AGRICULTURE AND RURAL  
DEVELOPMENT

# संभाव्यतायुक्त ऋण योजना Potential Linked Credit Plan 2025-26

जौनपुर  
Jaunpur

उत्तर प्रदेश क्षेत्रीय कार्यालय, लखनऊ  
UP Regional Office Lucknow, Uttar Pradesh

## दृष्टि

ग्रामीण समृद्धि के लिए राष्ट्रीय विकास बैंक

## ध्येय

सहभागिता, संधारणीयता और समानता पर आधारित वित्तीय और गैर-वित्तीय सहयोगों, नवोन्मेषों, प्रौद्योगिकी और संस्थागत विकास के माध्यम से समृद्धि लाने के लिए कृषि और ग्रामीण विकास का संवर्धन

## Vision

Development Bank of the Nation for fostering rural prosperity

## Mission

Promote sustainable and equitable agriculture and rural development through participative financial and non-financial interventions, innovations, technology and institutional development for securing prosperity

# Potential Linked Credit Plan

Year: 2025-26

District: Jaunpur

State: Uttar Pradesh

National Bank for Agriculture and Rural  
Development

Uttar Pradesh Regional Office, Lucknow

## Foreward

Uttar Pradesh is steadily advancing towards its goal of achieving a trillion-dollar economy by 2027-28. Credit is an important catalyst for this growth and acts as a supplement to other economic activities. The credit to GSDP ratio at current prices of Uttar Pradesh has increased from 35% in 2022-23 to 41% in 2023-24, which is lower than all India average and way behind global peers. The PLP provides a detailed scientific assessment of credit potential for various sectors in the district. It highlights the sector specific infrastructure gaps and critical interventions to be made by State Governments and FIs for harnessing potential available under priority sector. It is prepared after wide consultations with various stakeholders of the rural economy, including Govt. departments, banks, and NGOs. For the economic and all-round development of district, it is imperative to fully exploit the available potential, especially the activities of the primary sector and for this, credit investment from the banks is important.

Agriculture is the backbone of state's economy but in the context of increasing number of small and marginal farmers, new challenges like investment in agriculture sector, use of modern technology, strengthening of supply chain and creation of market for agricultural produce have emerged. The state is upgrading existing agricultural clusters along with creating new ones for a range of crops, fruits and vegetables, to take advantage of transformative potential of cluster farming. Additionally, One District One Product (ODOP) farming is being promoted with thrust on grading, packing, branding, and marketing through Common Facility Centers (CFCs), so as to reduce wastage of agri- produce and increase farmer's income. NABARD, has empowered FPOs, supporting collectivization of farmers. This has enhanced their income, market access, and bargaining power while also reduced their post-harvest losses. Further, Agri Stack, designed as an agriculture-centric Digital Public Infrastructure (DPI) has seen its initial pilot in Uttar Pradesh and is expected to drive the digitalization of agriculture sector.

Climate change has emerged as another factor affecting agriculture of Uttar Pradesh, which has 9 agro-climatic zones. NABARDs climate change initiatives have focused on enhancing climate resilience, sustainable agriculture, and rural livelihoods. These initiatives along with State's initiative are crucial for mitigating climate impacts and ensuring food security in vulnerable regions, considering that 30 districts of the state are highly vulnerable to climate change (ICAR-CRIDA). There is also a need to bolster Agri startups and introduce artificial intelligence (AI) in farming to boost smart farming practices.

Due to changing climate and increasing pressure on agriculture, it is necessary to shift the focus of development to MSME sector also. With over 9 million MSME units, UP has made substantial progress in registering the units on Udyam portal, facilitating adequate finance and promote branding, marketing, and promotion including export. MSMEs are major employment generators in Uttar Pradesh, providing jobs to millions of people, especially in rural and semi-urban areas.

As per national database, over 29 crore people in India are directly connected with the co-operative sector out of which about 1.85 crore are from Uttar Pradesh. Co-operative institutions are the backbone of the rural economy. NABARD has strived to provide all types of assistance to cooperative structure in the state (including >7000 PACS), which has promoted timely and concessional credit, capacity building of the staff, promoting use of technology and innovation to foster frictionless credit & also through computerization of PACS. NABARD is also handholding the three RRBs in the state and strengthening them, through thrust on technology upgrades, customer centric digital services (like internet and mobile banking) as well as bank centric digital upgrades (like CBS, HRMS management module, etc.) to enhance the efficiency of banks.

In view of all these developments, Potential Linked Credit Plan (PLP) document for the year 2025-26, provides a detailed scientific assessment of credit potential for various sectors in the district taking into account the long-term potential, availability of infrastructure, marketing support, credit absorption capacity and strength of the credit delivery system. It highlights the sector specific infrastructure gaps and critical interventions to be made by State Governments and FIs for harnessing potential available under priority sector. I hope that this document will prove useful to the banks in preparing their roadmap for increasing credit flow in the district, and to the State Government in identifying the scope and magnitude of investment required in different sectors.

This year, NABARD has leveraged technology for preparing a digital PLP for efficient credit projections. This new generation document has standardised structure, coverage and data indices. It has almost done away with manual interventions, which is the founding block of a data driven environment. We believe that this Digital PLP will be a catalyst for empowering Rural India and serve the needs of all stakeholders in the rural eco-system.

I express my gratitude to the honorable public representatives, District Magistrate, concerned departments of the district, RBI, SLBC, Lead District Managers, banks and other stakeholders for their cooperation in facilitating completion of this document in a timely and smooth manner. I also thank and congratulate my District Development Managers and the officials of NABARD Regional Office for their active role in preparing this document.

I hope that this document will faithfully carry forward its set objectives and the assessed potential for development of the district will be fully exploited through coordinated efforts of all.

**Pankaj Kumar**  
Chief General Manager

**PLP Document Prepared by:**

Lallan Kumar

District Development Manager

NABARD

Jaunpur

PLP Document finalized by: Uttar Pradesh Regional Office

'The document has been prepared on the basis of information collected from publicly available sources and discussions with various stakeholders. While preparing the projections, every effort has been taken to estimate credit potential realistically. NABARD shall not be responsible for any material or other losses occurring to any individual/ organization owing to use of data or contents of this document.'

## Executive Summary

### 1. Introduction

The Potential Linked Credit Plan (PLP) is prepared by NABARD each year keeping in view the national priorities, policies of the Government of India and State Government, infrastructure and linkage support and physical potential available in various primary, secondary and tertiary sectors.

### 2. District characteristics

1	Location	Location: Jaunpur is situated on the banks of the Gomti River, approximately 246.3 km west of Lucknow.
2	Type of soil	Soil Type: Predominantly alluvial soil, ranging from sandy loam to clay loam.
3	Primary occupation	Primary Occupation: While many are engaged in agriculture, a significant portion of the population works in trade, retail, and services like education and healthcare.
4	Land holding structure	Land Holding Structure: There are 399,713 land holdings covering 184,422 hectares. Small and marginal farmers hold 92% of these lands.

### 3. Sectoral trends in credit flow

1	Achievement of ACP in the previous year	Achievement of ACP: The district achieved 562% of the target as per SLBC data.
2	CD Ratio	Investment Credit in Agriculture: Major sectors include Dairy Development and Farm Mechanization.
3	Investment credit in agriculture	Credit Flow to MSMEs: MSMEs have a significant share in the district's credit disbursement.
4	Credit flow to MSMEs	Other Significant Credit Flow: Includes export credit.
5	Other significant credit flow, if any	

#### 4. Sector/Sub-sector wise PLP projections

1	Projection for the year	Overall Projection for FY 2025-26: Rs. 697,340.93 lakh.
2	Projection for agriculture and its components	Agriculture: Rs. 186,790 lakh for crop loans, Rs. 4,536 lakh for agri-term loans, and Rs. 10,944 lakh for agri-infrastructure.
3	Projection for MSMEs	MSMEs: Rs. 175,140 lakh.
4	Projection for other purposes	Other Purposes: Rs. 1,102 lakh, including education and housing loans.

#### 5. Developmental Initiatives

1. Campaigns for Kisan Credit Cards.
2. Pradhan Mantri Kisan Samman Nidhi providing Rs. 6,000 per year to eligible farmers.
3. Formation of FPOs under the Government of India's CSS 10,000 FPO program.
4. Implementation of various government schemes like AIF and PMFME.

#### 6. Thrust Areas

1. Focus on technology in agriculture.
2. Emphasis on integrated farming systems and infrastructure development.
3. Priority to financing SHGs/JLGs and forming farmer producer groups.

#### 7. Major Constraints and Suggested Action Points

1. High percentage of small and marginal land holdings.
2. Traditional agricultural practices with limited resources.
3. Need for basic infrastructure development in various sub-sectors.

#### 8. Way Forward

1. Coordination between government agencies, banks, and NABARD.
2. Financial inclusion and literacy.
3. Support for joint liability groups and agricultural laborers.
4. Implementation of various government schemes.

## **Methodology of Preparation of Potential Linked Credit Plans**

### **1. Introduction**

Potential Linked Credit Plan is a comprehensive documentation of potentials in the district for rural economic activities, both in physical and financial terms. It is also an assessment of the gaps in infrastructure support which need to be filled in to fully exploit the realizable potentials.

### **2. Objectives**

The objectives of PLP are:

- to enable various organizations involved in the process of rural development in directing their efforts in a planned manner, in accordance with the potentials available for exploitation,
- to enable optimum utilization of scarce financial resources (specifically bank credit) by channeling the same into sectors with growth potential, and
- to assess the gaps in infrastructure support which need to be taken care of for exploiting the potentials and prioritise resource requirement for the purpose.

### **3. Methodology**

NABARD took the initiative, in 1988-89, of preparing PLPs for agriculture and rural development. The broad strategy followed by NABARD for the formulation of PLPs envisages estimation of long-term potential (in terms of physical units) in each sector of agriculture and rural development with reference to natural and human resource endowments and a phased annual programme for development, keeping in view the relative national and state priorities. NABARD has been endeavoring to introduce refinements in the methodology of preparing PLPs and improving its contents so that the PLPs could be used as a reference document for Annual Credit Plans of banks. NABARD has been reviewing the methodology in estimation of potential through consultative process over the years. It adopts a detailed methodology for assessing the physical potential in major sectors of investment conducive to development of agriculture and rural areas.

The methodology consists of assessment of sector-wise/subsector-wise estimation of potential in consultation with technical officers of the Line Departments concerned at the district level, identification of infrastructure facilities required to support the exploitation of the potential, identification of infrastructure facilities available at present as well as planned and working out the gap in infrastructure, examination of the trends in sector-wise credit flow, various schemes of State/Central Govt., and estimation of block-wise physical and financial credit potential.

The indicative unit costs suggested by the State Level Unit Cost Committee are made use of while arriving at the financial outlays.

The broad methodology of arriving at the potential for major sectors is given below.

#### 4. Methodology of estimation of credit potential

Sr. No.	Sector	Methodology
1	Crop loans	<ul style="list-style-type: none"> <li>- Collection of data on Gross Cropped Area for a period of 10 years and data on land holdings;</li> <li>- Distribution of Gross Cropped Area between Small Farmers/ Marginal Farmers and Other farmers based on the total land occupied by small and marginal farmers on one hand and other farmers on the other;</li> <li>- Assumption to cover 100% of Small/ Marginal Farmers and 20-50% of Other Farmers;</li> <li>- Study the cropping pattern;</li> <li>- Estimation of credit potential taking into account Scale of Finance and also the KCC guidelines in vogue; and</li> <li>- Block-wise allocation of potential taking into account credit absorption capacity in each block, cropping pattern, etc.</li> </ul>
2	Water Resources	<ul style="list-style-type: none"> <li>- MI potential is the area that can be brought under irrigation by ground and surface water;</li> <li>- Collection of data on irrigation potential, area already brought under irrigation and balance potential available under groundwater and surface water for the district;</li> <li>- While fairly clear estimates are available for ground water and its present and future utilization, surface water estimates for individual districts are difficult to get;</li> <li>- Estimation of potential attempted block-wise based on categorization of blocks, type of rock formation, suitability of MI structures, projects planned by State Govt. etc.;</li> <li>- Preference of farmers for different MI structures like dug wells, bore wells, DCBW, etc. is taken into account; and</li> <li>- The potential for MI sector is defined in terms of numbers for DW, BW and TW, and in terms of area for lift irrigation, sprinkler and drip systems.</li> </ul>
3	Farm Mechanisation	<ul style="list-style-type: none"> <li>- The potential estimate for farm mechanization takes into account irrigated and unirrigated cropped area in the district, economic life of tractors, optimum use of tractors, per acre use of tractors, replacement of tractors per year, assessment of availability of drought animal power/power tiller by using conversion factors;</li> </ul>

