3. **Time for completion:** **03 Months.**
4. **PAYMENT TERMS:**
(a) 75% of cost of DG set as quoted in item No: 1 of the schedule of quantities will be paid on delivery at site against the claim.
(b) Remaining amount of DG set and other items of works will be paid after satisfactory installation/execution and commissioning of the system completely.
(c) Applicable GST will be paid as claimed in the bills.
(d) Income Tax and other taxes if any, will be deducted as per the rates in vogue.

5. **Liquidated Damages and Penal Provisions**
In case the Contractor fails to complete the work with the requisite quality within stipulated time schedule, the Bank shall, without prejudice to its other remedies under the contract, deduct from the contract price, as liquidated damages or imposing penalty, the quantum of liquidated damages per week shall be 0.25% of the bid price, subject to a maximum of 5% of the accepted tender/bid amount. The fraction of a week's delay will be taken as a delay of one week.

If the damage is made to the Bank's property by any of the workers/personnel deployed by the contractor then recovery will be made from the amount payable to the contractor.

6. **Scope of work**
The scope of the work includes supply, installations and commissioning of DG set-100 KVA and its accessories, connected electrical and civil works as mentioned in Schedule of quantities.

**General Specifications for 100 KVA Diesel Generator Set**
- Automatic start and cutoff.
- Latest Emission norms
- Compact in size with optimum power to weight ratio
- Environment friendly power with minimum level of noise
- Optimised fuel consumption with Inline fuel pump with mechanical governing Spin on dual fuel filter with water separator
- Hospital grade silencer with rain cap suitably optimised to meet stringent noise emission standards laid down by MoEF / CPCB
- Engine and alternator are mounted on a common MS fabricated base frame with AVM pads.
- Base frame with integral fuel tank is provided with drain plug, air vent, inlet and outlet connection, level indicator and provision for cleaning
- Alternator-Stamford UC27 alternator frames from Standard Generator Technologies
- Control panel is manufactured with 14/16 gauge CRCA sheet and is powder coated for weather-proof and long lasting finish having MCCB of suitable rating with overload and short circuit protections among other essential features.
7. **Site Visit**
The bidder must obtain for himself at his own responsibility and at his own expenses, all the information which may be necessary for the purpose of filling this tender and for the execution of the same and must examine the building and inspect the site of the work on Saturdays in view of COVID-19 situation with prior intimation to the site Caretaker to know the nature and extent of work and acquaint himself with all local condition, exact location of the work, laws, regulations and practice.

8. **Other Terms and conditions**
1. The rate should be inclusive of all overheads (Loading /unloading, transportation and delivery charges etc) but exclusive of GST as applicable.
2. The rate shall be firm till completion of work and no escalation on any account will be permitted.
3. The work should be completed within 03 Months from the date of stipulated commencement.
4. During the execution of the work, any damage to the property of the Bank is to be rectified free of cost as per the direction of the Bank's Engineer/official.
5. Payment shall be made as per the actual measurement at site after satisfactory completion of the work and certification by the Bank's Engineer/Official in this regard.
6. 5% of the total amount as RMD (Retention Money Deposit) shall be retained by the Bank for a period of 6 months which shall be released after the completion of defect liability period. During defect liability period any defects pointed out by Bank may be carried out without any extra charge.
7. CPWD/BIS specification should be followed wherever applicable.
8. The contractor shall make necessary security arrangement at own cost for his materials till the work is completed in all respect and handed over to the Bank.
10. Insurance and Way bill if applicable shall be the Contractor’s responsibility.

11. The contractor shall be responsible for all injury to person, animals or things and for all damage to property which may arise from the operation or neglect, carelessness, accident or any other cause whatever in any way connected with carrying out of the works/contract. The contractor shall indemnify NABARD and hold it harmless in respect of all and any expenses arising from any such injury or damage to persons or property as aforesaid.
12. The Contractor shall comply with the provisions of Contract Labour (Regulations & Abolition)Act,1970, Minimum Wages Act and all other Labour Laws and other Statutory Regulations (both Central and State), as applicable, that may be enforced from time to time by the appropriate authorities.
13 In case of any dispute, the decision of the NABARD shall be final, conclusive and binding on the contractors.
14. Two years minimum warranty is required to be given by the manufacturer of the DG set. The contractors should accordingly provide warranty for the same type of DG set.
15. **Part tender like only supply and installation either from manufacturer or from dealer or from the supplier contractor will not be entertained.**

**9. RIGHT TO ACCEPT OR REJECT TENDER**
The acceptance of a tender will rest with the NABARD who do not bind themselves to accept the lowest tender and reserve to themselves authority to reject any or all the tenders received without assigning any reasons. They also reserve the right of accepting the whole or any part of the tender and the Bidders shall be bound to perform the same at the rates quoted. All tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect or there is any correction not duly signed/authenticated by the bidder are liable to be rejected. NABARD reserves the right to decide and choose the make of the DG set as mentioned in the schedule.

**10. DECLARATION BY THE CONTRACTOR**
We / I have read and understood all the instructions/conditions made above and we / I have taken into account the above Instructions / Terms and Conditions while quoting the rates. We / I accept all the above Terms and Conditions without any reservation, in all respects.
