

2nd Corrigendum to the RFP for “Supply, Installation, Configuration, Testing, Commissioning and Maintenance of Four Units of Checkpoint 6800 Next Generation Firewalls at NABARD’s DC and DR” (RFP No. NB.HO.DIT/1480/DIT-012-1/2019-20) dated 20 January 2020

S. No.	RFP Page No.	Clause No. / Clause Pertaining to	RFP Clause	Revised Clause
1	18	4	The Bank at its discretion may go for Reverse Auction upon which the Commercial Bids submitted will not be opened.	The Commercial Bid of the technically qualified Vendors/Bidders will be opened on the date and time to be notified later. The bidder who has submitted the lowest commercial quote would be declared the L1 Bidder. The work order will be issued to the L1 vendor as per the commercial bid submitted and not through Reverse Auction.
2	18	5,6,7	<p>5. A seed bid will be proposed by NABARD for Reverse Auction. Vendors will participate in the online Reverse Auction.</p> <p>6. After completion of the online Reverse Auction, the L1 Vendor will take a print-out of the final offer from the system and affix the seal of the company and signature of the authorized person on it and shall submit the hard copy to NABARD in sealed envelope.</p> <p>7. The complete steps and process of the Reverse Auction will be shared with the vendors who qualify in technical evaluation.</p>	These points are removed as these pertain to Reverse Auction.
