(ii)	Loan disbursed to Joint Liability Groups (JLGs) during the year 2011-12		1700.39
(iii)	Cumulative Joint Liability Groups promoted as on 31 March 2012 (lakh)	3.32	
(iv)	Cumulative loan disbursed to JLGs as on 31 March 2012		2845.68
<b>9</b>	<b>Support from NABARD</b>		
(i)	<b>Capacity building for partner institutions</b>		
	Number of Programmes conducted during 2011-12	5048	10.26
	Number of participants covered during 2011-12	186952	
	Cumulative number of participants trained upto March 2012	2847770	
(ii)	<b>Refinance Support</b>		
	Refinance to banks during 2011-12		3072.59
	Cumulative refinance released upto 31 March 2012		18479.60
(iii)	<b>Revolving Fund Assistance (RFA and Capital Support) to MFIs</b>		
	RFA and refinance outstanding as on 31 March 2012		52.02
	Capital support outstanding as on 31 March 2012		20.89
(iv)	<b>Grant assistance to SHPIs for promotion of SHGs</b>		
	Grant assistance sanctioned during 2011-12		37.95
	Cumulative sanctioned upto 31 March 2012		184.17
(v)	<b>Grant assistance to JLPs for promotion of JLGs</b>		
	Cumulative sanctioned upto 31 March 2012		36.68

**Note :** \* Average loan amount disbursed/SHG worked out to ₹ 1.09 lakh if the disbursements of Andhra Pradesh are excluded

## 1 Introduction

- 1.1 The initiative of 1992 to make the traditional and formal banks to extend financial services to deprived sections through informal Self Help Groups (SHGs), has now blossomed into a “monolith” micro Finance initiative. It has been recognised as a decentralised, cost effective and fastest growing microFinance initiative in the world, enabling over 103 million poor households’ access to a variety of sustainable financial services from the banking system by becoming members of nearly 8 million SHGs. The linkage with banks has provided the members of the Groups the facility of not only pooling their thrift /savings and access to credit from the banking system, but also created a platform through which they could launch a number of livelihood initiatives and also facilitate the empowerment process.
- 1.2 While the first decade of the programme was meant to demonstrate the potential of SHGs to organise themselves and be instrumental in managing their own savings and extending emergent micro credit needs, the second decade laid emphasis on establishing the replicability of the model across the regions, with focus on resource poor regions of the country. This decade also witnessed greater confidence among the financing banks to “own” up the programme as a potential business model thereby extending its outreach to the current level. The development planners including the Government of India and the State Governments also recognised the real potential of the SHG movement in development of the poor and it was made an essential ingredient of all poverty alleviation programmes of the Government. Even the private sector started realising the untapped potential of SHGs for deep penetration to the emerging rural markets. The turbulence witnessed in the microFinance sector in the recent past due to the mushrooming growth of microFinance Institutions (mFIs) and their questionable ways in which they went ahead in extending their outreach and credit intensification, could not make any significant dent in the popularity of the SHG-Bank Linkage Programme.
- 1.3 The small beginning of linking only 500 SHGs to banks in 1992, had grown to over 0.5 million SHGs by March 2002 and further to 8 million SHGs by March 2012. From almost 100% of the SHGs linked to Banks at the pilot stage from southern states, the share of southern States in the total number of SHGs linked shrank to 46% by March 2012, while the share of eastern States (especially, West Bengal, Odisha, Bihar) shot up to over 20%. The third decade of the programme promises to be one of maturing the linkage programme with livelihoods support, lot more innovations in the product range offered through SHGs and path breaking reforms in leveraging technology to improve efficiency, while extending its outreach to more geographical regions, especially the most resource poor regions of the country. It is widely believed that the SHGs of the poor will be the vehicles leading the march of India’s emergence as a super economic power in the next decade. A number of countries, especially the developing countries and international agencies are turning to India to learn from its experiments with microFinance and to explore possibilities of replication of the model in other parts of the globe.
- 1.4 Together the 8 million SHGs of the poor maintain a balance of over ₹6550 crore<sup>1</sup> in the Savings Bank accounts with the Banks, while they are estimated to have harnessed savings of over ₹22000 crore of which nearly 70% (over ₹15000 crore) goes for internal lendings. Over 4.4 million SHGs are regularly availing credit facilities from the Banks. During 2011-12 alone, over 1.15 million Groups availed loans amounting to ₹16535 crore from Banks and together 4.4 million Groups have loans to the extent of ₹36340 crore outstanding against them with the financing banks as on 31.3.2012. As the credit availed by the Groups along with their internal savings are revolved many times within

<sup>1</sup> 1 Crore = 10 million

the group for shorter durations, the multiplier effect makes the process much larger than the basic figures indicate.

1.5 NABARD had been publishing data on microFinance in India every year along with an analysis of the data compiled through various stakeholders like partner NGOs, financial institutions, Government Departments, etc. and this publication and data contained therein are based on returns submitted by participant banks covering Commercial Banks, Regional Rural Banks (RRBs) and Cooperative Banks. In addition to the analysis of data on the extent of savings harnessed by the SHGs, credit availed by SHGs across agencies and across the geographical spread, the publication also highlights the facilitating role played by NABARD in further refining the SHG-Bank linkage programme by bringing in more stakeholders into this sector, helping it to extend its outreach to more unbanked areas and by extending the scope of financial services rendered through such groups. The publication also highlights a brief of the discussions at a National Colloquium organised during the year with participation from different stakeholders soliciting issues connected with the design of the SHGs, a few pilot innovations made by NABARD, product innovations to support livelihood groups (JLGs) etc.

## 2 Progress under microFinance during 2011-12

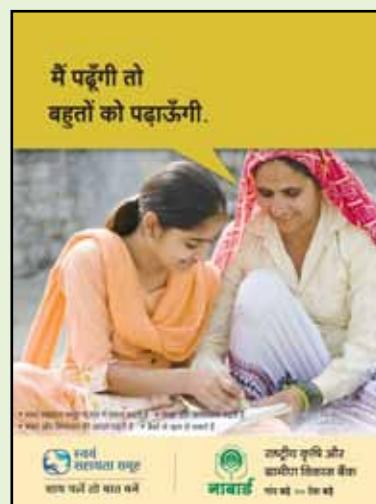

2.1 An update on micro Finance as at the end of March 2012 is being presented in 3 different sections. The progress under the SHG-Bank linkage programme has been covered in the first part, while the activities of mFIs has been covered in the second part. Various innovative initiatives and support services like capacity building of all stakeholders of micro Finance programme etc. is covered in the third part. Maps detailing SHG coverage ratio in ten priority States is covered in the final part. More detailed statistical information on the progress of these activities have been presented at the end of the report.

### SHG-Bank Linkage Programme

Detailed analysis of the SHG-Bank Linkage Programme across the geographical spread of the country and across the financing agencies is being presented in this section. The analysis covers the broader components of the programme, namely inclusive growth, savings, loans and the recovery performance. Table-1 gives the growth of SHGs – saving as well as credit linked—for the last 3 years, separately for all Groups, Groups formed under SGSY and exclusive Women Groups.

2.2 Under the SHG-Bank linkage programme, over 103 million rural households have now access to regular savings through 7.96 million SHGs linked to banks. About 27% of these SHGs are savings linked through the SGSY programme – the rural poverty alleviation programme of the Government of India where predominantly households below the poverty line are admitted as members.

There has been a decline in the amount of savings balance with banks to the extent of 6.7% as compared to the previous year although the number of SHGs saving linked has shown a growth of 6.7% during the year. This decline is almost entirely attributable to the groups formed under SGSY where the decline was to the extent of 23.2%. Increasing awareness at the SHG level about the advantage of using the savings for internal loaning is also partly responsible for the decline in saving balance with banks.

