Sr. No.	BID document Parameters	Changes requested in pre bid queries	Pre Bid Response from DIT, NABARD
1	Eligibility Criteria- Average annual turnover to be Rs.150 Crore (in case of SI) for the last three FYs (2021- 22,2022-23, 2023-24) Rs. 1000 Crore for OEM quoting the product for the last three FYs (2021- 22,2022-23, 2023-24)	Please clarify as we SI meet the Average annual turnover criteria. But our OEM does not meet the specified eligibility criteria of the Tender of 1,000 Crore.	Clarified: SI must have average annual turnover of ₹150 Cr; OEM must have ₹1000 Cr for the same period. Both conditions are mandatory.
2	Additional parameters in specification- 1. Certification: Microsoft Windows 11 pro, CC, CE, RoHS, UL, EPEAT India Gold, Energy Star, TCO, MIL STD 810H, ISO 9001,14001,20001,27001. 2. Power Supply: 120-240 W power supply. 3. OEM Authorization certificate	We can provide BEE in place of Energy Star, BIS instead of TCO and we are not EPEAT India Gold certified. For other certificates we are compliant.	No change. All certifications as listed in the bid document are mandatory.
3	Printer- Laser - Composite Toner	Please clarify this point Our OEM technology is different that is 'Separate Drum and Toner'.	No change. Composite Toner requirement stands as per bid specifications
