		and test reports for the four gym equipment indicated as above, instead of either EN certificates or test certificate.	
2	General	The agencies enquired if they could visit the existing Ghatkopar Gymnasium room to see the buyback items before quoting their rates.	As per the NIT 'The bidders were advised to visit the site, conduct survey of the existing conditions so as to familiarize themselves with the nature and scope of works to be carried out and get all clarifications as necessary from NABARD before quoting their rates'.
3	General	In the price bid, it was instructed to indicate the GST value separately in the final row. Additionally, the cost of equipment including GST was also inadvertently indicated.	Vendors are informed to enter the base value (without GST) for the cost of equipment. The sub-head wise aggregate GST for all the equipment should be entered separately in the relevant column.

*** This corrigendum will be part and parcel of the tender.**