**Table-1: Overall Progress under SHG-Bank Linkage for last 3 years**

(Amount ₹ in crore/ Numbers in lakh)

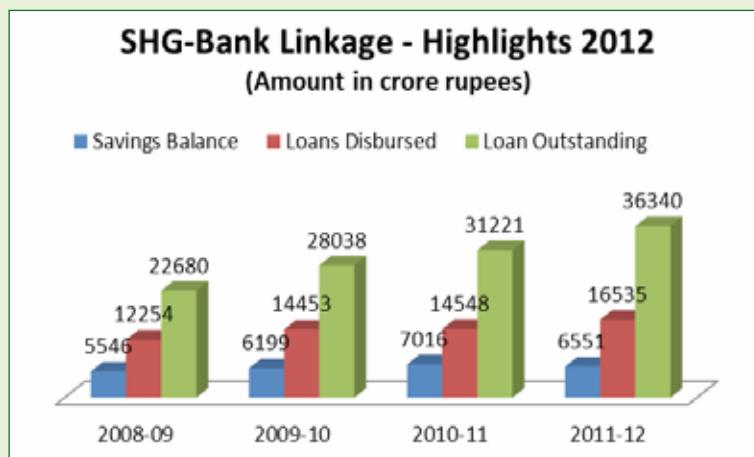

Particulars		2009-10		2010-11		2011-12	
		No. of SHGs	Amount	No. of SHGs	Amount	No. of SHGs	Amount
SHG Savings with Banks as on 31 <sup>st</sup> March	Total SHGs	69.53 (13.6%)	6198.71 (11.8%)	74.62 (7.3%)	7016.30 (13.2%)	79.60 (6.7%)	6551.41 (-6.7%)
	Of which SGSY Groups	16.94 (12.5%)	1292.62 (-17.3%)	20.23 (19.4%)	1817.12 (40.6%)	21.23 (5.0%)	1395.25 (-23.2%)
	% of SGSY Groups to Total	24.4	20.9	27.1	25.9	26.7	21.3
	All women SHGs	53.10 (9.18%)	4498.66 (1.46%)	60.98 (14.8%)	5298.65 (17.8%)	62.99 (3.3%)	5104.33 (-3.7%)
	% of Women Groups	76.4	72.6	81.7	75.5	79.1	77.9
Loans Disbursed to SHGs during the year	Total SHGs	15.87 (-1.4%)	14453.3 (17.9%)	11.96 (-24.6%)	14547.73 (0.01)	11.48 (-4%)	16534.77 (13.7%)
	Of which SGSY Groups	2.67 (1.0%)	2198 (9.1%)	2.41 (-9.9%)	2480.37 (12.8%)	2.10 (-12.9%)	2643.56 (6.6%)
	% of SGSY Groups to Total	16.9	15.2	20.1	17.0	18.3	16.0
	All women SHGs	12.94 (5.8%)	12429.37 (18.1%)	10.17 (-21.4%)	12622.33 (1.6%)	9.23 (-9.2%)	14132.02 (12.0%)
	% of Women Groups	81.6	86	85	86.8	80.4	85.5
Loans Outstanding against SHGs as on 31 <sup>st</sup> March	Total SHGs	48.51 (14.8%)	28038.28 (23.6%)	47.87 (-1.3%)	31221.17 (11.4%)	43.54 (-9.0%)	36340.00 (16.4%)
	Of which SGSY Groups	12.45 (27.5%)	6251.08 (6.6%)	12.86 (3.4%)	7829.39 (25.2%)	12.16 (-5.4%)	8054.83 (2.9%)
	% of SGSY Groups to Total	25.7	22.3	26.9	25.1	27.9	22.2
	No. of all Women SHGs linked	38.98 (18.9%)	23030.36 (23.9%)	39.84 (2.2%)	26123.75 (13.4%)	36.49 (-8.4%)	30465.28 (16.6%)
	% of Women SHGs	80.3	82.1	83.2	83.7	83.8	83.8

The number of saving linked SHGs now stands at 7.96 million with a membership of over 103 million poor households. While bulk of these savings is used for internal lending within the Group (over 70%), the balance is maintained in the savings accounts with the financing banks. Over 79% of SHGs linked to banks are exclusive women groups, which is one of the most distinguishing features of microFinance sector in the country.

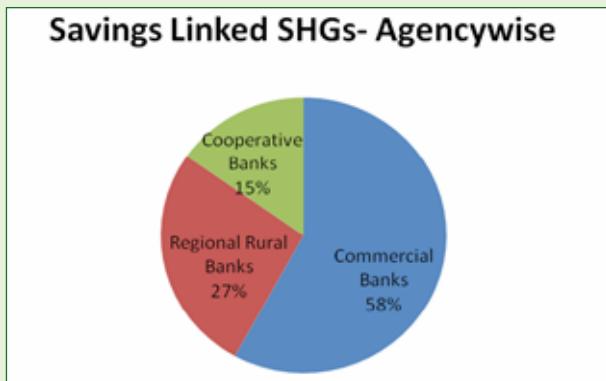

The balance in the savings accounts of the banks as at the end of March 2012 stood at ₹6551.41 crore. Among the major States, Karnataka SHGs maintain the highest S.B. balance of over ₹16000 per SHG followed by Punjab of nearly ₹12500 per SHG. Among the regions, southern region is highest at ₹10080 per SHG and northeastern region recorded the lowest balance of ₹4159 per SHG. On an average, the SHGs maintain a balance of ₹8230. Commercial Banks account for 58% of the savings account maintained by SHGs and RRBs 27% and Cooperative Banks the remaining 15%.

Fig.1 shows a graphical presentation of the savings, fresh loans and the loan outstanding of SHGs with Banks for the last 4 years

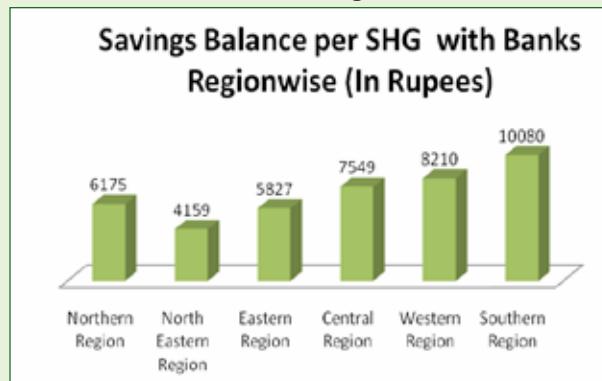

**Fig.1 SHGs as on 31.3.2012 – Savings and Credit**

**Fig.2 : Saving Linked SHGs(Number) :  
Agency wise**

**Fig.3 : Average Savings Balance of SHGs  
with Banks- regionwise**

Further, over 4.36 million SHGs have now access to direct credit facilities from the banks and the total bank loans outstanding against these groups is over ₹36340 crore as on 31 March 2012 i.e. an average of ₹83500 per group. About 1.15 million SHGs were extended fresh loans to the extent of ₹16535 crore during 2011-12 by all banks averaging ₹1.44 lakh per group. Although fresh lending to SHGs during the year showed an increase of 13.7% over last year, the steady decline in the number of SHGs being extended fresh loans by banks for the last 3 years is a matter of concern.

