

NABARD Award for Outstanding Doctoral Thesis Research 2021

Announcement of Result

Date: 15 July 2022

Please refer to the notification for 'NABARD Award for Outstanding Doctoral Thesis Research 2021' released on 03 March 2022.

We received 57 applications and 09 of these applications were shortlisted for interview-cum-presentation before the selection committee held on 08 July 2022. The selection committee was comprised of external experts as well as NABARD officers.

The selection committee evaluated these 09 applications based on (i) Newness/innovation in research methodology (ii) Robustness of methodology (iii) Policy relevance of thesis findings (iv) Overall thesis quality (v) Quality of presentation of the findings of the thesis.

Based on the marks awarded by the Selection Committee, the following 03 candidates have been selected for the 'NABARD Award for Outstanding Doctoral Thesis Research 2021':