		<ul style="list-style-type: none"> <li>- Calculation of requirement of number of tractors assuming one tractor per 30 acres and 45 acres of irrigated and unirrigated cropped area respectively;</li> <li>- Adjustment of tractor potential with land holdings; and</li> <li>- Based on the cropping pattern, topography etc. similar assessment is made for power tillers, combine Harvesters etc.</li> </ul>
4	Plantation and Horticulture	<ul style="list-style-type: none"> <li>- Estimation of additional area that could be brought under plantation crops based on trend analysis of land utilization pattern and cropping pattern of the district, area of cultivable waste land likely to be treated and brought under plantation crops;</li> <li>- Feasibility and possibility of shifting from food crops to plantation crops;</li> <li>- Estimation of replanting by taking into account approximate economic life of a few plantation crops; and</li> <li>- Estimation of potential for rejuvenation of existing plantations.</li> </ul>
5	Animal Husbandry - Dairy	<ul style="list-style-type: none"> <li>- Collection of data on number of milch animals as per the latest census;</li> <li>- Estimation of milch animals for the reference year by assuming 30% calving, 50:50 sex ratio, 40% calf mortality and 50% culling for buffaloes; 40% calving, 50:50 sex ratio, 20% calf mortality and 50% culling for CBCs; and 30% calving, 50:50 sex ratio, 20% calf mortality and 50% culling for Indigenous cows; and</li> <li>- 1/6th of the animals are assumed to be good quality animals and 60% of the good quality animals in milk and 60% of animals in milk are on 2nd and 3rd lactation. 50% of the number of animals so arrived are assumed to be animals available for bank finance.</li> </ul>

## 5. Agency wise Use

### Utility

Continuous efforts are made to make PLPs user-friendly keeping in view the stakeholders' focus. The document is useful to various stakeholders in a variety of ways, as illustrated below:

1	Bankers	<ul style="list-style-type: none"> <li>- Provides inputs/ information on Exploitable potential vis-a-vis credit possible;</li> <li>- Potential High Value Projects/ Area Based schemes; and</li> <li>- Infrastructure support available which can form basis for business/ development plans.</li> </ul>
2	Government Agencies/ Departments	<ul style="list-style-type: none"> <li>- Infrastructure required to support credit flow for tapping the exploitable potential;</li> </ul>

		- Other support required to increase credit flow; and
		- Identification of sectors for Government sponsored programmes.
3	Individual/ Business entities	- Private investment opportunities available in each sector;
		- Availability of commercial infrastructure; and
		- Information on various schemes of Govt. & Banks.

## 6. Limitations and constraints

Though concerted efforts are made to estimate the potentials realistically, non-availability of accurate granular data on credit flow – Sector and sub-sector-wise are noticed in the exercise of PLP preparation.

# **Part A**

## District Map

### Broad Sector-wise PLP Projections for the Year 2025-26

(₹ lakh)

Sr. No.	Particulars	Amount
A	Farm Credit	118228.07
1	Crop Production, Maintenance, Marketing and Working Capital Loans for Allied Activities	21030.29

2	Irrigation Potential Created	281554
3	Net Irrigated Area (Total area irrigated at least once)	240892
4	Area irrigated by Canals/ Channels	64984
5	Area irrigated by Wells	185783
6	Area irrigated by Tanks	27
7	Area irrigated by Other Sources	138
8	Irrigation Potential Utilized (Gross Irrigated Area)	388629

#### 14. Infrastructure For Storage, Transport & Marketing

Sr. No.	Particulars	Nos.
1	Pucca Road [km]	8887
2	Railway Line [km]	233
3	Public Transport Vehicle [Nos]	0
4	Goods Transport Vehicles [Nos.]	0

#### 15. Processing Units

Sr. No.	Type of Processing Activity	No. of units	Capacity [MT]
1	Food (Rice/ Flour/ Dal/ Oil/ Tea/ Coffee etc.)	2900	0
2	Sugarcane (Gur/ Khandsari/ Sugar)	300	0
3	Fruit (Pulp/ Juice/ Fruit drink)	106	0
4	Spices (Masala Powders/ Pastes)	432	0
5	Dry-fruit (Cashew/ Almond/ Raisins, etc.)	0	0
6	Cotton (Ginning/ Spinning/ Weaving)	0	0
7	Milk (Chilling/ Cooling/ Processing, etc.)	210	0
8	Meat (Chicken/ Mutton/ Pork/ Dry fish, etc.)	2	0
9	Animal Feed (Cattle/ Poultry/ Fishmeal, etc.)	4	0
10	Others	576	0

#### 16. Animal Population as per Census [Nos.]

Sr. No.	Category of animal	Total	Male	Female
1	Cattle - Cross bred	107164	1263	105901
2	Cattle - Indigenous	308084	3579	304505
3	Buffaloes	72039	4586	67453
4	Sheep - Cross bred	12397	5643	6754
5	Sheep - Indigenous	8038	3476	4562
6	Goat	360967	126773	234194
7	Pig - Cross bred	9305	7236	2069
8	Pig - Indigenous	11080	4326	6754
9	Horse/Donkey/Camel	200	98	102
10	Rabbit	950	404	546
11	Poultry - Improved	196365	91803	104562
12	Poultry - Indigenous	441418	98764	342654

**17. Infrastructure for Development of Allied Activities [Nos.]**

Sr. No.	Particulars	Nos.
1	Veterinary Hospitals	37
2	Veterinary Dispensaries	37
3	Disease Diagnostic Centres	41
4	Artificial Insemination Centers	86
5	Animal Breeding Farms	59
6	Animal feed manufacturing units	0
7	Fodder Farms	0
8	Dairy Cooperative Societies	70
9	Milk Collection Centres	55
10	Fishermen Societies	15
11	Animal Husbandry Training Centres	2
12	Animal Markets	0
13	Fish Markets	0
14	Livestock Aid Centers (No.)	2
15	Licensed Slaughter houses [Nos.]	1

**18. Milk, Fish, Egg Production & Per Capita Availability**

Sr. No.	Particulars	Production		Per cap avail.	
		Quantity	Unit	Availability	Unit
1	Fish	2700.00	MT	62	gm/day
2	Egg	280.00	Lakh Nos.	13	nos/p. a.
3	Milk	622.00	MT	350	gm/day
4	Meat	9120.00	MT	233	gm/day
5	Wool	0.00	MT	0	gm/day

## **Part B**

## Chapter 1

### Important Policies and Developments

#### 1. Policy Initiatives – GoI (including Cooperatives)

##### Cooperative Development

The Ministry of Cooperation GoI has taken 54 initiatives to strengthen and deepen the cooperative movement at the grassroots level. The ministry in coordination with state governments NABARD national level federations and other stakeholders is working on the following initiatives:

##### i. World's Largest Grain Storage Plan in Cooperative Sector (WLGSP)

Ministry of Cooperation (MoC) GoI is implementing Pilot Project for World's Largest Grain Storage Plan in Cooperative Sector. The Pilot Project entails setting up of grain storage infrastructure including warehouse and silos along with other agri-infrastructure including Procurement Centre Custom Hiring Center Primary Processing Center Grameen Haats etc.

##### ii. Centrally Sponsored Scheme for Computerization of Primary Agricultural Credit Societies (PACS)

Government has approved a scheme for Computerization of Primary Agricultural Credit Societies (PACS) with the objective of increasing efficiency of PACS bringing transparency and accountability in their operations; facilitating PACS to diversify their business and undertake multiple activities/services. A total of 63000 PACS have been taken for computerization under the project.

##### iii. Establishing Multi-purpose PACS/ Dairy/ Fisheries cooperatives in every panchayat with support of NABARD NDDB NFDB NCDC and other National level Federations

##### iv. PACS as Common Service Centers (CSCs) for better access to e-services

Ministry of Cooperation has announced supporting more than 300 e-services through PACS in association with MeitY NABARD and CSC e-Governance Services India Limited.

##### v. Micro-ATMs to Bank Mitra Cooperative Societies for providing doorstep financial services

vi. Computerization of Agriculture and Rural Development Banks (ARDBs)

To strengthen the long-term cooperative credit structure the project of computerization of 1851 units of Agriculture and Rural Development Banks (ARDBs) spread across 13 States/ Union Territories has been approved by the Government. NABARD is the implementing agency for the project and will develop a national level software for ARDBs.

vii. Co-operative Education - Setting up of World's Largest Cooperative University

This aims at introduction of cooperative education in independent degree / diploma courses in Schools and Universities.

viii. World's Largest Cooperative Training Scheme

This aims at revamping existing cooperative training structure in the country.

ix. New Cooperative Policy with a view to strengthen the cooperatives and make them vibrant with increased contribution to the economy

x. Amendment to Multi State Cooperative Act 2002 and setting up of 3 new Multi State Cooperative Society (MSCS) in the areas of seed production and marketing; organic products and export from cooperative sector.

xi. To provide facilities at par with FPOs for existing PACS

xii. Establishment of National Cooperative Database

Digital Agriculture Mission:

The Digital Agriculture Mission (DAM) aims to revolutionize India's agriculture sector by leveraging digital technology inspired by the success of India's digital revolution in other sectors. With a substantial financial outlay of 2817 crore it focuses on creating a Digital Public Infrastructure (DPI) for agriculture.

i. Agri Stack:

Key components of the mission include the Agri Stack—a farmer-centric DPI to streamline services with the creation of a unique digital Farmer ID linked to important farmer data such as land records and crop details.

ii. Vistaar (Virtually Integrated System to Access Agricultural Resources):

Vistaar initiative of MoA&FW is an open interoperable and federated network dedicated to agricultural information and advisory services with a mission to empower farmers and enhance their farming practices for better sustainable livelihood.

iii. JanSamarth Portal:

JanSamarth Portal a GoI initiative is a unique digital portal linking credit linked schemes for ease of access to the all the beneficiaries and related stakeholders. Schemes such as e-Kisan Upaj Nidhi KCC AIF etc. are accessible through the portal.

Agriculture Infrastructure Fund (AIF) Scheme

The Agricultural Infrastructure Fund (AIF) has played a pivotal role in transforming Indias agricultural landscape. In addition to existing activities the purview of AIF scheme has now been extended to the following:

i. Viable Farming Assets: The scheme now includes the creation of infrastructure for viable projects for building community farming assets.

ii. Integrated Processing Projects: The list of eligible activities under AIF now includes integrated primary and secondary processing projects.

iii. PM KUSUM Component: The aim is to promote sustainable clean energy solutions alongside agricultural infrastructure development.

iv. Enhanced Credit Guarantee Coverage: The government proposes to extend AIF credit guarantee coverage for FPOs through the NABSanrakshan Trustee Company Pvt. Ltd.

Dairy Processing & Infrastructure Development Fund (DIDF)/ Animal Husbandry Infrastructure Development Fund (AHIDF):

Government has approved merger of DIDF with AHIDF and extension of AHIDF for another three years till 31 March 2026. Further NABARD is included as loaning entity under the revamped AHIDF scheme.

Fisheries & Aquaculture Infrastructure Development Fund (FIDF):

GoI has extended the scheme for a period of another 3 years from 01.04.2023 to 31.03.2026.

## Framework for Voluntary Carbon Market (VCM) in Agriculture Sector:

The Ministry of Agriculture and Farmers Welfare GoI has launched a Framework for Voluntary Carbon Market in Agriculture Sector. Under the Framework the Ministry envisages creating long-term carbon credit benefits primarily for small and marginal farmers by developing a VCM Framework and setting guidelines. NABARD is the nodal agency to coordinate and implement the various pilot projects under the VCM.

**PM JANMAN** (Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan): PM JANMAN is a recently launched initiative by the Government of India specifically designed to address the socio-economic challenges faced by the Particularly Vulnerable Tribal Groups (PVTGs) across the country. The program aims for the comprehensive development of 75 PVTGs in 18 states and 1 Union Territory with an allocation of 24104 crore.

## 2. Union Budget

### 2.1. Important Announcements

i. Digital Public Infrastructure for Agriculture: Issuance of Jan Samarth based Kisan Credit Cards.

ii. Release of new varieties: 109 varieties of 32 high-yielding and climate -friendly crops will be released for cultivation by farmers.

iii. Natural Farming: To increase productivity as well as reduce input costs one crore farmers will be linked to natural farming in the next two years. Further 10000 need-based bio-input resource centres will be established.

iv. Vegetable production & supply chain: To bolster vegetable supply chains the budget proposes the creation of large-scale production clusters near major consumption centres by promoting Farmer-Producer Organizations (FPOs) cooperatives and start-ups for vegetable supply chains including for collection storage and marketing.

v. Budget focusses on development of Digital Public Infrastructure (DPI) a digital crop survey for Kharif crops will be conducted in 400 districts

vi. A network of nucleus breeding centres for shrimp broodstocks will be established with funding for shrimp farming and exports facilitated through NABARD.

vii. Pradhan Mantri Janjati Unnat Gram Abhiyan will be launched to improve the socio-economic condition of tribal communities.

viii. Mudra Loans: The limit enhanced to 20 lakh from the current 10 lakh under the Tarun category.

ix. Credit Guarantee Scheme for MSMEs in the Manufacturing Sector will be introduced for facilitating term loans for purchase of machinery and equipment without collateral or third-party guarantee.

x. Development of Twelve industrial parks under the National Industrial Corridor Development Programme.

xi. Phase IV of PMGSY will be launched to provide all weather connectivity to 25000 rural habitations.

xii. Assistance for flood management and related projects in Assam Bihar Sikkim & Uttarakhand. Assistance for reconstruction and rehabilitation in Himachal Pradesh.

xiii. Taxonomy for Climate Finance: Government will develop a taxonomy for climate finance for enhancing the availability of capital for climate adaptation and mitigation related investments.

xiv. Skilling the workforce to create employment opportunities: For raising participation of women in the workforce the budget aims to organize women-specific skilling programmes and promotion of market access for women SHG enterprises. 1000 Industrial Training Institutes are likely to be upgraded for this purpose.

xv. MSME Units for Food Irradiation Quality & Safety Testing: Financial support for setting up of 50 multi-product food irradiation units in the MSME sector will be provided. Setting up of 100 food quality and safety testing labs with NABL accreditation will be facilitated.

xvi. Water Supply and Sanitation: In partnership with the State Governments and Multilateral Development Banks Government will promote water supply sewage treatment and solid waste management projects and services for 100 large cities through bankable projects. These projects will also envisage use of treated water for irrigation and filling up of tanks in nearby areas.