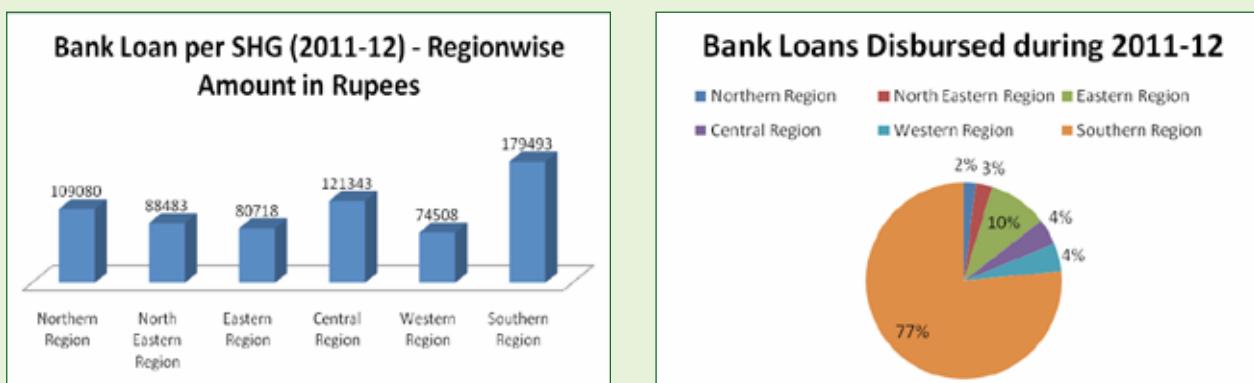

Number of SHGs having outstanding loans with banks is also showing a decline partly due to the continued decline in the number of SHGs being extended fresh loans by banks for the last 3 years. Statement I-A to I-E appended indicate the overall progress under the SHG-Bank and mFI-Bank Linkage Programme as on 31.3.2012.

#### Credit velocity in SHGs

SHGs facilitate their member households first to pool their thrift/savings and then use these and borrowed resources from banks to give out small loans to needy members. With repayments collected at shorter intervals at the member level (intra-SHG transaction), loans are again given out to its members. Thus, the approach serves to recycle loans within the group, as the bank loans are often taken for longer duration. A sample test check of such credit turnover, within SHGs suggests that the credit taken from banks are often churned over about 1.5-2 times before it is fully repaid to bank, that too well before the due dates. Thus, the credit issued by the banks to SHGs could serve as a multiplier i.e. in the year 2011-12 the credit disbursed to SHGs by banks is about 16000 crore, while the actual impact of the credit disbursed is likely to the tune of over ₹24,000 crore.

2.3 While the quantum of fresh loans issued to SHGs by banks rose by 13.7% during the year to ₹16535 crore (to 11.48 lakh SHGs) as against ₹14548 crore disbursed last year (to 11.96 lakh SHGs), the number of SHGs obtaining fresh loans from banks during the year declined by 4%. What causes more concern is the fact that the number has been declining during the last 3 years, though the rate of decline has come down from nearly 24% last year to 4% this year. Kerala, West Bengal and Odissa reported maximum decline in the number of SHGs being extended fresh loans during the year. The average size of fresh loans extended ranged from ₹1.80 lakh per SHG in the southern region (₹1.5 lakh last year) to ₹0.75 lakh in the western region (the lowest average was ₹0.65 lakh for eastern region last year). The average loan size across the regions was ₹1.44 lakh per SHG. Considering that on an average 80% of the SHG members avail loan at a time, the average per member loan issued works out to ₹14000. Among the financing banks, Commercial Banks and RRBs extended loan of ₹1.65 lakh on an average per SHG while cooperative Banks lent ₹0.65 lakh only per SHG. While Commercial Banks accounted for 63% of the savings balance of SHGs, their share in fresh lending to SHGs was only 60% whereas RRBs with a Savings share of only 20% accounted for 30% of the fresh loans issued during the year. This is suggestive of cautious attitude of the Commercial Banks in lending for SHGs as compared to RRBs.

**Fig: 4 : Loans Issued to SHGs during 2011-12**

Statements II B and Statement IV indicate the Bank wise and State wise position of fresh lending to SHGs by banks during 2011-12

2.4 The number of SHGs having loans outstanding against them from banks declined by 9% during the year to 43.54 lakh as against 47.87 lakh last year although the quantum of loans outstanding increased to ₹36340 crore (16.4% increase over last year). Partly the decline can be attributed to the continued decline in the number of SHGs being extended fresh loans by banks over the last 3 years. All states except Karnataka, Himachal Pradesh and Puducherry in the southern region recorded decline in the number of SHGs having outstanding loans. Average amount of loan outstanding ranged from ₹47000 per SHG in eastern and western region to ₹1.08 lakh in the southern region. The average loan outstanding across the regions works out to ₹0.83 lakh per SHG. Among the States, all southern states averaged about ₹1.07 lakh (Karnataka being the highest at ₹1.30 lakh per SHG) or above per SHG while Gujarat recorded the lowest average of ₹ 24000 per SHG. Among the agencies, Commercial Banks had an average outstanding loan of ₹1 lakh per SHG while RRBs had ₹0.67 lakh and Cooperative Banks ₹0.43 lakh. Considering that substantial portion (nearly 70%) of the savings from the members of SHGs also goes for internal lending besides the outstanding credit from the banks ; the total pooled resources outstanding at the members' level can be pegged at over ₹51000 crore.

## SHG2 : Revisiting the SHG-Bank Linkage programme : National Colloquium

"Two decades of SHG-BLP has witnessed vast changes in the way information, knowledge and guidance is accessed by the SHG members; poor perceive an urgency in taking up better livelihood activities, redefining the activity basket itself in the light of raising income levels & higher aspirations. There is a need to reorient programme goals and tools to internalise the changes in the environment so as to continue its relevance to poor."

"SHGs help the banks to generate new businesses like housing, pension schemes, insurance, etc. and hence the need for banks to help SHGs and its members to access banking services."

**Dr. Prakash Bakshi,  
Chairman, NABARD**

"Audit of SHG accounts is desirable & could be done by third party for a nominal fee. In fact audit by community resource persons, Federations or the SHPI is the most favoured mode."

**Mr. Selvam Veeraraghavan,  
General Manager, Indian Bank**

"Need to bring SHG portfolio on platform of alternate channels like Business Correspondents to ensure banking footprints in remote areas and for the most vulnerable section of the society."

"Community representation in the form of Bank Mitras, can act as a connect between the SHG movement and the community at large."

**Mr. A.K. Chaudhary, IAS,  
CEO, Bihar Rural Livelihood Programme**

"SHGs should not be just about finance; there is a need to encourage groups to form producer collectives– to organise livelihoods." "Financing of SHGs to be a integral part of the cooperative banks reform programme."

"Goal oriented savings products needs to be introduced for members of SHGs."

**Mr. N. Srinivasan,  
Dev. Consultant**

"Banks should facilitate opening of individual accounts by SHG members, to park their savings. Technologies and door step banking should be used to tap savings."

**Mr. H.M.B. Murthy,  
Nageshwara Charitable Trust**

"Opening a savings account is a difficult proposition–there is a need for a gender sensitive KYC norms for women members of Household to open Bank Accounts".

**MR. SAMPATH KUMAR, IAS,  
CEO, RGMVP**

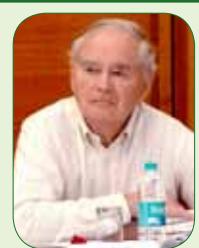

"There is a need for more savings avenues with banks for SHG members." "Safety of savings most important to the poor."

**Prof. M.S. Sriram  
of IIM, Ahmedabad**

"Use of technology for SHG book keeping allows ease of monitoring by all concerned."

