Geo-Coverage for PACS

Precision Coverage Achieved

NABARD proudly announces the successful completion of GIS mapping for PACS covered under CSPCP right upto GP level across India, ensuring transparency, accountability, and smarter rural service delivery.

Key Highlights

☑ **Nationwide GIS Mapping Completed**
A GIS-based thematic map that differentiates Gram Panchayats by PACS service coverage, marked on an interactive GIS dashboard.

☑ **Coverage Status at a Glance**
Color-coded Gram Panchayat map:
- Green: Fully Covered
- Yellow: Partially Covered
- Orange: Not Covered

☑ **Interactive Dashboard**
Zoom into village-level details, view PACS name, secretary, and contact information instantly.

☑ **Transparency & Accuracy**
Complete visibility for stakeholders and policymakers.

Impact

- **Precision Service Delivery:** PACS coverage optimized for rural communities.
- **Data-Driven Governance:** Enables better planning and resource allocation.
- **Empowered Rural India:** Farmers and PACS staff benefit from connected, digital ecosystems.
- Decision taking possible for new M-PACS formation and other policy decisions.