## **2.2. Highlights related Agriculture & Farm Sector**

Priorities identified for Agricultural Sector

- i. Transforming Agricultural Research
- ii. Release of New Varieties
- iii. Natural Farming
- iv. Mission for Pulses and Oilseeds
- v. Vegetable Production and Supply Chains
- vi. Digital Public Infrastructure (DPI) for Agriculture
- vii. Shrimp Production and Export.

Focus Areas

- i. Productivity and resilience in Agriculture
- ii. Employment & Skilling
- iii. Inclusive Human Resource Development and Social Justice
- iv. Manufacturing & Services
- v. Urban Development
- vi. Energy Security
- vii. Infrastructure
- viii. Innovation Research & Development and
- ix. Next Generation Reforms

## **2.3. Highlights related to Rural Development & Non-Farm Sector**

## **2.4. Highlights related to NABARD**

## **2.5. Agri Credit Targets**

### **3. Policy Initiatives - RBI**

- i. Master Circular on Lead Bank Scheme SHG- Bank Linkage Programme and Deendayal Antyodaya Yojana - National Rural Livelihoods Mission (DAY-NRLM) SHG - Bank Linkage consolidating the relevant guidelines/ instructions issued by Reserve Bank of India.

ii. RBI's Green Deposit Framework - The Green Deposit Framework by RBI is designed to encourage regulated entities (REs) in India such as scheduled commercial banks and deposit-taking non-banking financial companies to offer green deposits. These deposits are earmarked for financing projects that contribute to environmental sustainability such as renewable energy, energy efficiency and pollution control. REs must develop and publicly disclose a comprehensive policy and financing framework detailing how funds will be allocated and managed.

iii. Unified Lending Interface (ULI): The Reserve Bank of India (RBI) as part of its strategy to create digital public infrastructure in the country has announced re-engineering of setting up of a new technology platform called the Unified Lending Interface (ULI) which will enable friction-less credit to farmers and MSME borrowers to begin with. The eKCC Portal developed by NABARD has already been integrated with the ULI for fetching and validation of land records to facilitate dispensation of crop loans to farmer members of cooperatives.

#### 4. Policy Initiatives - NABARD

##### 1. Refinance support:

NABARD provides Short Term refinance to Cooperatives RRBs and SFBs for their crop loan lending. To ensure increased and uninterrupted credit flow to farmers as also to give a boost to capital formation in agriculture sector NABARD provides refinance to the Commercial banks cooperative banks and RRBs.

##### 2. Schematic Refinance for Water Sanitation and Hygiene (WASH):

To provide clean water sanitation and hygienic conditions to rural and semi urban areas and thereby to protect human health during outbreak of infectious disease NABARD introduced a special refinance scheme on Water Sanitation and Hygiene (WASH).

##### 3. Special Refinance Scheme (SRS) on PACS as MSCs:

NABARD introduced Special Refinance Scheme to saturate all the potential PACS for conversion as Multi Service Centres over a period of three years commencing from the year 2020-21.

##### 4. Credit-linked subsidy schemes of GoI

4.i. New Agriculture Marketing Infrastructure sub scheme of Integrated Scheme for Agricultural Marketing (ISAM): GoI had approved the continuation of the scheme till 31 March 2026. The scheme lays special focus on developing and upgrading of Gramin Haats as GrAMS through strengthening of infrastructure.

4.ii. Agri Clinics and Agri Business Centres (ACABC): The Central Sector Scheme of Agri-Clinics and Agri-Business Centres was launched in April 2002 by Ministry of Agriculture GoI. Composite subsidy of 44% of the project cost for women SC/ST & all categories of candidates from Northeast and Hill states and 36% of project cost for all other beneficiaries is provided under the scheme.

#### 5. Interest Subvention Schemes of GoI

5.i. NABARD implements crop loan interest subvention scheme of GoI for Cooperative Banks and RRBs under which interest subvention of 1.5% is provided to banks for extending crop loans up to 3 lakh at a concessional interest rate of 7% per annum. The scheme also provides an incentive of 3% subvention to the farmers making prompt repayment of loans thereby making credit available at an effective interest of 4% per annum.

5.ii. NRLM Interest Subvention: NABARD also implements interest subvention scheme under DAY-NRLM for Cooperative Banks and RRBs. NABARD has developed a web portal for NRLM Interest Subvention claims by RRBs and Cooperative Banks in respect of WSHGs financed by them under DAY-NRLM.

5.iii. GoI introduced Sugar Ethanol Interest Subvention scheme in 2018-19 with a view to increase the production of ethanol and its supply under the Ethanol Blended Petrol (EBP). NABARD is the nodal agency responsible for managing the Sugar Ethanol Interest Subvention Scheme of the Department of Food and Public Distribution (DFPD) Government of India. NABARD has launched a sugar ethanol portal to speed up the claims settlement process.

#### 6. Rural Infrastructure Development Fund (RIDF):

6.i. RIDF instituted in NABARD during 1995-96 with the main objective of providing loans to State Governments for completing ongoing rural infrastructure projects at present covers as many as 39 activities classified under three broad sectors viz. (i) Agriculture and Related sector (ii) Social Sector and (iii) Rural Connectivity.

#### 7. Micro Credit Intervention:

NABARD has been extending grant support to partner agencies for promotion and nurturing of SHGs training and capacity building of SHG members and other stake holders besides initiating special programmes for backward regions. A few recent initiatives taken under micro credit are as under:

7.a. Scheme for grant support to SHGs/ JLGs/ POs/ Microentrepreneurs for training on onboarding onto E-Commerce platforms/ ONDC/ social media platform

7.b. Scheme for Grant Support to SHGs/ JLGs/ POs for Physical Marketing of Products.

7.c. NABARD in 2023-24 announced guidelines for a pilot project to be taken up by Regional Offices titled m-Suvidha (Microenterprises through Skill Upgradation for Women) to support need based and location specific developmental projects by strategizing end-to-end interventions.

7.d. Pilot Project: Real-time banking solution for SHGs (Money Purse Application)

7.e. Pilot Project - Graduated Rural Income generation Project (GRIP): A pilot project to build capacities and enable asset generation by ultra-poor rural women and graduating them to access formal financial services through the innovative concept of returnable grant was sanctioned during 2023-24.

7.f. MoU with NRLM MoRD: Marking a strategic alliance to benefit rural women SHGs NABARD and the National Rural Livelihood Mission (DAY-NRLM) under the Ministry of Rural Development GoI inked a landmark MoU on 27 February 2024.

## 8. Financial Inclusion

Major Policy interventions and launching of new Schemes under the fund during 2023-24 includes:

8.a. Support for the Deployment of micro-ATMs to two District Central Co-Operative Banks in Gujarat with a grant support of 3.67 crore for deploying 1631 microATM devices at PACS (440) and cooperative milk societies (1191).

8.b. Financial Inclusion under Special Campaign 3.0: RRBs under guidance of NABARD conducted Special Financial Literacy Camps during October 2023.

8.c. Support under Financial Inclusion Fund (FIF) for Rural Connectivity-HTS-VSAT Dual LTE and SD WAN technologies:

8.d. Incentive Scheme for BCs operating in NE States and hilly states:

## 9. Farm Sector Development

**9.a. Participatory Sustainable Groundwater Management in Overexploited Blocks/Watersheds:**

A pilot project titled "Participatory Sustainable Groundwater Management in Overexploited Blocks/Watersheds" has been launched in five states: Punjab Haryana Rajasthan Uttar Pradesh and Tamil Nadu. This innovative pilot initiative by NABARD is the first of its kind aimed at demand side management of water at the micro-watershed/village level.

**9.b. Expansion of JIVA:**

Based on the success of the pilot phase JIVA is being expanded to 25 new projects in central eastern and north-eastern states to further widen and deepen the programme focusing on completed or near-completion watershed/spring shed and tribal development projects with thrust on districts identified under aspirational / low priority sector lending districts.

**9.c. Accelerator approach for growth of FPOs:**

NABARD has come up with FPO accelerator programme which is a structured framework to empower FPOs by providing access to specialized training mentorship and resources envisaging the enhancement in FPO's operational efficiency adopt modern agricultural techniques and navigate market complexities

**9.d. Saturation Drive campaign:**

Government has launched the saturation drive to provide FPOs benefits of schemes of Agriculture department in the form of licenses of inputs seeds fertilizer etc. FPOs will also be linked to mandis facilitated with registrations under GST FSSAI and onboarding on platforms like ONDC and other E-retailing platforms for sale of their produce.

**9.e. National FPO Policy:**

MoA&FW GoI is working on finalization of a National Policy on FPOs to create a supportive environment for the FPOs after ongoing deliberations and consultative meetings on the draft policy.

**10. Climate Action and Sustainability:**

NABARD is a Direct Access Entity (DAE) to the Green Climate Fund (GCF) and the National Implementing Entity (NIE) to Adaptation Fund (AF) and National Adaptation Fund for Climate Change (NAFCC).

**11. Off Farm Sector Development**

**11.i. Capacity Building Fund Social Stock Exchange (CBF-SSE):**

The Capacity Building Fund of Social Stock Exchange (CBF-SSE) was set up in NABARD with funding to be contributed by NABARD SIDBI BSE NSE and Other CBF is being used to improve the ability of all stakeholders to navigate through the operational dynamics of SSE understand the nuances processes instruments etc.

11.ii. Gram Vihar New Scheme for promotion of Rural Tourism: A new scheme in the name of "Gram Vihar" has been introduced to give a fillip to the rural tourism sector in the country by promoting "homestay" wherein tourists stay with the local families and experience rural lifestyle as well as "away-day" i.e. one day trip without night stay.

12. Agriculture Credit during 2023-24:

Disbursement of agriculture credit during 2023-24 was 25.10 lakh crore as against target of 20.00 lakh crore indicating achievement of 125%. Commercial Banks RRBs and Co-operatives accounted for 75% 13% and 12% of the total disbursement respectively.

13. Technology Facilitation Fund (TFF):

NABARD has set up a Technology Facilitation Fund (TFF) with a corpus of 50 crore. The fund is focused on providing support to tech start-ups working in agriculture and rural development sector. The fund provides a range of flexible support mechanisms including grants loans equity and convertible grants designed around the needs of each start-up

## **5. Govt Sponsored Programmes linked with Bank Credit**

### **1. Policy Initiatives – State Govt. (including Cooperatives)**

Uttar Pradesh Agriculture Growth and Rural Enterprise Ecosystem Strengthening Project (UP-AGREES): UP-AGREES supported by the World Bank aims to enhance agricultural productivity and rural enterprise development. The project focuses on modernizing farm practices improving market access and boosting agro-based enterprises. It also strengthens rural infrastructure including irrigation and storage. By promoting innovation and investment in agriculture the project seeks to improve livelihoods create jobs and drive sustainable economic growth in rural areas of Uttar Pradesh. The project having a total project cost of \$500 million is being implemented by Uttar Pradesh Diversified Agriculture Support Project (UPDASP). With a commitment amount of \$338.19 million the project is scheduled to close by October 31 2030. <https://projects.worldbank.org/en/projects-operations/project-detail/P178253>)

Uttar Pradesh One District One Product Marketing Promotion Scheme: It aims to preserve local crafts boost incomes and employment enhance product quality promote artistic branding and elevate the concept nationally and internationally. The scheme provides financial assistance to micro and small entrepreneurs to participate in national fairs and exhibitions with the Directorate of Industry and Enterprise Promotion as the nodal department. Entrepreneurs aged 18 years and above can avail of this facility once a year. (Link: <https://diupmsme.upsdc.gov.in/>)

Uttar Pradesh Horticulture and Food Processing Industry Policy – 2022: The policy offers extensive incentives to boost the states food processing sector. Key subsidies include 35 percent of costs for plant machinery and technical civil work capped at Rs. 5 crore and 25 percent for expansion or modernization up to Rs. 1 crore. The policy also provides 100 percent stamp duty exemption on land purchases and 75 percent rebates on external development charges. Special incentives include a 50 percent subsidy on solar power projects for rural processing units with 90percent for women entrepreneurs. Cold chain infrastructure and value addition receive a 35percent subsidy with up to Rs. 10 crore for specific projects. The policy encourages decentralized processing and storage offering grants of up to 50percent or Rs. 50 lakh. Additionally a 25 percent freight subsidy on exports (excluding Nepal Bangladesh and Bhutan) and interest subsidies for Reefer Vehicles are provided. The entire state is treated as a unified market allowing license holders to operate across mandis. (Link-<https://invest.up.gov.in/uttar-pradesh-food-processing-industry-policy-2023/>)

Uttar Pradesh Agricultural Export Policy 2019: The policy provides incentives to promote agricultural exports through farmer clusters and ecosystem support. Clusters ranging from 50 to 350 hectares receive financial support between Rs. 10 lakh to Rs. 40 lakh with additional Rs. 6 lakh for larger areas. Payments are made in installments: 40 percent in the first year and 15 percent annually for the next four years. The policy also offers subsidies for new processing units near clusters transport subsidies and exemptions from mandi fees and development cess on specific produce. Other initiatives include promoting courses in agriculture exports supporting packaging design establishing traceability systems and setting up Export Facilitation Centers. The policy aims to boost market intelligence innovation and the adoption of Good Agricultural Practices with a focus on organizing international buyer-seller meets and encouraging business start-ups and investments.(Link-<https://invest.up.gov.in/uttar-pradesh-food-processing-industry-policy-2023/>).