**Smt. P. Amuda, IAS,  
Managing Director,  
Tamil Nadu Women's  
Development Corporation**

"Poor need safer savings and neither SHGs nor federations are as safe as banks."

**Prof. Malcolm Harper,  
Consultant**

"Voluntary and Compulsory savings of SHG members to be treated separately for healthy group dynamics and equity among SHG members."

"There is a need to separate the microfinance groups and livelihood groups from SHGs."

**Smt. Sarada Muralidharan, IAS,  
Ex-Director of Kudumbashree**

## **Development and policy initiatives:**

### **1. SHG 2 Guidelines**

Revisiting the SHG-Bank linkage guidelines issued two decades back, NABARD, issued revised guidelines after holding numerous rounds of discussions with various stakeholders. The key changes in the guidelines include allowing voluntary savings for SHG members either by opening individual bank accounts/reviving existing “no frill accounts” or by depositing the voluntary savings within the SHG corpus without any additional entitlements. The approach is intended to facilitate SHG members to steadily graduate from community banking to individual banking. The second key feature of SHG 2 is about extending initial loans to SHG as flexible cash credit facility instead of term loans. The limits are granted based on the estimated savings potential of the SHG for the ensuing 3-5 years while actual operation of the limit is to be based on actual savings harnessed. The guidelines also suggests creation of enterprise/livelihood based groups (JLGs) within the SHGs as a separate entities without disturbing the functioning of SHGs; while higher loan requirements for a few enterprising members could be accessed through JLGs. The guidelines also suggest risk mitigation mechanisms like audits, ratings and also about leveraging active members of SHGs to serve as Business Facilitators for helping the bank monitor the functioning of SHGs.

### **2. Intensifying SHG promotion in backward & Left Wing Extremism affected districts.**

Programme envisages positioning an anchor NGO in each of the 150 backward districts of the country for promotion and financing of Women SHGs. The project envisages a tie up with atleast 2 bank branches in each block of the district for financing the SHGs promoted. The role of the partner NGO is expected to be for longer term and not merely for promoting and enabling credit linkage of these groups, but also for serving as a business facilitator, tracking, supporting livelihoods and also being responsible for loan repayments. Besides, providing the partner NGO support for promotion of SHGs, a Service Charge of 5% p.a. of average loan outstanding is to be levied from clients for continued handholding the SHGs by the anchor NGO. Promotional support to anchor NGOs will be funded by NABARD out of WSHG Development Fund of ₹100 crore created for the purpose.

### **3. SHG Federations as Self Help Promoting Institutions**

Realizing the inherent strengths of SHG federations being associated entities and having a clearer understanding of SHG members needs, aspirations as also nuances of SHG functioning; a scheme to facilitate Federations to serve as SHPI for formation and credit linking of SHGs with the banks with grant assistance from NABARD was introduced during the year.

### **4. PACS as Self Help Promoting Institutions**

A scheme to encourage Primary Agriculture Cooperative Society (PACS) to function as SHPI for promotion and nurturing of SHGs was introduced during the year. Besides, forming SHGs and facilitating its savings and credit linkage directly or through branches of the affiliated DCCB, the PACS are expected to improve their business and their client outreach. The approach is also expected to improve the participation of cooperative banks share in the SHG-Bank linkage programme and also lead to its improved business and profitability of PACS.

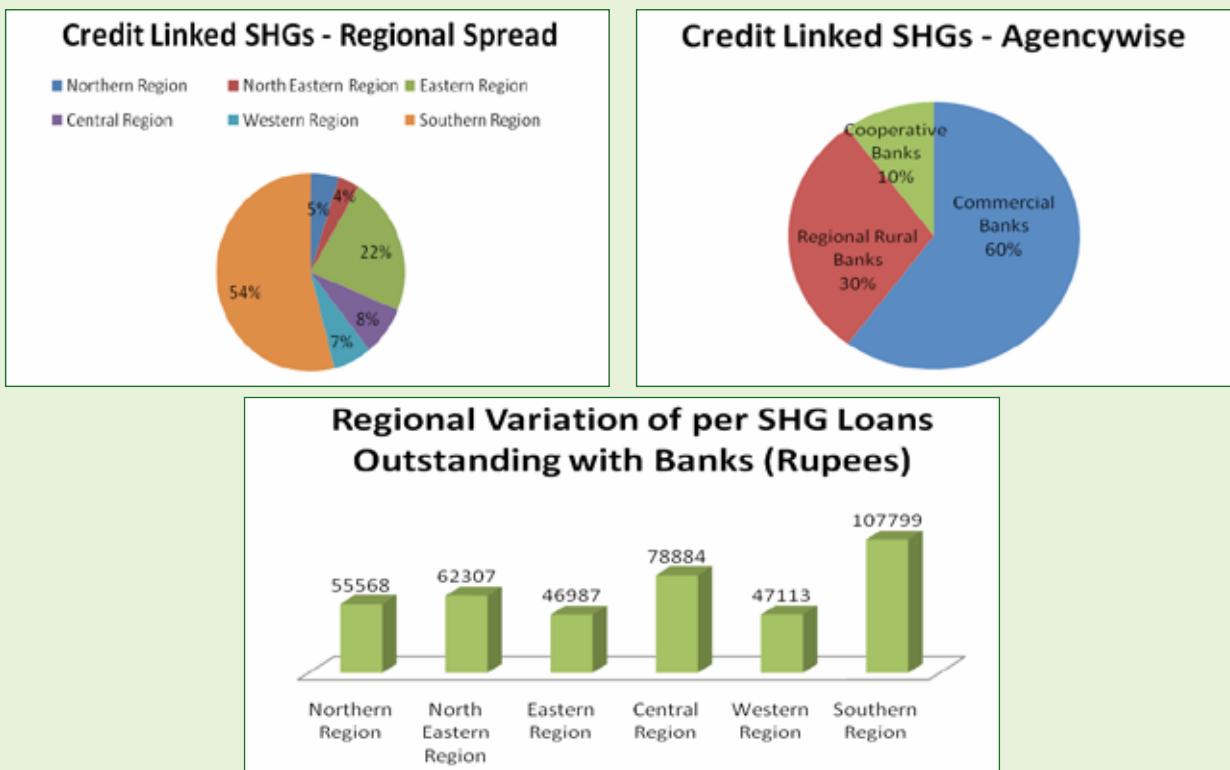

### **5. Posting MicroFinance anchor persons for SHG intensification**

A pilot programme, with the objective of strengthening the Self Help Group movement, is being implemented across 25 resource poor districts from 10 priority states of the country. The programme aims at leveraging the services of retired bankers by placing them as District Micro Finance Anchor Persons (DMAP). The role of the DMAP in the district will be to prepare a road map for promotion of SHG-BLP, to establish a SPIN (Self Help Institutions Network), facilitate conduct of training programmes for SHGs, facilitate better MIS & document success and failure stories, serve as anchor resource person for SHG-BLP and facilitate promotion of livelihoods, etc.

### **6. Action Research in facilitating voluntary savings in SHGs**

The sources of income for SHG members are predominantly seasonal in nature. At the same time major part of their expenditure habits are routine in nature coupled with occasional contingencies. With the objective of gathering some leads on the propensity of the SHG members’ habit to save for meeting their future financial needs and the extent to which the available banking services and their products can meet such aspirations, an action research pilot on voluntary savings is being implemented across ten districts in five states of the country viz. Chhattisgarh, West Bengal, Maharashtra, Tamilnadu and Kerala. The pilot will cover about 500 members from 50 matured SHGs from these states. The pilot entails carrying out the need mapping of the SHG members, enabling a suitable framework for them to save beyond their compulsory group savings amount, suggesting suitable financial products for meeting their future needs, imparting financial education to the members and studying the impact of the process over a period of one year.

