- b. An additional interest subvention @ 3% will be available to such of those farmers repaying on time i.e., from the date of disbursement of the short term loan up to the actual date of repayment by farmers or up to the due date fixed by the Bank for repayment of crop loans/WC loans, whichever is earlier, subject to a maximum period of one year from the date of disbursement. This subvention will be available to such farmers on the short term production credit up to a maximum amount of Rs.3 lakh and on WC for AH&F, bee keeping, dairy etc. up to a maximum amount of Rs.2 lakh. This also implies that the farmers, paying promptly, would get short term loans @ 4% p.a. during the year 2024-25. This benefit would not accrue to those farmers who repay after one year of availing crop loans/ WC loans.
- c. In order to discourage distress sale by farmers and to encourage them to store their produce in warehouses, the benefit of Interest Subvention will be available to banks towards their lending to small and marginal farmers having Kisan Credit Card for a further period of upto six months post-harvest of the crop on the produce stored in warehouses accredited with Warehousing Development Regulatory Authority (WDRA) against negotiable warehouse receipts, at the same rate as is available on crop loans/ WC loans.
- d. To provide relief to farmers affected by natural calamities, the applicable rate of interest subvention for that year will be made available to Banks for the first year on the restructured loan amount. Such restructured loans will attract normal rate of interest from the second year onwards as per the extant policy laid down by the RBI.
- e. However, to provide relief to farmers affected by severe natural calamities, an Interest subvention of that particular year will be available to Banks for the first three years/entire period (subject to maximum period of 5 years) on the restructured loan amount. Further, in all such cases, the benefit of prompt repayment incentive @ 3% per annum shall also be provided to the affected farmers. The grant of such benefit in cases of severe natural calamities shall, however, be decided by a High-Level Committee (HLC) based on the recommendation of Inter-Ministerial Central Team (IMCT) and Sub Committee of National Executive Committee (SC-NEC)
3. Further, in terms of our circular No.62 dated 13.03.2020 KCC has been made mandatory for availing the benefit of Interest Subvention on short term loans disbursed from 01.04.2020.