Uttar Pradesh Dairy Development and Milk Product Promotion Policy 2022: The policy aims to boost the dairy industry by encouraging the establishment of milk-based industries and attracting Rs.5000 crore in capital investment over the next five years (2022-27). The policy seeks to raise milk processing levels from 10 percent to 25 percent (as on 2022) and expand processing capacity from 44 percent to 65 percent (as on 2022). It ensures fair pricing for milk producers promotes high-quality processed milk products and enhances market development and exports. The policy also focuses on creating employment upgrading skills adopting new technologies reforming dairy cooperatives and simplifying procedures for investors.

**Mukhyamantri Laghu Sinchai Yojana:** Aims to enhance agricultural irrigation by providing private irrigation facilities. It emphasizes solar energy and micro irrigation. The scheme will construct shallow medium deep and deep tube wells to help farmers become self-reliant and support economic development. (Link: <https://govtschemes.in/>)

**Uttar Pradesh Mukhyamantri Khet Suraksha Yojana:** To protect the crops of farmers in the border areas that are damaged by wild animals among which Nilgai monkeys and wild boars. The beneficiary will be given a grant of Rs 1.43 lakh for solar fencing for 12 volts current for farm security or a total of 60percent of the cost per hectare.

**Uttar Pradesh Mukhyamantri Swadeshi Gau-Sanvardhan Yojana:** It aims to promote indigenous cow breeds and boost milk production in the state and targets self-reliance among animal herders and farmers encouraging rural youth and women to engage in animal husbandry. The scheme offers subsidies for purchasing improved breeds like Sahiwal Tharparkar and other cross-breeds with 50percent priority given to women farmers. Beneficiaries receive up to Rs 80000 for setting up units with two cows and subsidies for fodder cutting machines animal insurance and shed construction. (Link: <https://updairydevelopment.gov.in/NBDMSchemes.aspx>)

**Uttar Pradesh Mukhyamantri Pragatisheel Pashupalak Protsahan Yojana:** Launched in 2023 the Uttar Pradesh Chief Minister Progressive Livestock Farmer Incentive Scheme encourages farmers to rear high-quality indigenous cows by providing financial assistance. The Dairy Development Department oversees the scheme which aims to boost employment improve living standards and increase milk productivity and farmers' income. The scheme is implemented across all districts offering financial aid of Rs. 10000 to Rs. 15000 per cow with benefits provided once per cow and up to two cows per farmer.

**Nand Baba Dugdh Mission:** The Nand Baba Dugdh Mission in Uttar Pradesh aims to transform the dairy sector by boosting milk production and enhancing dairy farming practices. The mission focuses on increasing milk yield and quality by providing financial assistance for dairy farm infrastructure offering training and support to dairy farmers for improving milk quality and establishing milk processing units to enhance value addition. (Link: <https://updairydevelopment.gov.in/NBDMSchemes-hi.aspx>)

Uttar Pradesh deep tube well free boring scheme: Under the Uttar Pradesh Deep Tubewell Free Boring Scheme the following financial grants will be given to the farmers of the state:-

- a. 50 percent of the cost or maximum Rs. 100000/- for construction of tube well.
  - b. 50 percent of the cost or maximum Rs.10000/- for pipe system.
  - c. Maximum Rs. 68000/- for electrification of tube well.
- (Link: <https://govtschemes.in/hi/taxonomies/term/59>)

Uttar Pradesh Medium Depth Tube Well Free Boring Scheme: Under Uttar Pradesh Medium Depth Tubewell Free Boring Scheme the following benefits will be given to the farmers: -

- a. 50 percent of the cost for construction of tube well or maximum Rs. 75000/- (whichever is less)
  - b. Rs 10000/- for water distribution system.
  - c. Rs 68000/- per tube well for electrification of tube wells.
- (Link: <https://govtschemes.in/hi/taxonomies/term/59>)

Uttar Pradesh Shallow Tubewell Free Boring Scheme: Under the scheme small farmers receive Rs. 5000 for boring and Rs. 4500 for a pumpset whereas the Marginal farmers are granted Rs. 7000 for boring and Rs. 6000 for a pumpset. Scheduled Caste and Scheduled Tribe farmers receive Rs. 10000 for boring and Rs. 9000 for a pumpset. (Link: <https://govtschemes.in/hi/taxonomies/term/59>)

Uttar Pradesh Khet Talab Yojana: Under the Uttar Pradesh Khet Talab Yojana the government is helping in the construction of two types of ponds small and big ponds and provides 50 percent subsidy paid in three installments.

Uttar Pradesh Mukhyamantri Kisan evam Sarvahit Bima Yojana: This initiative aims to offer comprehensive insurance coverage to support the health and well-being of farmers and other beneficiaries. The scheme provides treatment facilities in hospitals up to a certain amount with coverage up to Rs. 2.50 lakh available in all government medical institutions and medical universities. Additionally prosthetic limbs worth up to Rs 1 lakh will be provided. In the event of accidental death or disability a maximum amount of Rs. 5 lakh will be given. ( Link: <https://govtschemes.in/hi/utatara-paradaesa-maukhayamantarai-kaisaana-evan-saravahaita-baimaa-yaojanaa>)

Uttar Pradesh Startup Policy 2020: The policy envisions establishment of one in every district of the state and a total of 100 incubators and 10000 startups in five years employment generation for about 1 lakh youth establishment of Center of Excellence etc. (Link - <https://nri.up.gov.in>)

**Vishwakarma Shram Samman Yojana:** The Uttar Pradesh government has decided to provide financial assistance to traditional artists and craftsmen such as carpenters tailors barbers goldsmiths blacksmiths potters confectioners cobblers and basket weavers. Through the Vishwakarma Shram Samman Yojana the government will offer financial aid ranging from Rs.10000 to Rs.10 lakh. The scheme aims to cover migrant workers and traditional artisans by providing free training related to their profession. Every year the government aims to provide jobs to over 15000 people through this scheme with funds directly transferred to their bank accounts. (Link- <https://diupmsme.upsdc.gov.in/>)

**Uttar Pradesh Solar Energy Policy 2022:-** The Uttar Pradesh Solar Energy Policy -2022 policy mainly focuses to provide low cost and reliable power to the people of UP and to reduce the dependence on fossil fuels and achieve renewable power. The Policy aims to achieve a target of 22000MW Solar Power Projects up to 2026-27. Solar Rooftop installations in residential sector will be encouraged.

## **2. State Budget**

### **2.1. Important Announcements**

The Gross State Domestic Product (GSDP) of Uttar Pradesh for 2024-25 (at current prices) is projected to be Rs 2499076 crore amounting to growth of 5.8percent over 2023-24.

Expenditure (excluding debt repayment) in 2024-25 is estimated to be Rs 696632 crore an increase of 14percent over the revised estimates of 2023-24. In addition debt of Rs 39806 crore will be repaid by the state.

Receipts (excluding borrowings) for 2024-25 are estimated to be Rs 610101 crore an increase of 15percent as compared to the revised estimate of 2023-24.

Revenue surplus in 2024-25 is estimated to be 3percent of GSDP (Rs 74147 crore). This is roughly the same as the revised estimates for 2023-24. Uttar Pradesh had a revenue surplus of 1.7 percent in 2022-23.

Fiscal deficit for 2024-25 is targeted at 3.46percent of GSDP (Rs 86531 crore). In 2023-24 as per the revised estimates fiscal deficit is expected to be 3.49percent of GSDP roughly the same as the budget estimate for 2023-24.

Uttar Pradesh has allocated 3.1percent of its total expenditure towards agriculture significantly lower than the average expenditure on agriculture by states (5.9 percent).

## 2.2. Highlights related Agriculture & Farm Sector

Three new schemes will be launched to promote agriculture in gram panchayats. These are: State Agriculture Development Scheme World Bank Assisted UP Agri Scheme and Automatic Weather Station-Automatic Rain Gauge Scheme. The total allocation under the three schemes is Rs 460 crore.

The restrictions on providing private Tubewell connections in Dark Zones have been removed as result of which approx. 1 lakh farmers have been benefitted.

In the Bundelkhand region the benefit of seasonal tariff and the facility of temporary power connection have been extended for irrigation of single Rabi crop.

Around 46 lakh Sugarcane farmers were facilitated with a record payment of Rs. 233793 crore.

For the Crushing Session 2023-24 the price of Early cultivars has been raised to Rs. 370 from Rs. 350 for general cultivars it has been raised to Rs. 360 from Rs. 340 and for unsuitable cultivars the price has been raised to Rs. 355 from Rs. 335.

For the implementation of PM-KUSUM scheme an amount of Rs. 449.45 crore have been proposed. This is double that of the previous financial year.

Mukhyamantri Khet Suraksha Scheme is being started with financial outlay of Rs. 50 crore.

Under the Uttar Pradesh Food Processing Industry Policy-2022 Rs. 300 crore have been proposed to provide financial incentives to eligible units. This is double the amount drawn for previous year.

Under the Uttar Pradesh Food Processing Industry Policy-2017 an amount of Rs. 50 crore have been proposed which double of the previous FY.

The average productivity of Sugarcane in the state has increased to 84 MT per hectare from 72 MT per hectare. Increase in the intercropping has resulted in 25percent increased income to the sugarcane farmers.

The expected area under cultivation for Sugarcane for crushing season 2023-24 is expected to be 29.66 lakh ha. and sugar production is estimated to be over 110 lakh tonne.

In the newly formed Sugar mills of 500 TCD capacity in Pipraich and Munderwa 27 MW electricity production unit and Sulphur less sugar production units have been installed.

Rs. 106.95 lakh crore have been proposed for revival and strengthening of Milk unions.

Under the Nand Baba Dugdh Mission Rs. 74.21 crore have been proposed which is 21percent higher than the previous year.

Under the Uttar Pradesh milk Production Promotion Scheme-2022 for incentivizing the Milk industry units Rs. 25 crore have been proposed.

For construction of a new Dairy Unit at Mathura with a capacity of 30000 litres per day (expansion of 01 lakh litres per day) Rs. 23 crore have been proposed.

For the protection of cows and to solve the problem of destitute cows 303 large cow conservation centers are operated in all the districts of the state.

About 7239 cow shelters are operated in the state. A total of 14.38 lakh bovine animals have been protected in these shelters in urban and rural areas.

A provision of Rs. 195.94 crore is proposed for the Animal Disease Control Scheme which is 68percent more than the current year.

A provision of Rs. 100 crore is proposed for the establishment of veterinary colleges in Gorakhpur and Bhadohi districts.

Rs. 78.55 crore is proposed for risk management and livestock insurance scheme which is almost three times compared to the current year.

With a view to increasing fish production and productivity in the state Pradhan Mantri Matsya Sampada Yojana is being operated from the year 2020 to the year 2025.

A provision of Rs. 190 crore is proposed for the new scheme of construction of Aqua Park under the Prime Minister Matsya Sampradaya Yojana.

Under the Pradhan Mantri Matsya Sampradaya Yojana a total provision of Rs. 310 crore is proposed to cover male and female beneficiaries.

The minimum support price of wheat was fixed at Rs. 2125 per quintal by the Government of India for the Rabi marketing year 2023-24.

Under the Minimum Support Price Scheme in the Kharif marketing year 2023-24 the minimum support price of paddy was fixed at Rs. 2183 per quintal for common category and Rs. 2203 per quintal for grade A category.

### 2.3. Highlights related to Rural Development & Non-Farm Sector

Chief Minister Youth Entrepreneur Development Campaign is being started with the aim of providing financial resources for setting up new micro industries by linking the educated and trained youth of the state with self-employment. For this a provision of Rs 1000 crore is proposed.

Under the Chief Minister Micro Entrepreneur Accident Insurance Scheme which is operational from 2023 there is a provision to provide financial assistance up to a maximum of Rs 5 lakh to micro entrepreneur.

To encourage industrial institutions in the private sector 10 Pledge parks are being established in the state.