**Fig.5 : Details of credit Linked SHGs**

Statement II C and Statement V indicate the Bank wise and State wise position of the loans outstanding against the SHGs as on 31 March 2012.

2.5 The increase in NPA against loans to SHGs continued to escalate during the current year as well. In absolute terms, the gross NPA against loans to SHGs increased from ₹1474 crore at the end of March 2011 to ₹2213 crore by March 2012. In percentage terms it increased from 4.72% last year to 6.09% during the current year. It was only 2.9% during 2009-10. This is a matter of concern for the microFinance sector and the causes for the declining performance of recovery are to be analysed and remedial action initiated urgently. The total gross NPA against loans to SHGs stood at ₹2212.74 crore as on 31.3.2012 against the total outstanding loan of ₹36340 crore. Among the regions, southern region with a NPA of 4.98% (3.79% last year) was the lowest while Central Region with an alarming 13.2% (10.7% last year) was the highest. What causes grave concern is the high NPAs in major states like Uttar Pradesh (12.5%), Odissa (11.9%), Tamil Nadu (9.6%) and Kerala(9%). Table 2 and 3 illustrate the comparative position of NPAs against loans to SHGs by banks during the last 3 years while Fig 6 and 7 gives the graphical presentation of the NPA position.

**Table-2: Agency wise NPAs of Bank Loans to SHGs**

(₹ crore)

Agency	Loans Outstanding against SHGs- Position as on			Amount of NPAs as on			Percentage of NPAs to Loan Outstanding as on

### 3. mFI-Bank Linkage Programme

mFIs act as an important conduit for extending financial services to the micro finance sector in the country by raising resources from Banks and other institutions. mFIs could be (i) NGO mFIs – registered under the Societies Registration Act, 1860 or the Indian Trusts Act, 1880 (ii) Cooperative mFIs – registered under the State Cooperative Societies Act or Mutually Aided Cooperative societies Act or Multi State Cooperative Societies Act (iii) NBFC mFIs incorporated

## ICT initiatives commenced by the Department during the year 2011-12

### 1. Mobile Based Accounting system for SHGs

NABARD has initiated a pilot project on SHG bookkeeping project for 100 SHGs in Tamil Nadu, using mobile handsets. The application is expected to help SHGs to maintain their financial transactions electronically in the local language and allows ease of monitoring to all stakeholders. SHG transactions are entered through the mobiles owned by SHGs. Besides the financial transactions, attendances etc are also captured through this mechanism. The other stakeholders including SHPI /Bank /NABARD could generate MIS report on a regular basis through a web access or through automated e-mail system. SMS updates are sent to every member of the group on weekly basis to ensure smooth running of the group.

### 2. Tablet PC Based Accounting system for SHGs

This is a web cum tablet enabled SHG bookkeeping solution being piloted in 100 SHGs in Maharashtra state. The tablet will be used by field staff of NGOs to maintain and update SHG's data and it would facilitate the monitoring of SHGs. SHG can also access copies of financial transactions, final accounts etc on payment of nominal fees. The pilot also intends to work out a revenue model for such field staff. Various graphical as well as analytical reports can be generated which helps to monitor the particular SHG at micro level. All the SHG members and cooperative bank personnel who have promoted the groups have been trained and have started using the Tablet.

### 3. E-bookkeeping through POS/ handheld device

This is yet another ICT enabled bookkeeping endeavor for SHGs using handheld devices which are normally used for electronic ticketing. The device will capture the accounting and book keeping aspects of SHGs and generate no. of reports which can be printed instantly. The data can also be transferred to a PC and reports can be generated. SHG members can know their savings, loan outstanding, bank balance etc. It is being implemented on a pilot basis in Uttar Dinajpur district of West Bengal.

### 4. Web Based MIS for tracking SHPI-partners

A web-based application for monitoring the progress of all SHPIs partners provided with grant assistance by NABARD for promotion of SHGs has been launched by NABARD. The website ([www.nabardshg.in](http://www.nabardshg.in)) will help electronic updation of progress on real time basis by SHPI and help monitoring the progress of all SHPI projects. The SHPIs will be required to register themselves in the website and also gain access to guidelines, tool kits, study materials etc.

## Enabling micro enterprises and facilitating livelihoods

After receiving training in animal husbandry the SHG convinced the local banker for a small loan for every member of an SHG for dairying. Realising that private milk vendors are exploiting the dairy farmers, they decided to takeover a defunct Milk society in the area and started collecting milk from all members and sell it to the Apex Milk Cooperative Federation. The individual member's daily income shot up from ₹50 to ₹84 daily and with it came a hope for the future of their family for a better standard of living, better education for the children and equally important is the transformation it brought about in the social status of the women members in the family and in the community. Today, the entire village is rejoicing at the success of these women in the village.

12 members of an SHG (Suthandiram) in Karur district, now successfully run a aerated soda unit 'Ganapathy Soda; which has for itself gained a brand name in the area. This thriving group enterprise is being undertaken after group members' confidence received a boost after availing an initial loan from bank for asset purchases and acquiring small livestock units in their families with the first loan from the SHG.

Sulochana Mahila SHG in Silora Panchayat in Rajsathan is one of fighting against all odds and making a mark as poor rural women grooming as real entrepreneurs. The composition of this group in itself is unique as it consists of Jats, Brahmins and Baniyas working together for common good. Their village being very backward with not many natural endowments to bank upon, they had limited livelihood options to resort to supplement their income. The SHG started grinding small quantities of spices like turmeric, coriander and red chillies and marketing the powder in the local market. With the scale of operation being tiny and without resorting to technology, their profit margins were meagre and market highly tilted against them. With members given technical training in agro-processing and a larger loan the group is now engaged in sorting, cleaning, processing, weighing, packing and marketing functions and together they could service the local markets of Ajmer and Pushkar and soon their turnover started showing a steady upward leap. Today, every member of the Group earns atleast ₹2500 p.m. from this group activity while the consumers are assured of quality products.

One of the key challenges which SHGs and members face is marketing. A simple solution of setting up a kiosk at the University campus offered a great relief for the SHG member, whose average daily sales went up by about ₹1000/- with a profit ranging to ₹300-400 per day.

under Section 25 of Companies Act, 1956 ( These NBFCs are working “not for profit”), (iv) NBFC mFIs incorporated under the Companies Act, 1956 and registered with RBI.

In addition to their internal resources, these mFIs seek and obtain bulk loans from Banks/ other Financial Institutions for providing micro credit. Though most of these mFIs entered the micro finance sector only after the SHG-Bank linkage programme was well entrenched, the turnover of these institutions grew at a much larger scale than the former. They were more aggressive and innovative in reaching out to the rural poor than the formal banking system. Of late, however, the functioning of these institutions (mostly “for profit” NBFCs) were being subjected to closer public scrutiny on account of alleged unethical business practices and questionable recovery practices. These developments resulted in Andhra Pradesh Government promulgating an ordinance to severely restricting their lending operations and recovery mechanism. As a result, the lending operations of these institutions virtually came to a halt not only in AP where most of their lending operations were concentrated but in other areas as well while the recovery of loans nose-dived. The Reserve Bank of India has since notified guidelines for the lending operations of mFIs based on the Malegam Committee recommendations. A new class of financial organisations named as NBFC- mFIs has been created and subject to certain conditions regarding the capital to be employed, lendings to SHG members, cap on interest to be charged and margin to be retained, etc. the loans extended to these NBFC-mFIs by banks now qualifies for priority sector loan.

