Integrating **ePACS** with Government Portals

National Level PACS Software for Rural India

- Unifying Government Portals
- Powering Local Services
- Ensuring Future Readiness

The Future is Here:
Empowering a Connected India

The Vision:

Local Access, National Reach

Benefits of ePACS Integration

Seamless access to multiple government schemes from one platform

Reduced need for members to visit multiple portals or travel long distances

Enhanced efficiency for PACS staff with centralized operations

Future-ready system adaptable to new services and technologies

Strengthened trust and convenience for rural communities

Empowering a Connected India through ePACS
