linkage Programme has far reaching impact on the lives of the poor people. In order to assess in detail the socio-economic-political impact as well as the challenge, issues and bottlenecks facing the programme in enhancing credit flow to the poor, many state level and national level studies were conducted during 2008-09. A major national level study on 'Impact and Sustainability of SHG-Bank Linkage Programme was got conducted by the National Council of Applied Economic Research (NCAER). The study conducted was aimed to assess the impact and sustainability of SHG-Bank linkage on the socio-economic conditions of the individual members and their households in the pre-SHG and post-SHG scenarios. The study was conducted for India in six States (Andhra Pradesh, Karnataka, Maharashtra, Orissa, Uttar Pradesh and Assam) from five regions viz. the south, west, east, central and north-east. The overall findings of the study suggest that SBLP had significantly improved the access to financial services by the rural poor. The major findings of the study were as

under:

The CMR along with four sub-centres viz., Indian Institute of Bank Management (IIBM), Guwahati Institute of Financial Management and Research (IFMR), Chennai, Institute of Development Studies (IDS), Jaipur and Chandra Gupta Institute of Management, Patna (CIMP) had initiated several studies on critical issues of microfinance. Grant assistance of Rs. 375.00 lakh was sanctioned to CMR from MFDEF to pursue the above-envisioned activities.

## 8. Financial Inclusion Fund (FIF) and Financial Inclusion Technology Fund (FITF)

Based on the recommendation of the Committee on Financial Inclusion, headed by Dr. C. Rangarajan, the GOI entrusted NABARD with setting up of two funds viz., FIF and FITF. While the FIF aims to support development and promotional activities to secure greater financial inclusion, the FITF will focus on enhancing investment in Information and Communication Technology (ICT) aimed at providing financial inclusion. During the year, four projects under FIF and five projects under FITF were sanctioned. It is expected that, these two Funds would facilitate value addition to microfinance movement in the country, besides ushering financial inclusion.

## 9. NABARD - GTZ Technical Collaboration in Rural Finance Programme.

Under the purview of technical collaboration in Rural Finance Programme between GTZ and NABARD, technical assistance continued to be extended to NABARD during the year for, inter alia, promotion and development of microfinance as well as improvement in the quality and viability of financial services under SHG-Bank Linkage Programme. Exposure-cum-Studies and documentation, etc. were undertaken in collaborative process for furtherance of the sector.

## 10. Looking Ahead

The microfinance movement has been widened, deepened and diversified with continued promotional focus on SHG–Bank Linkage Programme by NABARD as well as all stakeholders. The SHG–Bank Linkage Programme has transformed the whole range of institutions – Government, banks, NGOs and development institutions, in their approach towards development of poor. The socio-economic aspect on rural poor is enormous. The programme is growing steadily and it is likely that coverage of 100 lakh SHGs would be accomplished much before 2015 as envisaged. There have been sea changes in the policy environment for SHGs in the recent years. Many State Governments and Government of India agencies and international bodies have launched several livelihood programmes with SHGs as delivery channel. MFIs are expanding their horizon of services, inter-alia, through SHG route. Federations of SHGs under different models are coming up by leaps and bounds to provide financial and non-financial services to SHGs. Several variants of SHGs including Joint Liabilities Groups (JLGs) are operating in different parts of the country. Financial Inclusion is being advocated/ focused with SHGs as core center for providing the whole range of services – micro saving, micro credit, micro insurance, micro pension, business counseling, and financial literacy with technology options. Matured SHGs are facilitated to carry out the wide spectrum of value chain in farm and non-farm sectors and looking for support for forward and backward linkages. In addition, matured SHGs are likely to assume the role of Business Facilitators (BF) and Business Correspondents (BC). With these developments, SHG–Bank Linkage Programme with a flexible and responsive approach has coped up and has risen to the changing times. SHGs have been encompassing the myriads of roles envisaged in the dynamics of times. It has faced several challenges and stood the test of time and would likely to meet the emerging challenges in future. The issues of regional imbalance, micro-enterprise promotion, maintaining the quality of SHGs, recovery performance, etc. are being addressed through various promotional and nurturing efforts. All the stakeholders in their upscaling process are however, expected to champion the core values, visions, principles and philosophy of SHGs and SHG – Bank Linkage Programme for orderly growth of microfinance movement. There is a need for recalling, reiterating and reinforcing those fundamentals for sustenance of the movement. NABARD has been the conscience-keeper in this regard and has been focusing the same in every fora. It is expected that all would preserve these values e.g. savings with credit, gradual increase in credit, group dynamics and autonomy of SHGs in decision-making, peer pressure, healthy relationship between SHGs and SHPIs including banks, etc. at any cost. As in the solar system, with Sun at the center and all stars moving around remain in balance when centri-petal and centrifugal forces are kept in balance. Similarly, Microfinance eco-system with the Sun of SHG – Bank Linkage Programme at the center, could remain in balance if all the players and programmes revolve round the central value system in the changing times ahead.