**The Progress under mFI-Banks linkage programme during the last 4 years is shown in Table-4 below:**

**Table-4: Progress under mFI-Bank Linkage Programme**

( ₹ crore )

Particulars	2008-09		2009-10		2010-11		2011-12	
	No. of mFIs	Amount	No. of mFIs	Amount	No. of mFIs	Amount	No. of mFIs	Amount
<b>Loans disbursed by banks to mFIs</b>	581 (12.2%)	3732.33 (89.4%)	779 (34%)	10728.50 (187.4%)	471 (-39.5%)	8448.96 (-21.3%)	465 (-1.3%)	5205.29 (-38.39%)
<b>Loans outstanding against mFIs as on 31 March</b>	1915 (72.7%)	5009.09 (82.2%)	1659 (-13.4%)	13955.75 (178.6%)	2315 (39.5%)	13730.62 (-2.0%)	1960 (-15.3%)	11450.35 (-16.6%)
<b>Fresh loans as % of Loan Outstanding</b>		74.5		76.9		61.5		45.5

**Note:** Actual number of MFIs availing loans from Banks would be less than the figures shown as most of mFIs avail loans from more than one Bank.

The fact that Commercial Banks (and financial institutions like SIDBI) are losing their confidence in lending to mFIs is evident from the fact that the fresh lending to mFIs by banks during the year declined by over 38% as compared to last year. There has also been a marginal decline in the number of mFIs availing fresh loans from Banks inspite of the fact that the loan outstanding against mFIs has come down by almost 17% during the year. If the trend continues, this sector is likely to face serious resource crunch and could affect its outreach plans in the near future. The Regional Rural Banks on the other hand have increased their lendings to mFIs during the year, while, reducing the outstanding loans although they still remain an insignificant player in this arena. The agency wise details of loans extended to mFIs are shown in Table-5 below.

**Table-5: Loans to mFIs by Banks/Financial Institutions**

Financing Agency	Period	Loans disbursed to mFIs during the year		Loan outstanding against mFIs as on 31 March	
		No. of mFIs	Amount (₹crore)	No. of mFIs	Amount (₹crore)

#### 4. NABARD as Facilitator of microFinance

Besides, conceiving the SHG-Bank Linkage Programme two decades back, NABARD had assigned to itself the role of a facilitator and a mentor of the initiative. The focus was on bringing in various stakeholders on a common platform, building capacity among the stakeholders to take the movement forward while extending 100% refinance to all banks participating in the programme. A large number of seminars, workshops and training programmes were organised to create awareness about the microFinance programme among all the stakeholders – the bankers, the Government agencies, the NGO partners and more importantly the SHG members. The NGO sector who played the key role of organising and nurturing the SHGs as the Self Help Promoting Institutions – later joined by many others including the rural financial institutions, Farmers Clubs, etc. – were encouraged by way of promotional grant assistance by NABARD for taking up such work. The phenomenal growth of SHG-Bank linkage programme during the last 20 years owe a great deal to these promotional efforts actively supported by NABARD and participated by the stakeholders. The rapid growth of the SHG linkage programme and its success in taking financial services to the poor, led to its recognition as the most important tool for financial inclusion – the main focus of the XI Five Year Plan. Simultaneously, efforts were also on to experiment innovative initiatives in improving the efficacy and reach of the programme with the involvement of all microFinance practitioners facilitated by NABARD. A glimpse of the facilitator role played by NABARD, the ICT initiatives taken, policy changes etc in this sector during 2011-12 is narrated in the following paras and text boxes:

##### 4.1 Refinance to Banks

During the initial years of the movement NABARD was extending refinance to the extent of 100% to banks for lending to SHGs since the SHG-Bank Linkage Programme was launched. Initially, this was intended to encourage the banks to actively participate in the programme. As the banks gained confidence in lending to SHGs and realised the business potential in extending financial services through SHGs, they have been increasingly deploying their own resources in a mutually beneficial relationship with the SHGs. SHGs had been instrumental in bringing in more business for the financing banks by way of improving credible client base, also promoting rural and inclusive banking. Banks have also extended other financial services like remittance, housing, insurance, etc, though in a limited way, to this segment. As a result, the banks have started “owning up” the movement, as a sound business proposition and became less dependent on promotional support from NABARD. The gap between the total loans issued by banks to SHGs and the refinance extended by NABARD for such loans started widening as a result as would be seen from the graph shown (Fig.8). The refinance support from NABARD, however, continues to supplement resource mobilisation for the programme. During 2011-12, NABARD extended refinance to the extent of ₹3072.59 crore as against ₹2545.36 crore disbursed during the previous year. Cumulative disbursement of refinance by NABARD for SHG lending now stands at ₹18479.60 crore.

**Fig.8 : Loans Issued to SHGs by Banks and NABARD Refinance**

#### **4.2 microFinance Development and Equity Fund**

The micro-finance Development and Equity Fund (mFDEF) is being utilised for promotion of various micro-finance activities such as formation and linkage of SHGs through SHPIs, training and capacity building of stake holders, livelihood propagation, studies, documentation, etc. During 2011-12, ₹33.31 crore was released of which ₹28.68 crore was grant support for promotional activities and ₹4.63 crore for capital support and lending resources to mFIs. As against a total corpus of ₹200 crore contributed by RBI, NABARD and commercial banks, the actual (cumulative) utilisation of the fund stood at ₹278.31 crore as on 31 March 2012. NABARD has been augmenting this fund from its own resources and has also been crediting interest on the unutilised portion of this fund. There have been no further receipts forthcoming from other contributors of this fund.

#### **4.3 Support for training and capacity building of microFinance clients**

NABARD has been continuously imparting training to various partners and stakeholders of SHG-Bank Linkage Programme such as bankers, NGOs, government officials, SHG members and trainers. During 2011-12, about 1.87 lakh officials of various agencies participated in NABARD supported training programmes and exposure visits and cumulatively 28.48 lakh officials have been trained. NABARD in association with GIZ has initiated the process of revising the content, coverage of training modules. Training needs of all the stakeholders are being assessed for the purpose. The region wise position of support extended by NABARD for training and capacity building is given in Statement – VIII.

#### **4.4 Grant Support to Partner agencies for Promotion and Nurturing of SHGs**

Ever since the SHG-Bank Linkage Programme was launched by NABARD, the Self Help Promoting institutions (SHPI) such as NGOs, Banks (RRBs, DCCBs), Farmers Clubs and Individual Rural Volunteers (IRV) are being extended grant support to organise and nurture SHGs of the poor. In fact, the phenomenal growth of SHG-Bank Linkage Programme in the country, is the result of the painstaking efforts put in by these agencies in forming and nurturing SHGs especially in areas where the concept never existed. The financial support extended by NABARD to various SHPIs during the year is indicated in Table-6.