There is a budget proposal of Rs. 400 crore by the state government for the Atal Bihari Vajpayee Powerloom Electricity Flat Rate Scheme for the upliftment of handloom weavers as well as power looms.

Under the PM Mega Integrated Textiles and Apparel Scheme Mega Textiles Park has been approved in Lucknow-Hardoi in an area of about 1000 acres. This park will attract investment of Rs. 10000 to 15000 crore in the textile and apparel sector which will create about 1 lakh direct and 2 lakh indirect employment opportunities. A provision of Rs 200 crore is proposed for the establishment of the park.

A budget of Rs 150 crore is proposed for purchasing land for the establishment of National Institute of Fashion Technology (NIFT) in Varanasi district.

Under Pandit Deendayal Gramodyog Rozgar Yojana there is a provision to provide interest subvention facility to the beneficiaries for 3 years. A provision of Rs. 14 crore is proposed for the scheme.

A provision of Rs. 15.75 crore is proposed under the Khadi and Village Industries Development and Sustainable Employment Promotion Policy.

A provision of Rs. 11.25 crore is proposed for the Clay Art Integrated Development Programme to provide employment to the traditional clay art artisans in the state.

The state government is continuously making efforts to increase greenery in the state. At present the forest cover and tree cover in Uttar Pradesh is 9.23percent of the geographical area of the state. The target is to increase forest cover and tree cover to 15percent by the year 2030.

In the current year 2023-24 for the expansion of greenery in Uttar Pradesh 36.6 crore tree plantation work was done on a large scale in the state against the target of 35 crore. A target of planting 35 crore trees is proposed in the year 2024. A provision of Rs. 600 crore is proposed for social afforestation. A provision of Rs. 175 crore is proposed for the management of Buddhist school.

A provision of Rs. 110 crore is proposed for the programmes run under the Green India Mission. A provision of Rs. 48.94 crore is proposed for Project Tiger and Project Elephant scheme.

A provision of Rs. 50 crore is proposed for the establishment of Kukrel Night Safari Park in Kukrel forest area located in Lucknow district.

Various types of skill development programmes for the economic development of Scheduled Tribes are being run in the Lakhimpur Kheri Balrampur Bijnor and Bahraich Shravasti and Maharajganj districts.

Under the Minimum Support Price Scheme for Minor Forest Produce the government is promoting the strengthening of marketing markets and markets for minor forest produce and construction of warehouses for purchasing non-timber minor forest produce at the fixed minimum support price.

### **3. Govt Sponsored Programmes linked with Bank Credit**

Uttar Pradesh Aatmanirbharta Krishak Samanvit Vikas Yojana: Farmer entrepreneurs farmer producer groups cooperatives and market committees will be provided unsecured loan up to Rs 2 crore at 6 percent interest and Committees and institutions associated with the welfare of farmers will be able to get loan at 3percent annual interest concession i.e. 6percent for 7 years.

Uttar Pradesh Nandini Krishak Samriddhi Yojana: This scheme aims to promote high-yield dairy cows and other cattle. Beneficiaries will receive assistance to establish units with high-breed dairy cattle. In the first phase 35 units of 25 cows each will be set up with a maximum unit cost of Rs.62 lakh. The government will provide a 50percent subsidy with the rest covered by loans and personal investment.

Mukhyamantri Yuva Swarojgar Yojana-2016: The scheme is designed to promote self-employment among the youth in the state. It provides financial assistance and support offering loans up to Rs.25 lakh for the industrial sector and Rs.10 lakh for the service sector. The scheme requires a margin money contribution of 25percent of the loan amount and provides a subsidy of up to 25percent with a maximum subsidy of Rs.2.5 lakh per sector. (Source- <https://diupmsme.upsdc.gov.in/>)

Uttar Pradesh Mukhyamantri Yuva Udyami Vikas Abhiyan: Aims to all educated and trained youth in the state who are eligible for several benefits. These include access to a loan facility for establishing a new enterprise with no interest payable on the loan. The scheme offers an interest-free loan of up to Rs 5 lakh for setting up an enterprise and this limit can be increased to Rs 5 lakh if the loan is repaid on time. (Link: <https://govtschemes.in/hi/taxonomies/term/59>)

Chief Minister Village Industries Employment Scheme 2023: The scheme aims to curb rural-to-urban migration and address unemployment by offering financial assistance to rural entrepreneurs. The scheme provides loans of up to Rs.10 lakh through banks with a 4percent interest subsidy for general candidates and full interest exemption for reserved categories. Eligible entrepreneurs include those trained by ITIs unemployed youth traditional artisans women and others registered with Employment Exchanges. Beneficiaries are identified by district-level committees ensuring they are trained and residents of the village. (Link- [http://www.upkvib.gov.in/cm\\_yojana.aspx](http://www.upkvib.gov.in/cm_yojana.aspx))

## **Chapter 2**

### **Credit Potential for Agriculture**

#### **2.1 Farm Credit**

##### **2.1.1 Crop Production, Maintenance & Marketing**

###### **2.1.1.1 Status of the Sector in the District**

Status of the Sector: The district's economy is primarily agriculture-based, with significant irrigation from tubewells. Major crops include paddy, wheat, sugarcane, and pulses. Infrastructure like soil testing labs and Krishi Vigyan Kendra exists but faces operational challenges.

###### **2.1.1.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and linkage support that need to be addressed to improve crop production and marketing.

##### **2.1.2 Water Resources**

###### **2.1.2.1 Status of the Sector in the District**

Status of the Sector: High percentage of irrigated land with major sources being tubewells and canals. Funding for irrigation projects is available, but power supply remains a challenge.

###### **2.1.2.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: Infrastructure support is available, but there are gaps, particularly in power supply for irrigation.

##### **2.1.3 Farm Mechanization**

###### **2.1.3.1 Status of the Sector in the District**

Status of the Sector: Government schemes promote the use of agricultural implements with subsidies. There is a need for expanding irrigated areas and establishing farm machinery centers at the panchayat level.

###### **2.1.3.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in the availability of farm machinery and support infrastructure.

#### **2.1.4 Plantation & Horticulture, including Sericulture**

##### **2.1.4.1 Status of the Sector in the District**

Status of the Sector: Potential for fruits, flowers, and vegetables is underutilized. Better marketing and infrastructure support are needed.

##### **2.1.4.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in marketing and infrastructure support for horticulture.

#### **2.1.5 Forestry & Waste Land Development**

##### **2.1.5.1 Status of the Sector in the District**

Status of the Sector: Low forest cover necessitates accelerated afforestation efforts. Various government programs support forestry and wasteland development.

##### **2.1.5.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure support for forestry and wasteland development.

#### **2.1.6 Animal Husbandry – Dairy**

##### **2.1.6.1 Status of the Sector in the District**

Status of the Sector: Significant with a large number of milch cows and buffaloes. Cooperative and private dairies exist, but productivity is below national averages.

##### **2.1.6.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for dairy farming.

#### **2.1.7 Animal Husbandry – Poultry**

##### **2.1.7.1 Status of the Sector in the District**

Status of the Sector: Crucial for rural livelihoods, but local production does not meet demand. Government policies support poultry development, including working capital under the Kisan Credit Card scheme.

#### **2.1.7.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for poultry farming.

### **2.1.8 Animal Husbandry – Sheep, Goat, Piggery**

#### **2.1.8.1 Status of the Sector in the District**

Status of the Sector: Sheep/goat/pig rearing is generally a supplementary activity carried out by small and marginal farmers and agricultural labourers.

#### **2.1.8.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for sheep, goat, and pig rearing.

### **2.1.9 Fisheries**

#### **2.1.9.1 Status of the Sector in the District**

Status of the Sector: Potential for inland fisheries supported by various government schemes. Infrastructure development is needed to boost fish production and marketing.

#### **2.1.9.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for fisheries.

### **2.1.10 Farm Credit – Others**

#### **2.1.10.1 Status of the Sector in the District**

Status of the Sector: The agriculture sector has emerged as a ray of hope in solving issues like the crisis of migrant workers during the COVID-19 pandemic.

#### **2.1.10.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for farm credit and mechanization.

### **2.1.11 Sustainable Agricultural Practices**

#### **2.1.11.1 Status of the Sector in the District**

Status of the Sector: Integrated farming systems are promoted to enhance productivity, profitability, and environmental sustainability.

#### **2.1.11.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for sustainable agriculture practices.

### **2.2 Agriculture Infrastructure**

#### **2.2.1 Construction of Storage and Marketing Infrastructure**

##### **2.2.1.1 Status of the Sector in the District**

Status of the Sector: The district has rural godowns and cold storages, but more infrastructure is needed to reduce post-harvest losses.

##### **2.2.1.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in storage and marketing infrastructure.

#### **2.2.2 Land Development, Soil Conservation and Watershed Development**

##### **2.2.2.1 Status of the Sector in the District**

Status of the Sector: Efforts are needed to prevent soil erosion and improve land productivity.

##### **2.2.2.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for soil conservation and watershed development.

#### **2.2.3 Agri. Infrastructure - Others**

##### **2.2.3.1 Status of the Sector in the District**

Status of the Sector: Development of basic infrastructure includes services that facilitate agricultural production, procurement, processing, preservation, and trade.

##### **2.2.3.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for agricultural infrastructure.

## **2.3 Agriculture – Ancillary Activities**

### **2.3.1 Food & Agro Processing**

#### **2.3.1.1 Status of the Sector in the District**

Status of the Sector: Significant potential but lacks basic infrastructure.

#### **2.3.1.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for food and agro processing.

### **2.3.2 Agri Ancillary Activities – Others**

#### **2.3.2.1 Status of the Sector in the District**

Status of the Sector: Growth in agriculture despite challenges posed by the COVID-19 pandemic.

#### **2.3.2.2 Infrastructure and linkage support available, planned and gaps**

Infrastructure and Linkage Support: There are gaps in infrastructure and support for agri ancillary activities.

## Chapter 3

### Credit potential for MSMEs

#### 3. Credit potential for MSMEs

##### 3.1 Status of the Sector in the District

**Sector Status:** MSMEs contribute significantly to Uttar Pradesh's industrial output, with micro-enterprises making up 99.61% and small enterprises 0.39%. There is a need to promote small-scale industrial units and Khadi & Village Industries in backward blocks.

**Training and Employment:** The R-SETI training institutes in Jaunpur trained 727 trainees in 2022-23, with 656 trainees starting their own self-employment ventures. Out of these, 479 received loans from banks.

##### 3.2 Infrastructure and linkage support available, planned and gaps

**Government Initiatives:** Various schemes like Stand-Up India, Mudra Bank, and Pradhan Mantri MSME Support Scheme are in place. The Uttar Pradesh government has initiatives like One District One Product (ODOP), Vishwakarma Shram Samman Yojana, and Udyam Sarathi to support MSMEs.

## **Chapter 4**

### **Credit Potential for Export Credit, Education & Housing**

#### **4.1 Credit Potential for Export Credit**

##### **4.1.1 Status of the Sector in the District**

**Sector Status:** Jaunpur lacks an export-oriented industry cluster. However, jaggery, mangoes, and wooden products are the main export items.

##### **4.1.2 Infrastructure and linkage support available, planned and gaps**

**Support and Gaps:** The ODOP scheme aims to improve product quality for international markets. The Farming Produce Trade and Commerce Act, 2020, allows barrier-free trade for farmers.

#### **4.2 Credit Potential for Education**

##### **4.2.1 Status of the Sector in the District**

**Sector Status:** Education is crucial for human resource development. Jaunpur has a significant number of educational institutions, including primary, upper primary, secondary schools, degree colleges, postgraduate colleges, and ITIs.

##### **4.2.2 Infrastructure and linkage support available, planned and gaps**

**Support and Gaps:** The National Education Policy 2020 aims to transform the education system. Education loans and schemes like Vidya Lakshmi Portal and EWS Schemes are available to support students.

#### **4.3 Credit Potential for Housing**

##### **4.3.1 Status of the Sector in the District**

**Sector Status:** Housing is a basic necessity and an indicator of quality of life. Jaunpur has a mix of semi-permanent and temporary housing, with urbanization driving housing construction activities.

##### **4.3.2 Infrastructure and linkage support available, planned and gaps**

**Support and Gaps:** The Smart City scheme includes provisions for urban development. The demand for housing loans is rising with urbanization.

## Chapter 5

### Credit Potential for Infrastructure

#### 5.1 Infrastructure - Public investments

##### 5.1.1 Status of the Infrastructure in the District

Infrastructure plays a crucial role in tapping the available capacity in various sectors of the economy. Basic infrastructure, especially Investment in rural infrastructure creates new economic opportunities and activities generates additional employment and income facilitates and improves the distribution of other rural services and enhances the skills of rural poor.

UP is the 3rd largest economy in India contributing about 8 percent to the national GDP. In Jaunpur, UP Government has launched numerous projects to improve the region's connectivity and facilities. Foundation stone for 10 national highway projects worth ₹10,000 crore was laid, which include the construction of two bypasses and a ring road to alleviate traffic congestion and boost industrial growth. Additionally, the Chief Minister inaugurated 115 projects, including housing, healthcare, and public amenities, aimed at enhancing the quality of life for residents. These initiatives reflect a strong commitment to transforming Jaunpur into a more connected and developed region.

