

## Corrigendum 2 - RFP for MPS Services

Sn	Bidder	Pre-bid Query raised	Response from NABARD
1	Team Computers (Vide email dated 14 Sept 2020)	1) <b>Regarding Paper:</b> Paper is a stationary item which as per RFP is to be included in the Per Click Charges. But our concern is if somebody <b>Uses or Misuses</b> the paper other than printing then it will be very difficult for us to track and record it as a cost. Therefore, we would request you to kindly remove this line item form this RFP and keep it as a separate discussion.	Accepted. All stationery necessary for printing or copying will be provided by the Bank.
2	Team Computers (Vide email dated 14 Sept 2020)	2) <b>Regarding Card Reader:</b> As discussed, we would like to confirm that <b>TCPL</b> will supply a <b>PIN based Secure Print Solution along with the Printer</b> that will support Card Reader so that If NABARD requires it in future, Card Reader can be integrated with the solution at an additional cost & that cost will be incurred by NABARD.	Yes. Acceptable. As highlighted in the earlier Corrigendum, The device should support Proximity Card Readers Access (RFID/HID) (preferred), or PIN or any similar mechanism so that only authorised users can execute print job. (Copy and Scan are allowed for all anonymous users)
3	PowerTechnics (vide email dated 14 Sept 2020)	Point 1 under section 4.2 of the RFP indicates that the consumables including paper has to be supplied for 3 years which may be removed	Accepted. All stationery necessary for printing or copying will be provided by the Bank