**Table-6 : Grant Support to Partner Agencies**

( ₹ lakh)

Agency	Cumulative Sanction		Cumulative Achievement (31.3.2012)	
	Amount	SHG Nos.	Amount	SHG Nos.
NGOs	16200.59	499909	4882.31	283007
RRBs	542.19	53145	197.10	56070
Coop. Banks	857.81	71695	289.19	47515
IRVs	733.58	43223	86.02	13105
Farmers Clubs	83.16	7689	73.81	17356
<b>Total</b>	<b>18417.33</b>	<b>675661</b>	<b>5528.43</b>	<b>417053</b>

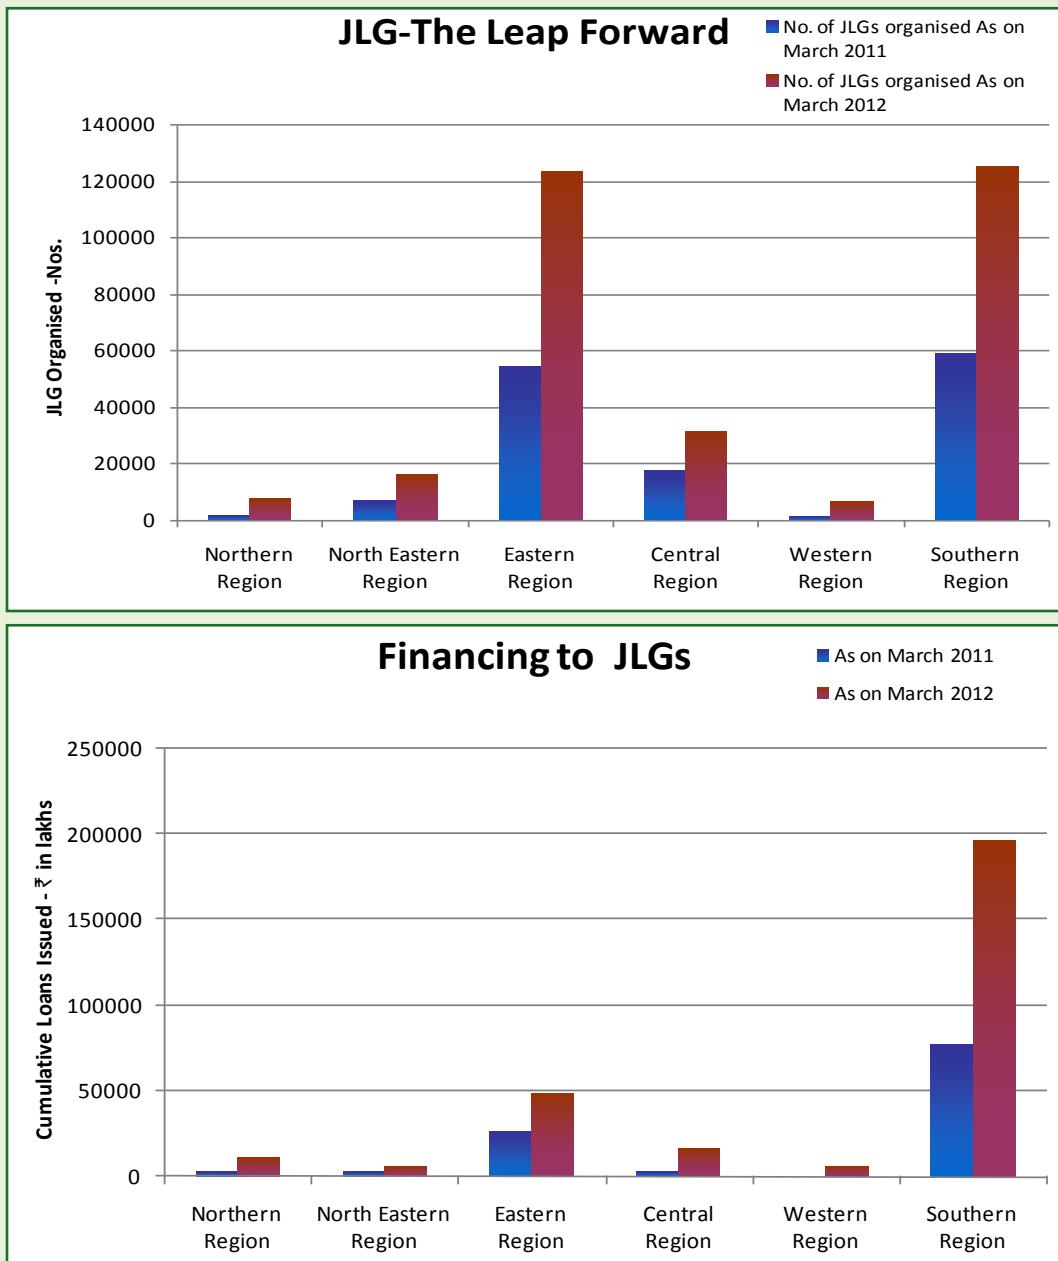

Agency wise, State wise details of grant assistance extended to partner agencies have been given in Statements – IX-A- IX-E.

#### 4.5 Micro Enterprise Development Programme

The Micro Enterprise Development Programme launched by NABARD in 2006 is intended to nurture the entrepreneurial talents of members of mature SHGs to set up and run micro enterprises as a livelihood option in farm or non-farm sector, either on individual basis or on group basis. Support is extended under the programme to members of such SHGs to enrich their knowledge on enterprise management, business dynamics and rural markets. Nearly 5000 skill upgradation training programmes have been conducted under these initiatives covering nearly 2 lakh members of mature SHGs. Most of the trained SHG members have since started on their journey to become promising entrepreneurs by availing loans from their SHGs. West Bengal, Tamil Nadu and Chhattisgarh are major States where maximum number of SHG members were given skill training.

#### 4.6 Financing of Joint Liability Groups

Joint Liability Groups (JLG) are informal groups of 4-10 members who are engaged in similar or independent economic activities like crop production, dairy farming or other allied agriculture or non-farm based activities and who are willing to jointly undertake (mutual guarantee) to repay the loans taken by the Group from the Banks. Unlike in the case of SHGs, JLGs are intended basically as credit groups of tenant farmers / small farmers who do not have proper title of their farmland and are unable to provide tangible collateral for their borrowing from banks. Regular savings by group members is purely voluntary and intended to bind the members. Credit needs of the group members are to be met through loans from financial institutions and such loans could be individual loans or group loans. Financing of JLGs was introduced as a pilot project in 2004-05 by NABARD in 8 States with the support of 13 RRBs. Apart from extending refinance support to Banks, NABARD also extends financial support for awareness creation and capacity building of all stakeholders of this Programme. NABARD also extends grant support for formation and nurturing of JLGs to banks and other JLG promoting agencies. An amount of ₹36.68 crore was sanctioned as grant for promotion of 1.95 lakh JLG across the country till 31 March 2012. During the year, 191662 new JLGs were promoted (36% growth over the previous year) and fresh loans to the extent of ₹1700.39 crore(48% increase over the previous year) was disbursed to JLGs by banks taking the cumulative number of JLGs to 3,32,707 and the cumulative loan disbursed to ₹2845.69 crore. The growth of JLGs in the country is less skewed than the SHGs with Odisha leading the table with over 53000 JLGs followed closely by West Bengal with nearly 49000 groups though southern region States top among the quantum of loans disbursed with almost 69% loans disbursed to JLGs in the region.

**Fig. 9: JLGs – THE LEAP FORWARD**

#### Kamadhenu – JLGs of Women show the way

This is a unique success story of how groups of poor rural women can transform the economy of a whole region. In early 2011, the Mandal Mahila Samakhya (Block Level Federation of women SHGs)-MMS - in Chittoor District of Andhra Pradesh were deliberating on ways to improve their economic conditions. They realized that though there is heavy demand for milk, the production was lagging for want of supply as well as processing facilities. The State Government agreed to provide enough number of Bulk Milk Chilling Units to be operated by the MMS in the district provided they could arrange production and procurement of milk from the area. The next question was how to induct more number of milch animals into the area. At the instance of NABARD, they agreed to form Joint Liability Groups of Women members of SHGs of Federation to seek and obtain bank loans for purchase of milch animals. NABARD also agreed to kick start the programme on pilot basis by providing a loan of ₹5 crore for lending to these JLGs. Each member of the JLG was to be given loan for purchase of a dairy unit consisting of two milch animals each on the basis of the group guarantee. The MMS was given the responsibility of organizing the JLGs and

selection of beneficiaries and extending the loans through the SHGs and also for recovery of the loan instalments through purchase of milk by the BMCU managed by MMS. The State Animal Husbandry Department agreed to extend the necessary animal health and artificial insemination facilities to the dairy farmer members of MMS.