Jaunpur has seen notable improvements in both healthcare and education infrastructure. The district benefits from the Ayushman Bharat Health Infrastructure Mission, which enhances primary and critical care facilities, and has recently inaugurated a new medical college to boost healthcare services. In education, Jaunpur hosts a mix of government and private schools, with significant efforts to improve facilities and the quality of education.

##### 5.1.2 Infrastructure and linkage support available, planned and gaps

With the development of connectivity routes in rural areas diversification of agricultural areas became possible due to the introduction of new economic activities and new technologies in villages. A large number of agro-based units are being established in remote villages of the district. Rural people have been facilitated in transporting their produce to markets and mandis. Farmers received information about modern farming practices through farmer clubs formed by them and due to easy transportation transportation costs were reduced and villages were directly connected to cities and development centers. Through integrated watershed development soil erosion in villages has been controlled and water management has enabled the cultivation of higher-yielding crops increasing land productivity and converting barren and uncultivated land into productive land. The modernization of small tube wells has increased the area under irrigation in rural areas. Further, Storage infrastructure may be developed by construction of small capacity and large rural godowns. 2180 hectares of cultivable land is lying fallow in the district which can be used for agriculture through land development. Dairy Development may be done through establishment of additional milk chilling plants with necessary infrastructure support and construction of veterinary hospitals. Fisheries may be supported through establishment of training and fish rearing centres.

### **5.1.3 Benefits of RIDF Projects (except irrigation, rural roads and bridges)**

The Government of India had set up Rural Infrastructure Development Fund (RIDF) in NABARD, during 1995-96, with the objective of providing low cost fund support to the States to facilitate quick completion of ongoing rural infrastructure projects, which were languishing for want of resources. Over the years, RIDF has emerged as a dependable source of public funding of impactful rural infrastructure projects. Assistance from RIDF constitutes a significant proportion of investments by various State Governments in rural infrastructure sector.

The fund supports a wide range of activities in agriculture, social sector projects and rural connectivity. With an allocation of ₹40,475 crore for 2023-24, the cumulative allocation has reached ₹4,98,411 crore. This initiative plays a crucial role in enhancing rural infrastructure, thereby promoting sustainable development and improving the quality of life in rural areas.

## **5.2 Social Infrastructure involving Bank Credit**

### **5.2.1 Status of the Sector in the District**

As per the NITI Aayog's SDG India Index, Uttar Pradesh falls under the "Aspirational States" category. Additionally, a positive correlation has already been established between the HDI and SDG rankings of Indian states. Therefore, it is crucial that the state focuses on investment in the social sector, especially in the areas of education and health, to achieve equitable and inclusive development in the state. The gap between the available budget with the government and the actual needs of the sector necessitates the need to promote and nurture private investment through the PPP model or pure private investment.

According to a 2017 CAG report, between 2010 and 2016, enrollment in private non-aided schools increased by 36.5%, while it declined by 18.6% in government schools, indicating significant scope for improvement in the quality of school and educational infrastructure, especially in rural areas.

### **5.2.2 Infrastructure and linkage support available, planned and gaps**

Adequate means of transportation are not available in rural areas causing difficulties for rural residents. This is an area where government efforts alone will not suffice and development through the PPP model is necessary. The government should arrange for public awareness on crucial issues such as health and education. Efforts should be made to increase women's participation. Full advantage should be taken of various government schemes like Pradhan Mantri Awas Yojana, Swachh Bharat Abhiyan and Sarva Shiksha Abhiyan. Efforts should be made to fully implement the Prime Ministers Swachh Bharat Mission.

Recognizing the importance of social infrastructure and the increase in credit absorption in rural and urban areas the Reserve Bank of India has included bank loans up to Rs. 5 crores per borrower for the construction of social infrastructure facilities such as schools health care facilities drinking water facilities and sanitation facilities in Tier II to Tier VI centers under the priority sector lending.

### **5.3 Renewable Energy**

#### **5.3.1 Status of the Sector in the District**

India is the fourth most attractive renewable energy market in the world. Based on market attractiveness and global market trends, the country was ranked 7th in the Ernst & Young Renewable Energy Country Attractiveness Index 2020. (Source - International Renewable Energy Agency [https:// www.irena.org/](https://www.irena.org/)). Uttar Pradesh is rich in renewable energy sources like biomass, solar, and biofuels, of which only bio-mass has been significantly exploited. The development of renewable energy will certainly help the state meet its energy requirements. Source - <http://www.pib.nic.in>

Due to dairy, agriculture as the main ancillary activities, small farmers have 3-4 animals each. A 4 cubic feet biogas plant is preferred. The Khadi and Village Industries Board provide the beneficiaries of bio- gas with related knowledge and training.

With the objective of increasing farmers income the ambitious Pradhan Mantri Kisan Urja Suraksha evam Utthaan Mahabhiyan (PM KUSUM Scheme) has been declared by the Ministry of New and Renewable Energy Government of India. It aims to provide a sustainable and cost-effective way to operate agricultural activities and reduce the carbon footprint of the agricultural sector. This scheme will also be implemented in Uttar Pradesh.

In Jaunpur district, 933 solar pumps have been installed so far under this scheme which will generate 3.09 MW of solar energy. [<https://pmkusum.up.gov.in/>]

#### **5.3.2 Infrastructure and linkage support available, planned and gaps**

The district has an abundance of livestock . As dairy farming is a major supplementary activity even small farmers have 3-4 animals. A 4 cubic feet biogas plant is preferred. Each block has trained artisans for constructing and maintaining biogas plants. The Khadi and Village Industries Board provides relevant knowledge and training to the beneficiaries of biogas.

The Ministry of New and Renewable Energy Government of India operates programs under the non- conventional energy sector. It provides assistance through various nodal agencies at the state level to promote its usage across the state. The Non-conventional Energy Development Agency (NEDA) is the nodal agency for the development of renewable energy sources in the state of Uttar Pradesh. The district receives bright sunshine on most days of the year. Under these circumstances there is ample scope for the use of solar lanterns solar home lighting systems and solar photovoltaic pumping systems.

PM Surya Ghar Bijali Yojana, PM KUSUM scheme, Bio energy enterprise promotion programme, solar pump scheme, solar light scheme etc are available.

Solar lights have been identified as an emerging activity in the district. Banks are also emphasizing lending for this activity as an alternative to electricity. The PM Surya Ghar Bijali Yojana will boost efforts to harness the districts renewable energy potential.

#### RIDF

1. Details of RIDF projects sanctioned in the district are given below:

(₹ crore)

Sr. No.	Tranche	No. of projects	Fin. Outlay	RIDF Loan
A	Closed Tranches	497	306.606400	275.9458
B	Ongoing tranches	216	298.062200	217.311
	Total (A + B)	713	604.668600	493.2568

2. The sector-wise details of RIDF projects sanctioned in the district various categories are as given below:

(₹ crore)

Sr. No.	Sector	Projects sanctioned (No.)	Fin. Outlay	RIDF loan
A	Irrigation/ Agriculture	6	16.904100	14.706
B	Rural roads & bridges	206	279.261900	200.8037
C	Social Sector	4	1.896200	1.8013
	Total (A + B + C)	216	298.062200	217.311

3. Some of the benefits accrued from the projects sanctioned under RIDF in the district are as under:

Sr. No.	Sector	Projects sanctioned (No.)	Likely benefit	Unit	Value
A	Irrigation	5	Irrigation potential	ha	1276.2
B	Rural roads	188	Road length	km	287.45
C	Bridges	19	Bridge Length	m	822.9

3. a Details in respect of other RIDF projects are given below.

Sr. No.	Sector	Projects sanctioned (No.)	Likely benefit	Unit	Value
1	Veterinary Hospital	4	Will improve health of cattle and thus income of farmer will increase.	Nos	1690.41
2	0	0	0	0	0
3	0	0	0	0	0
4	0	0	0	0	0
5	0	0	0	0	0
6	0	0	0	0	0

## Chapter 6

### Informal Credit Delivery System

#### 6.1 Status of the Sector in the District

The formation of self- help groups in the rural areas of the district is mainly being done by NRLM. To further strengthen the SHG-Bank Linkage Program, the SGSVY program has been restructured and the Deen Dayal - Upadhyaya National Rural Livelihood Mission (DDU-NRLM) has been implemented across the country since April 1, 2013. Under this scheme, 70 lakh SHGs have been formed till 31.03.2022, through which 7.59 crore rural families have been connected. This is a major program of the Government of India. In the state, this project is being implemented by the Uttar Pradesh State Rural Livelihood Mission. All districts and blocks in the state have been selected under this program from April 1, 2021.

In Jaunpur, 184282 households have been mobilized under SHG and 16,232 SHGs have been promoted. 13416 SHGs have been given revolving fund and 10947 SHGs have been provided with Community Investment Fund(CIF).

#### 6.2 Infrastructure and linkage support available, planned and gaps

NABARD has continuously developed refined strategies and encouraged innovations in microfinance. Significant changes in the approach and design of SHG-BLP are necessary for increasing the income levels of the poor. To make it more flexible and customer- friendly, SHG-2 was introduced which incorporated the basic principles of SHG-BLP such as voluntary savings, cash credit limit, individual bank accounts, JLG within SHGs, risk mitigation etc.

In the district, the formation of SHGs in rural areas is mainly being done by Uttar Pradesh State Rural Livelihoods Mission (UP- SRLM).

Under NRLM, NABARDs concessional refinance scheme is available to banks to promote lending to self-help groups under which RRBs and DCCBs are provided refinance at 4 percent (for loans up to Rs.3 lakhs) and 3 percent (for loans from Rs.3 lakhs to Rs.5 lakhs). The department provides skill training to the promoted groups and engages them in various income-generating activities. NABARD is also running livelihood-based programs to enable SHGs to establish and manage successful enterprises and increase their income.

Key challenges include inadequate banking infrastructure in rural areas, leading to limited access to formal credit. Additionally, many SHG members lack financial literacy, which hampers their ability to effectively utilize available financial services.

## **Chapter 7**

### **Critical Interventions Required for Creating a Definitive Impact**

#### **1. Farm Credit**

- 1 Increase use of fertilizers and farm mechanization: Encourage more farmers to enroll in Direct Benefit Transfer (DBT) schemes.
- 2 Distribution of certified seeds: Ensure availability of high-quality seeds.
- 3 More centers for input distribution: Establish additional centers under cooperative management.
- 4 Credit to landless cultivators: Provide credit through Joint Liability Groups to landless cultivators, sharecroppers, tenants, and small/marginal farmers.

#### **2. Water Resources**

- 1 Water conserving technology: Promote the use of sprinklers and drip irrigation.
- 2 Renovation of canals: Desilt and renovate canal beds.
- 3 Water recharge technologies: Implement technologies to recharge groundwater.

#### **3. Farm Mechanization**

- 1 Small implements: Popularize the use of power tillers and other small implements among small and marginal farmers.
- 2 Custom Hiring Centers: Set up centers for hiring farm machinery.
- 3 Maintenance and training: Provide skill training for the maintenance and upkeep of machinery.

#### **4. Plantation and Horticulture**

- 1 Bankable models and training: Prepare models and train bankers.
- 2 Processing units: Set up units under the PM Formalization of Micro Food Processing Enterprises (PMFME) scheme.
- 3 Farm Gate Infrastructure: Create infrastructure under the Agriculture Infrastructure Fund (AIF).
- 4 Export infrastructure: Develop infrastructure for exporting sugarcane products.

#### **5.Forestry/ Waste Land Development**

- 1 Hi-tech plantation: Promote commercial-scale plantations and bankable models.
- 2 Jatropha and Bamboo: Encourage the plantation of Jatropha and Bamboo.

#### **6.Animal Husbandry - Dairy**

- 1 Credit facilities: Provide easy credit to farmers.
- 2 Insurance: Ensure cattle and buffaloes are insured.

#### **7.Animal Husbandry - Poultry**

- 1 Credit facilities: Provide easy credit to poultry farmers.
- 2 Insurance: Ensure poultry is insured.
- 3 Poultry feed units: Set up commercial-scale poultry feed units.

#### **8.Animal Husbandry - Sheep, Goat, Piggery**

- 1 Credit facilities: Provide easy credit to farmers.
- 2 Insurance: Ensure livestock is insured.
- 3 Capacity building: Conduct training through Krishi Vigyan Kendras (KVKs).
- 4 Market linkage: Establish market linkages for livestock products.

#### **9.Fisheries**

- 1 Credit facilities: Provide easy credit to fish farmers.
- 2 Insurance: Ensure fish stock is insured.
- 3 Advanced techniques: Demonstrate advanced fish culture techniques like integrated fish farming and biofloc.

#### **10.Construction of Storage and Marketing Infrastructure**

- 1 Warehouse accreditation: Accredite warehouses and godowns through the Warehousing Development and Regulatory Authority (WDRA).

#### **11.Land Development, Soil Conservation and Watershed Development**

- 1 Soil testing labs: Set up labs and treat soil accordingly.
- 2 Bank finance: Provide finance for land treatment and development activities.

