PREAMBLE TO SCHEDULE OF QUANTITIES

The work of paving blocks and kerb stones in NABARD Staff Quarters at Jaipur with its Preamble to schedule of quantities form a part of schedule of quantities for contractual purpose and should be studied carefully prior to filling up the schedule of quantities.

1. Schedule of quantities supersedes Technical specifications, General and Particular conditions of Contract in case there are any discrepancies between any of these sections.
2. Items are described to the best possible extent in schedule of quantities. However, should there be any clarifications required about any item, the same should be done by the bidder prior to quoting final rate for a particular item. No claim for any unclear and missing information shall be entertained once the contract is awarded.
3. Rate to be quoted against any item in the Schedule of Quantities shall be inclusive of all the materials, labor, equipment, facilities and direct and indirect overheads and profits necessary for safe and timely completion of item in accordance with the specifications.
4. Mode of measurements for any item shall be in accordance with IS 1200, if not mentioned in the item specifications. If there is any discrepancy the decision of NABARD shall be final.
5. Quantities allocated for various items are based on general inspection and as such they are only approximate. Variations to any extent are possible during actual execution for individual items as well as for whole work. It shall be the responsibility of bidder to assess the extent of variations and to account for the same in the quoted bid, no extra claim shall be entertained on account of variations in quantities for whatsoever reason.
6. If no rate/amount is mentioned against any of the items in Bill of Quantities, the same shall be considered to be covered in the quoted items, or the tender may be rejected at the discretion of NABARD.
7. Notes given in the Bill of Quantities should be read carefully before quoting the rates.
8. All quoted rates shall be inclusive of all taxes, GST(State & Central), or any other taxes inclusive of octroi and excise duty, levies, wages, etc. as per minimum wages Act etc. No other claim whatsoever in this respect shall be entertained. The rates shall be firm for the duration of this contract plus authorized extension period, if any.

9. Rate quoted by the contractor shall include for removal of debris out of premises to the safe LMC limit, removing stains and cleaning the site thoroughly and unless the same is done to the satisfaction of the NABARD, the bill will not be settled.

10. TDS or any other tax as applicable will be deducted from payment to contractors. The Contractor shall furnish necessary documentary evidence related to PAN and Certificate for Registration, Registration under GST.

11. The BIS/CPWD specifications shall be followed wherever applicable, and in the absence of it, the decision of NABARD will be final in respect of the specifications given by the NABARD.

12. The tender rates shall be firm and shall not be subjected to variations on account of fluctuations in market rates, taxes or any other reasons whatsoever.

13. RATES TO BE FILLED IN BILL OF QUANTITIES

The tenderer is requested to fill up rates both in figures and words. If on check there are differences between the rates given by the contractor in words and figures or in the amount worked out by him, the following procedure shall be followed.

(a) When there is a difference between the rates in figure and in words, the rates, which correspond to the amounts worked out by the contractor shall be taken as correct.

(b) When the amount of an item not worked out by the contractor or it does not correspond with the rate written either in figures or in words, then the rate quoted by the contractors in words shall be taken as correct.

(c) When the rates quoted by the contractor in figures and in words tallies but the amount is not worked out correctly, the rate quoted by the contractor shall be taken as correct and not the amount.

14. The clients do not bind themselves to accept the lowest or any tender and reserve the right to accept or reject any or all the tenders, either in whole or in part without assigning any reason for doing so.

15. Before tendering, the tenderer shall assess himself the existing condition of the buildings and the site, level of the site and give due allowance in his item rate quotation for any provisions as necessary.
