विजन

“ग्रामीण समृद्धि के लिए राष्ट्रीय विकास बैंक”

Vision

“Development Bank of the Nation
for fostering rural prosperity”

मिशन

“सहभागिता, संधारणीयता और समानता पर आधारित वित्तीय और गैर-वित्तीय सहयोगों, नवोन्मेषों, प्रौद्योगिकी और संस्थागत विकास के माध्यम से समृद्धि लाने के लिए कृषि और ग्रामीण विकास का संवर्धन”

Mission

“Promote sustainable and equitable agriculture and rural development through participative financial and non-financial interventions, innovations, technology and institutional development for securing prosperity”

प्राक्कथन

कृषि विकास को बढ़ावा देने के लिए कृषि में पूंजी निर्माण आवश्यक है और बढ़ती मांगों को पूरा करने के लिए क्षेत्र के विकास को बनाए रखने के लिए महत्वपूर्ण है। कृषि और संबंधित गतिविधियों में निवेश करने से ऐसी परिसंपत्तियां बनती हैं जो दीर्घकालिक लाभ देती हैं। जबकि सार्वजनिक निवेश बड़ी परियोजनाओं पर केंद्रित है, निजी निवेश किसानों के समग्र विकास को सुनिश्चित करने में महत्वपूर्ण भूमिका निभाता है।

कृषि और ग्रामीण विकास के लिए एक शीर्ष विकास वित्तीय संस्थान के रूप में नाबार्ड ने कई पहल की हैं, जिनमें गोवा शासन के विभिन्न विभाग, प्रमुख बैंक, आईसीएआर-सीसीएआरआई और अन्य विकास एजेंसियों जैसे सभी हितधारकों की भागीदारी के साथ वार्षिक राज्य स्तरीय इकाई लागत समिति (एसएलयूसीसी) की बैठकों का आयोजन है।

दिनांक 20 मार्च 2025 को आयोजित राज्य स्तरीय इकाई लागत समिति (एसएलयूसीसी) की बैठक में वैज्ञानिक और परामर्श प्रक्रिया के उपरांत वित्त वर्ष 2025-26 के लिए इकाई लागत तैयार की गई है। एसएलयूसीसी द्वारा निर्धारित इकाई लागत सांकेतिक प्रकृति की है और बैंक अपने विवेकानुसार अपने प्रचालन क्षेत्र, तकनीकी व्यवहार्यता, वित्तीय व्यवहार्यता और परियोजना की बैंक योग्यता में प्रचलित स्थितियों के आधार पर संबंधित कार्यकलापों के लिए इकाई लागत का निर्धारण कर सकते हैं।

मुझे गोवा राज्य के लिए कृषि और संबद्ध गतिविधियों की इकाई लागत पर राज्य स्तरीय इकाई लागत समिति (एसएलयूसीसी) द्वारा समर्थित इस पुस्तिका को प्रस्तुत करते हुए प्रसन्नता हो रही है। इस पुस्तिका का उद्देश्य गोवा में कृषि और ग्रामीण विकास में सम्मिलित बैंकों और अन्य संगठनों के लिए एक सुविधाजनक संदर्भ मार्गदर्शिका के रूप में कार्य करना है। यह नए निवेश क्षेत्रों के लिए वित्तपोषण और अभिनव योजनाओं के निर्माण की सुविधा के लिए डिज़ाइन किया गया है, जिससे राज्य में जमीनी स्तर पर ऋण उपलब्धता में वृद्धि अपेक्षित है।

Foreword

Capital formation in agriculture is essential for fostering agricultural growth and is crucial for sustaining the sector's development to meet growing demands. Investing in agriculture and related activities creates assets that yield long-term benefits. While public investment focuses on larger projects, private investment plays a pivotal role in ensuring holistic development for farmers.

NABARD as an apex development financial institution for agriculture and rural development has taken several initiatives, foremost being convening of the Annual State Level Unit Cost Committee (SLUCC) Meetings with participation from all stakeholders like line Departments, Government of Goa, Bankers, ICAR-CCARI and other Developmental Agencies.

The unit cost for FY 2025-26 has been prepared after following a scientific as well as consultative process by the SLUCC in its meeting held on 20th March 2025. The Unit Costs fixed by the SLUCC are indicative in nature and banks may, at their discretion, arrive at the unit cost for respective activities based on the conditions prevailing in their area of operation, technical feasibility, financial viability and bankability of the project.

I am delighted to present this booklet on the Unit Cost of Agriculture and Allied Activities for the State of Goa, endorsed by the State Level Unit Cost Committee (SLUCC). This booklet aims to act as a convenient reference guide for banks and other organizations involved in agriculture and rural development in Goa. It is designed to facilitate financing for new investment areas and the creation of innovative schemes, thereby enhancing credit availability at the grassroots level in the state.