## **12. Agriculture Infrastructure: Others**

- 1 Awareness creation: Promote the adoption of NADEP and Vermicompost among bankers and farmers.

## **13. Food and Agro. Processing**

- 1 Financing under PMFME: Increase financing for food processing units.
- 2 Export infrastructure: Develop infrastructure to promote exports.

## **14. Agri. Ancillary Activities: Others**

- 1 ACABC training: Provide training to agriculture graduates.
- 2 Setting up ACABC/Agri junctions: Establish these centers for better agricultural support.
- 3 Capacity building of FPOs: Strengthen Farmer Producer Organizations (FPOs) to avail credit from financial institutions.

## **15. Micro, Small and Medium Enterprises (MSME)**

- 1 Awareness about CGTMSE: Educate entrepreneurs about the Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE) and other government schemes.
- 2 Finance to entrepreneurs: Provide finance with CGTMSE facilities.
- 3 Entrepreneurship training: Arrange effective training programs and establish product-cum-training centers.
- 4 Quality standards: Upgrade MSME sector to achieve global quality standards.

## **16. Export Credit**

- 1 Export infrastructure: Set up infrastructure in vegetable and plantation growing areas.
- 2 Ancillary units: Promote ancillary units for agro-processing.
- 3 Export credit: Ensure easy availability of export credit.

## **17. Education**

- 1 Priority sector norms: Extend credit as per these norms.

### **18. Housing**

- 1 Urbanization credit: Provide credit for housing in urbanizing blocks like Sirkoni, Dharmapur, and Badalapur.

### **19. Social Infrastructure**

- 1 RO plants: Set up Reverse Osmosis plants in all blocks.
- 2 Sanitary infrastructure: Create sanitary facilities in markets on a use-and-pay basis.

### **20. Renewable Energy**

- 1 Solarization of tubewells: Implement solar energy solutions for government tubewells.
- 2 Net Metering infrastructure: Create infrastructure for energy evacuation and increase financing under the PM Surya Ghar Bijali Yojana for solar rooftop plants.

### **21. Informal Credit Delivery System**

- 1 Skill training for SHGs: Provide training to Self-Help Group (SHG) members for setting up enterprises.
- 2 Market linkage: Link SHGs/enterprises with markets through platforms like ONDC.
- 3 Credit facility: Ensure easy credit access from banks.

## Chapter 8

### Status and prospects of Cooperatives

#### 1. Background

a. A cooperative is defined as 'an autonomous association of persons united voluntarily to meet their common social, economic and cultural needs as well as their aspirations through a jointly owned and democratically controlled enterprise'.

b. A cooperative is governed by seven major principles, i.e. voluntary and open membership; principle of democratic member control; principle of member economic participation; principle of autonomy and independence; principle of education, training and information; principle of cooperation and, principle of concern for community. Cooperative enterprises help their members to collectively solve shared socio-economic problems. Cooperatives strengthen bargaining powers of their members, help them get access to competitive markets and to capitalize on new market opportunities. As such, they improve income opportunities, reduce costs and manage risks of the members.

#### 2. Formation of Ministry of Cooperation by GoI

The GoI has set up a separate Ministry for Cooperation on 06 July 2021 which will provide a separate administrative legal and policy framework for strengthening the cooperative movement in the country, to help deepen the presence of cooperatives, to streamline processes for 'Ease of doing business' for co-operatives and enable development of Multi-State Co-operatives (MSCS). In the words of the Hon'ble Prime Minister, "The Cooperative movement is such a model which can provide a successful alternative to socialism and capitalism".

#### 3. Latest initiatives by Ministry of Cooperation (MoC), GoI

- The MoC has, in consultation, coordination and partnership with state governments, NABARD, national level federations, training establishments at state and national level and other stakeholders is working on the following initiatives.
- Computerization of Primary Agriculture Cooperative Societies: This scheme aims at computerization of 63000 functional PACS leading to increase in efficiency, profitability, transparency and accountability in the working of PACS.
- Co-operative Education - Setting up of World's largest Cooperative University: This aims at introduction of cooperative education as a course curriculum and also as independent degree/diploma courses in Schools and Universities. This will also take care of research in the field of cooperation.
- World's largest Cooperative Training Scheme: This aims at revamping strengthening existing cooperative training structure in the country and modernize the training methods through a revamped scheme.
- To provide facilities at par with FPOs to existing PACS.

- Establishing Multipurpose PACS/Dairy/Fisheries cooperatives in every panchayat.
- World's largest food grain storage scheme for cooperatives.
- Revival and computerization of PCARDBs/SCARDBs.
- Establishment of National Cooperative Database.
- Amendment to Multi State Coop. Act 2002 and setting up of 3 new MSCS.
- New Cooperative Policy - Drafting of new Cooperative policy with a view to strengthen the cooperatives and make them vibrant with increased contribution to the economy.
- All these initiatives will create immense business potential from grassroots upward in times to come.

#### **4. Recent developments/ latest initiatives by State Government in strengthening the outreach and activities of cooperatives**

1. There are a total of 7577 PACs in Uttar Pradesh out of which 6974 are active. For interest subvention the State Government has sanctioned a total of ₹300.00 crore in the budget. 204 PACs operating in the district will benefit from this. Under the AIF scheme 688 PACs have been sanctioned godowns out of which construction of 100 godowns has been completed. Under the UP RSBY scheme 7479 micro ATMs have been provided to PACs. Internet facility has been made available at the apex bank UPB at the State level.
2. The Government of Uttar Pradesh has contributed ₹100.00 lakh towards share capital increase in District Cooperative Banks during the financial year 2022-23.
3. To increase the membership of PACs and activate inactive members the Government of Uttar Pradesh has prepared village-wise data of members associated with PACs and launched a membership drive to increase active members. For the year 2022-23 a target of enrolling 10 lakh new members and activating 6 lakh inactive members was set against which 196388 new members were enrolled and 68304 inactive members were activated as on 31st March 2023.
4. 16 newly licensed banks (Weak Banks) were unable to honor the withdrawal demand from their depositors. To address the grievances of affected depositors and build the image of cooperative banks the Government of Uttar Pradesh NABARD and Reserve Bank of India took an initiative and convened a special High Level Meeting on 20th June 2022 under the chairmanship of Principal Secretary (Cooperation)-cum-RCS Government of Uttar Pradesh and a roadmap was prepared with consensus to address the liquidity issues of these banks and a committee was constituted to monitor the progress of these banks.

5. The total imbalances at DCCB level have increased rapidly in the past few years and stood at ₹1378.08 crore as on 31st March 2022. In this direction the Government of Uttar Pradesh and NABARD took an initiative and convened a High Level Meeting on 22nd November 2022 with the Principal Secretary-cum-RCS Government of Uttar Pradesh and the Regional Director Reserve Bank of India and a detailed action plan was prepared to address the issue of imbalances. As a result the total imbalances have come down to ₹922.87 crore as on 31st March 2023. The total imbalances at DCCB level have increased rapidly in the past few years and stood at ₹1378.08 crore as on 31st March 2022. In this direction the Government of Uttar Pradesh and NABARD took an initiative and convened a High Level Meeting on 22nd November 2022 with the Principal Secretary-cum-RCS Government of Uttar Pradesh and the Regional Director Reserve Bank of India and a detailed action plan was prepared to address the issue of imbalances. As a result the total imbalances have come down to ₹922.87 crore as on 31st March 2023 from ₹430.04 crore.

#### **5. Status of Cooperatives in the District**

1. Under centrally sponsored scheme total 41 PACS (30 in 1st phase and 11 in 2nd phase) are under computerisation.

#### **6. Potential for formation of cooperatives**

1. There is potential for formation of Dairy Cooperative societies. The distribution is uniform across the district as all blocks are covered by some cooperative society or the other

Chapter 9							
NABARD's Projects and Interventions in the District							
Sr. No.	Broad Area	Name of the Project/ Activity	Project Area	Nature of support provided	CSR collaboration/ Convergence etc.	No. of beneficiaries	Likely impact/ Outcome
1	Promotional Activity	Exhibition-cum-sale of SHG products at district level proposal	All Block of district	Grant assistance for organising 3 day exhibition-cum-sale/Mela of SHG products at district level to provide platform for SHGs, local entrepreneurs to showcase and promote their products.	No	100	As a result, SHG members & FPOs able were able to sell their produce in the market. Around 20 SHG groups benefitted from the program
2	Collectivisation	Farmers Producers Organisation	Dharmapur block	Grant assistance towards formation and promotion of Producer Organizations related to input cost, oil processing, other value-addition in agriculture sector	No	1200	This NABARD initiative will enable 1200 women to increase their income.
3	Collectivisation	Farmers Producers Organisation	Barsathi Block	Grant assistance towards formation and promotion of Producer Organizations related to Goat farming and establishment of Goat Bank	No	300	This NABARD initiative will enable 300 farmers to increase their income.

4	Collective sation	Farmers Producers Organisation	Badalapur Block	Grant assistance towards formation and promotion of Producer Organizations related to input cost, pulse processingoil, Morabba making, other value-addition in agriculture sector	No	500	This NABARD initiative will enable 500 farmers to increase their income.
5	Collective sation	Farmers Producers Organisation	Rampur Block	Grant assistance towards formation and promotion of Producer Organizations related to Tulsi processing and promotion of other medicinal plants	No	500	This NABARD initiative will enable 500 farmers to increase their income.
6	Collective sation	Farmers Producers Organisation	Kerakat Block	Grant assistance towards formation and promotion of Producer Organizations related to onion and other value-addition in agri and allied sector	No	400	This NABARD initiative will enable 400 farmers to increase their income.
7	Financial Inclusion	Financial support to Union Bank (Lead Bank) for CFL (Center for Financial Literacy), Financial support to District Cooperative Bank and Rural Banks also for financial literacy camps	All Blocks	Financial support for financial literacy camps, demo vans, projectors, micro- ATMs, PoS machines, etc.	No	-	? Increase in bank resources ? Financial literacy in rural areas ? Financial inclusion

## Success Stories

Success Story 1: Title: Skill development initiative in  
"Women Tailor" for unemployed youth

1.4 Impact

## Appendix 1a

### Climate Action & Sustainability

#### 1 Climate Action - Scenario at Global & National Level

##### 1.1 Climate Change and its Impact

Climate change is affecting every region on the Earth, in multiple ways. The IPCC AR6[] highlights that human-induced climate change is intensifying weather and climate extremes, resulting in unprecedented heatwaves, heavy rainfall, and severe droughts. The frequency and intensity of these events are likely to increase, posing significant risks to ecosystems, biodiversity, and human societies.

India is exposed to a whole range of climate and weather-related hazards. India with diverse geographical regions, long coastline, biodiversity, and high dependence on natural resources is one of the most vulnerable countries to climate change risks worldwide. Further, more than half of India's population lives in rural areas and depends on agriculture & allied activities, which are highly sensitive to climate change, threatening the livelihoods of people dependent on them.

There is emerging evidence that the productivity of crops, livestock and fish is likely to be affected with implications to food security, livelihoods, and sustainability in agriculture. In India, several studies have projected declining crop yields, in the absence of adaptation to climate change. As per the district level risk and vulnerability assessment of Indian agriculture to climate change undertaken by ICAR-CRIDA[], 109 districts out of 573 rural districts (19% of total districts) are 'very high-risk' districts, while 201 districts are high-risk districts.

Sixth Assessment Report (AR6) of the Intergovernmental Panel on Climate Change (IPCC), 2022

2 ICAR-CRIDA (2019): Risk and Vulnerability Assessment of Indian Agriculture to Climate Change.

##### 1.2 Climate Finance and Challenges

Climate finance requirement of India is enormous. While the preliminary financial estimates for meeting India's climate change actions as per NDC was USD 2.5 trillion between 2015 and 2030, estimated financial requirement of India to become net-zero by 2070 as per IFC is US\$10.1 trillion. There are various estimates of financial requirements that vary greatly due to varying levels of detail, but it is important to note that they all point to a need for tens of trillions of US dollars. India's updated NDCs also indicates the need to better

adapt to climate change by enhancing investments in development programmes in sectors vulnerable to climate change, however financial requirements for adaptation are very large and will increase in the future. To fully meet our NDCs in a timely manner, India requires enhanced new and additional financial, technological and capacity building support. However, financial, and technological commitments by developed countries under the Paris Agreement are yet to be fully transpired.

### 1.3 Initiatives of Govt. of India

India initiated the National Action Plan on Climate Change (NAPCC) in 2008, which introduced eight National Missions encompassing various efforts. In August 2022, the Government of India displayed greater determination in its efforts to address climate change by submitting its revised Nationally Determined Contribution (NDC) to the UNFCCC. Through Mission LiFE (Lifestyle for the Environment), India advocated for a global shift in mindset and behaviour, moving away from thoughtless and harmful consumption towards purposeful and conscious utilisation.

### 1.4 Initiatives of RBI

Climate change is a rapidly emerging area of policy interest in the RBI. Back in 2007, the RBI advised banks to put in place Board-approved plans of action towards helping the cause of sustainable development. In 2015, the RBI included loans for generation of renewable energy and public utilities run on non-conventional energy as part of its priority sector lending (PSL) policy to incentivise the development of green energy sources.

