a) Delay in delivery of the ordered equipment, etc., beyond four weeks from the date of acceptance/receipt of the work order (except with written permission from NABARD).

b) Delay in installation and commissioning of the system beyond four weeks from the date of acceptance/receipt of the work order (except with written permission from NABARD).

c) Any other appropriate reason in view of NABARD.

In addition to the cancellation of the work contract, NABARD reserves the right to foreclose the Bank guarantee given by the Vendor/Bidder towards performance of the contract to appropriate the damages.

2.23 Right to Accept or Reject the Quotation
NABARD does not bind itself to accept the lowest bid or any or all Quotations and reserves to itself the right to accept or reject any or all the 'Bids', either in whole or in part without assigning any reasons for doing so. If any conditions are stipulated at the time of submission of 'Bids', they will be liable to be summarily rejected.

2.24 Right to alter quantities
NABARD reserves the right to alter quantities to be purchased on the same terms and conditions. Bidders are required to satisfy themselves by inspecting the Computer Hardware proposed under buyback before submitting their bids.

2.25 Force Majeure
2.25.1 The parties shall not be liable for default or non-performance of the obligations under the contract, if such default or non-performance of the obligations under this contract is caused by Force Majeure.

2.25.2 For the purpose of this clause. "Force Majeure" shall mean an event beyond the control of
the parties, due to or as a result of or caused by acts of God, wars, insurrections, riots, earthquake and fire, events not foreseeable but does not include any fault or negligence or carelessness on the part of the parties, resulting in such a situation.

2.25.3 In the event of any such intervening Force Majeure, each party shall notify the other party in writing of such circumstances and the cause thereof immediately within five calendar days. Unless otherwise directed by the other party, the party pleading Force Majeure shall continue to perform/render/discharge other obligations as far as they can reasonably be attended/fulfilled and shall seek all reasonable alternative means for performance affected by the Event of Force Majeure.

2.25.4 In such a case, the time for performance shall be extended by a period(s) not less than the duration of such delay. If the duration of delay continues beyond a period of three months, the parties shall hold consultations with each other in an endeavor to find a solution to the problem.

2.25.5 Notwithstanding above, the decision of NABARD shall be final and binding on the Bidder.

2.26 Evaluation Process

Only Quotations received on or before the stipulated date and time for responding to the Tender will be considered for further evaluation. The evaluation process will include:-

a) Evaluation of Tender response (this may include scrutiny of proposal to ensure that the Vendor/Bidder meets the eligibility criteria, compliance to functional & technical requirement, presentations, demonstrations etc.)

b) The final decision regarding selection of Vendor/Bidder will be taken by NABARD after technical as well as commercial bid preferred by the bidders. The implementation of the project will commence upon successful negotiation of a contract between NABARD and the selected Vendor/Bidder. NABARD reserves the right to reject any or all proposals fully or partially.

c) Similarly, NABARD reserves the right to include or not to include any Vendor/Bidder in the final short-list.

d) Vendor/Bidder will submit a certificate as detailed in Part I Schedule 1, on the letterhead and duly signed by Authorized signatory. This certificate will also form part of Technical Bid.

2.27 Pre-Contract Integrity Pact

As per Central Vigilance Commission guidelines, all PSBs/Insurance Companies/Financial Institutions shall implement Integrity Pact (IP) in respect of all major procurements, which essentially envisages an agreement between the prospective vendors / bidders and the buyer (i.e. NABARD), committing the persons/officials of both the parties, not to exercise any corrupt influence on any aspect of the contract. It is a written agreement between the buyer and all bidders and stipulates rights and obligations to the effect that neither side will pay, offer, demand or accept bribes; collude with competitors to obtain the contract; or engage in such abuses while executing the contract. The purpose of the Pact is to make the procurement and contracting process fair and transparent. A proforma of the same is furnished in Schedule No 8 of Part I. The Prospective vendors have to submit the same duly signed on a non-judicial stamp paper of Rs.100/- at the time of submission of the tender document.

The IP also envisages appointment of Independent External Monitors (IEMs), persons having high integrity and reputations, who will examine any complaint, received regarding tenders and submit their report to the Chief Executive and also to the CVO in case of suspicion of irregularities. A format for the complaint to be recorded is enclosed to the proforma of the Integrity Pact.