RBI has also laid out guidance for voluntary initiatives by regulated entities (REs) on green finance, setting up of green branches and green data centres, encouraging greater use of electronic means of communication instead of paper, and renewable energy sources. In early 2023, the RBI issued sovereign green bonds to mobilise resources for the Government for green infrastructural investments. RBI has also released the framework for mobilising green deposits by REs.

In February 2024, the RBI has issued draft guidelines on 'Disclosure framework on climate-related financial risks, 2024'. The framework mandates disclosure by REs on four key areas of governance, strategy, risk management and metric and targets, which is a step towards bringing the climate risk assessment, measurement and reporting requirements under mainstream compliance framework for financial sector entities in India.

### 1.5 Initiatives of NABARD

The whole spectrum of NABARD's functions and initiatives focus on the attainment of sustainable development. NABARD's initiatives in the Agriculture, Natural Resources, and Rural Development (ANR) sector have integral components of climate action – both mitigation and adaptation, for vulnerable sectors and communities. NABARD has been playing a key role in channelising climate finance to the nation as the Direct Access Entity (DAE) and the National Implementing Entity (NIE) for major climate funds such as the Green Climate Fund (GCF), Adaptation Fund (AF), and National Adaptation Fund for Climate Change (NAFCC). This role enables NABARD to access and deploy climate finance effectively, driving impactful initiatives that address the pressing challenges of climate change in the agricultural sector.

In a significant stride towards sustainable development, NABARD recently unveiled its Climate Strategy 2030. The strategy is structured around four key pillars: (i) Accelerating Green Lending across sectors, (ii) Playing a broader Market Making Role, (iii) Internal Green Transformation of NABARD, and (iv) Strategic Resource Mobilization. This strategic initiative not only reinforces NABARD's commitment to environmental stewardship but also positions it as a pivotal player in India's transition towards a resilient and sustainable economy.

### 1.6 Way Forward

India has significantly high climate finance needs. NABARD is dedicated to playing its part to expand climate financing in India through a range of financial and non-financial initiatives. Our goal is to promote adoption of innovative and new techniques, and paradigm shifts to build climate resilient agro-ecological livelihoods and sustainable agricultural systems, that are resilient to climate change. The fight against climate change necessitates cooperation, innovation, and a collective commitment to effect change. Currently, it is a crucial time for communities worldwide to expedite climate action before it becomes too late.

## Appendix 1b

### Climate Action & Sustainability

#### 2 Climate Change Scenario – At the State Level

##### 2.1 State Action Plan for Climate Change

aUttar Pradesh, India's most populous states and fourth largest by area (243,286 km<sup>2</sup>), is a landlocked state, sharing borders with nine states and Nepal to the north. Geographically, the state is divided into three regions: the Sub-mountainous region, the Ganga Plain, and the Trans-Yamuna region. The state has a sub-tropical climate with mild winters and hot summers, marked by significant seasonal temperature variations and concentrated monsoon rainfall between June and September. This leads to frequent flooding, especially in Eastern UP, and increasing droughts due to rainfall variability, severely impacting agriculture and triggering rural-to-urban migration. UP is highly vulnerable to climate-induced disasters like floods, droughts, cloudbursts, flash floods, heat and cold waves, and hailstorms, leading to significant loss of life and damage to property and the environment. Over 50 years, UP has experienced 2,539 floods, 17,144 cold wave days, and 6,726 heat wave days. According to the CEEW 2021 report, it ranks 17th in climate vulnerability and has 30 districts highly vulnerable as per ICAR-CRIDA. From 1969 to 2019, the state experienced 2,539 flood events, 17,144 disastrous cold wave days, 6,726 disastrous heat wave days, and 720 lightning days. These challenges demand urgent action for climate resilience, adaptation, and sustainable development, especially as UP continues to progress in the SDG India Index from an Aspirant to a Frontrunner state between 2018 and 2023-24.

bThe Uttar Pradesh State Action Plan on Climate Change (UP SAPCC 2.0) is aligned with India's National Action Plan on Climate Change (NAPCC) and sets out strategies for combating climate change from 2021 to 2030. It proposes 41 strategies and 187 actions across research, policy, and capacity building, with 30% focusing on emission reduction (mitigation), 58% on enhancing climate resilience (adaptation), and 12% combining both. The plan revolves around eight key missions, including the Sustainable Agriculture Mission, aimed at climate-resilient farming; the Jal Mission, focused on water conservation; the Sustainable Habitat Mission for urban development; the Green UP Mission to boost green cover and infrastructure; the Energy Efficiency and Renewable Energy Mission; and the Human Health Mission; the Disaster Management Mission for climate-induced risk preparedness; and the Strategic Knowledge Mission to advance research. UP SAPCC 2.0 requires ₹1,12,204.79 crores, with 72% funded, leaving a 28% budget deficit. This highlights the need for additional resources to ensure comprehensive climate resilience and sustainable development in Uttar Pradesh.

## 2.2 Any specific Climate Change initiative in the State by

**a Govt. of India:** Uttar Pradesh has implemented several central government schemes to combat climate change, including Project Tiger, Integrated Development of Wildlife Habitats, and Project Elephant for wildlife conservation. The National Plan for Conservation of Aquatic Ecosystems, National Afforestation Programme, and National Bamboo Mission focus on ecosystem restoration. Forest management is enhanced through the Intensification of Forest Management and Sub-mission on Agroforestry. Energy and resource efficiency are promoted via Ujjwal DISCOM Assurance Yojana (UDAY), Pradhan Mantri Ujjwala Yojna (PMUY), and Kusum Yojana. Water conservation and cleanliness are addressed by the National Mission for Clean Ganga and Jal Jeevan Mission. Air quality improvement is targeted by the National Clean Air Program (NCAP) and Swachh Bharat Mission. Urban development and sustainability are driven by Mission LiFE, Atal Mission for Rejuvenation and Urban Transformation (AMRUT), and the Smart Cities Mission.

**a ICAR Institutions:** ICAR is working on climate resilience in Uttar Pradesh through the National Initiative on Climate Resilient Agriculture (NICRA), focusing on strategic research, technology demonstrations, capacity building, and competitive grants. The key initiatives include vulnerability assessments, climate-smart agriculture practices, and developing climate-resilient crop varieties. NICRA emphasizes natural resource management, improved crop production techniques, and adaptation strategies for livestock and fisheries. In UP, NICRA has identified climate risks, implemented practices like SRI and SWI, introduced resilient crop varieties, and focused on soil and water conservation. Extensive training programs for farmers and stakeholders and successful field interventions have significantly contributed to building climate resilience in the state's agricultural sector.

**a State Government:** Uttar Pradesh has implemented several central government schemes to combat climate change, including Project Tiger, Integrated Development of Wildlife Habitats, and Project Elephant for wildlife conservation. The National Plan for Conservation of Aquatic Ecosystems, National Afforestation Programme, and National Bamboo Mission focus on ecosystem restoration. Forest management is enhanced through the Intensification of Forest Management and Sub-mission on Agroforestry. Energy and resource efficiency are promoted via Ujjwal DISCOM Assurance Yojana (UDAY), Pradhan Mantri Ujjwala Yojna (PMUY), and Kusum Yojana. Water conservation and cleanliness are addressed by the National Mission for Clean Ganga and Jal Jeevan Mission. Air quality improvement is targeted by the National Clean Air Program (NCAP) and Swachh Bharat Mission. Urban development and sustainability are driven by Mission LiFE, Atal Mission for Rejuvenation and Urban Transformation (AMRUT), and the Smart Cities Mission.

a **NABARD:** NABARD's initiatives in Uttar Pradesh focus on sustainable natural resource management, innovative financial models, and climate change projects. Key efforts include watershed and tribal development projects, climate-smart agriculture, and the JIVA-Agroecology Programme. Financial models like UPNRM and NIDA support renewable energy and efficient irrigation. The Centre for Climate Change at BIRD, Lucknow, enhances stakeholder capacity. Projects under NAFCC and the Tribal Development Fund improve forest ecosystems and sequester CO<sub>2</sub>. The Watershed Development Fund conserves soil and water, with climate-proofing interventions enhancing agricultural productivity.

a **Other Agencies:** Uttar Pradesh has implemented several central government schemes to combat climate change, including Project Tiger, Integrated Development of Wildlife Habitats, and Project Elephant for wildlife conservation. The National Plan for Conservation of Aquatic Ecosystems, National Afforestation Programme, and National Bamboo Mission focus on ecosystem restoration. Forest management is enhanced through the Intensification of Forest Management and Sub-mission on Agroforestry. Energy and resource efficiency are promoted via Ujjwal DISCOM Assurance Yojana (UDAY), Pradhan Mantri Ujjwala Yojna (PMUY), and Kusum Yojana. Water conservation and cleanliness are addressed by the National Mission for Clean Ganga and Jal Jeevan Mission. Air quality improvement is targeted by the National Clean Air Program (NCAP) and Swachh Bharat Mission. Urban development and sustainability are driven by Mission LiFE, Atal Mission for Rejuvenation and Urban Transformation (AMRUT), and the Smart Cities Mission.

## Appendix 1c

### Climate Action & Sustainability

- 3 Climate Change Scenario - At the District Level
- 3.1 Prospects of Climate Action in the District
  - a Vulnerability Score: Jaunpur has a moderate vulnerability score similar to Bhadohi indicating rising temperatures and more frequent extreme weather events. These changes impact agriculture water resources and public health.
  - b Pollution Levels: High levels of pollutants such as PM10 NO2 and SO2 are a concern. The Gomti River flowing through Jaunpur is affected by climate change and pollution worsening water quality issues.
- 3.2 Any specific Climate Change initiative in the District by
  - a Pollution Reduction: Aims to reduce PM10 levels by up to 40 by 2025-26 through measures like enhancing green cover and promoting clean technologies.  
Ganga Rejuvenation: Focuses on reducing pollution and rejuvenating the Ganga River with a budget of ₹20000 crore. Efforts include sewerage treatment river-front development and promoting organic farming along the riverbanks.
  - a Technological Support: Develops and promotes technologies to help farmers cope with extreme weather including drought-resistant crops and sustainable farming practices.
  - a Local Policies: Embeds climate action into local policies and budgets with a "Seven Step Rainbow Approach" to enhance resilience.  
Solar Energy: Policies to boost solar energy production with a current capacity of 2.4 GW and an additional 3.8 GW in the pipeline.  
EV Adoption: Promotes electric vehicle adoption through supportive policies and infrastructure.  
Biomass Utilization: Utilizes biomass for energy production to reduce reliance on fossil fuels.
  - a Climate Change Fund (CCF): Supports awareness-building and innovative climate adaptation and mitigation interventions.  
Centre for Climate Change: Located in Lucknow focuses on knowledge sharing training and capacity building for climate action stakeholders.

## Appendix 2

### Potential for Geographical Indication (GI) in the district

- 1 Geographical Indication (GI) is an Intellectual Property Right (IPR) that identifies goods originating from a specific geographical location and having distinct nature quality and characteristics linked to that location. GIs can play an important role in rural development empowering communities acting as product differentiators support brand building create local employment reduce rural migration creating a regional brand generating spin-off effects in tourism and gastronomy preserving traditional knowledge and traditional cultural expressions and conserving biodiversity.
- 2 NABARD's intervention in Geographical Indications envisages end-to-end support in facilitating pre-registration as well as post-registration activities for Geographical Indications in order to appreciate quality improve market access create awareness strengthen producer's capacity to enforce their rights subsidize cost of registration enforcement and marketing.
- 3 Bhadohi is famous for its hand-knotted carpets known for their intricate designs and craftsmanship. These carpets are a significant GI product from the district contributing to the local economy and preserving traditional weaving techniques.
- 4 The department is actively working to obtain GI tags for various special products from different districts. For Bhadohi the focus is on promoting its famous carpets which can help in boosting the local economy and preserving traditional weaving techniques.

**NAB FOUNDATION**

Leveraging the power of convergence

NABFOUNDATION is a wholly owned, not for profit, subsidiary of NABARD, established under Sec 8 of Companies Act, 2013. The organization draws its strength and experience from the thousands of development projects grounded by its parent body, NABARD, in multiple domains over nearly last four decades.

### WHAT DOES NABFOUNDATION WANT FROM YOU?

#### IF YOU ARE AN INDIVIDUAL

Reach out to us with your ideas about development projects which you believe need to be implemented. We really look forward to your fresh ideas.

#### IF YOU ARE A CSR UNIT

Of a corporate and believe that there is a scope for collaborating with us to have access to the vast network of resources of NABARD in a structured manner, just give us a call.

### IF YOU ARE A CIVIL SOCIETY ORGANIZATION/NGO

With an idea whose time you think has come and have not been able to find willing partners, reach out to us.

#### IF YOU ARE WITH THE GOVERNMENT

And believe that there is a need for reimagining implementation of your Central or State government projects, allow us to be a part of your vision.

**Registered Office:** NABARD, 4th Floor, E Wing, Plot No. C-24, G Block, BKC, Bandra (East), Mumbai-400051