Once the project was launched in 2011, the response was beyond the expectations of the planners. By January 2012, as many as 12000 dairy units were financed under this initiative through over 2500 JLGs of women in the district involving an estimated bank loan of nearly ₹75 crore. 65 BMCUs have already become operational and 111 bank branches are now involved in lending for the JLGs under the programme. The milk procurement in the area is estimated to reach 5 lakh litres per day per MMS by December 2012 from a little over 2 lakh litres per day at the start of the programme a year back. The poor rural women in Chittoor District have demonstrated what they can achieve if necessary support is extended to them. This is what the Chief Minister of the State had to say about this initiative.

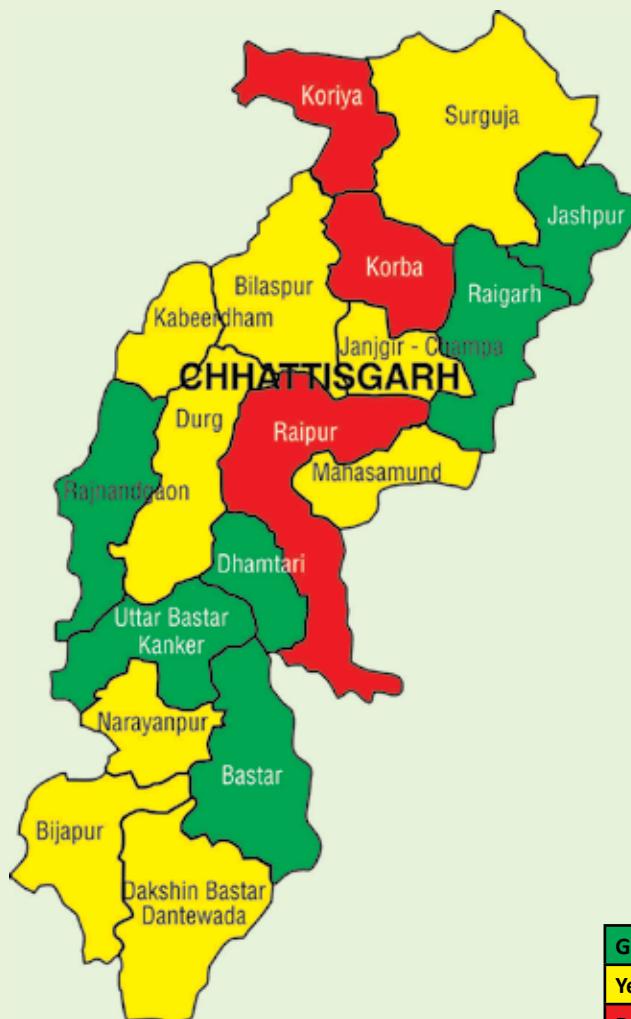

“The story of this transformation has the potential to become another “Amul” and needs to be replicated in other districts of the State. I would like to congratulate and commend the efforts of NABARD, the District Administration, and the bankers in the district for making the ‘Project Kamadhenu’ happen in the district and call upon other districts to emulate the experiment in their districts”.

# Fact sheet

# Priority States

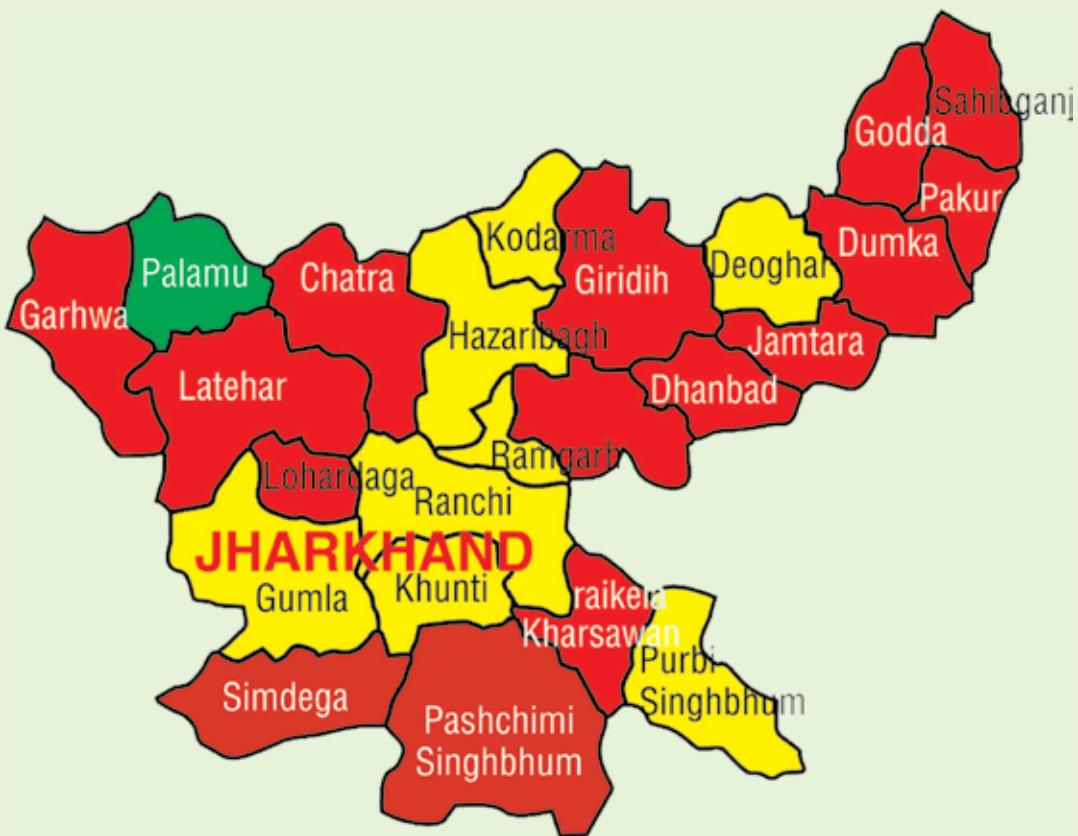

## CHHATTISGARH : SHG coverage ratio

1	Potential Rural households to be covered	25.92 lakh	
2	Rural households covered* (SHG: savings linked)	16.88 lakh	
3	Districts with low coverage of SHGs	13 out of 18 districts	
4	Average savings/SHG (₹)	5694 National Average : 8230 Highest Priority State : Uttarakhand :12283	
5	Average credit disbursed/SHG (₹)	91790 National Average : 144046 Highest Priority State : Uttarakhand :148155	
		2010-11	2011-12
6.1	Loans issued No. of SHGs (lakh)	0.09	0.10
6.2	Loans issued (₹ crore)	58.99	92.59
7	Loans outstanding (₹ crore)	187.93	202.60
8	Gross NPA (₹ crore)	17.91	10.51
8.1	SGSY (₹ crore)	11.10	4.45
8.2	SHG (non-SGSY) (₹ crore)	6.81	6.06
9	No. of WSHG districts	10	

\* No. of SHGs x 13 members / SHG

## JHARKHAND : SHG coverage ratio

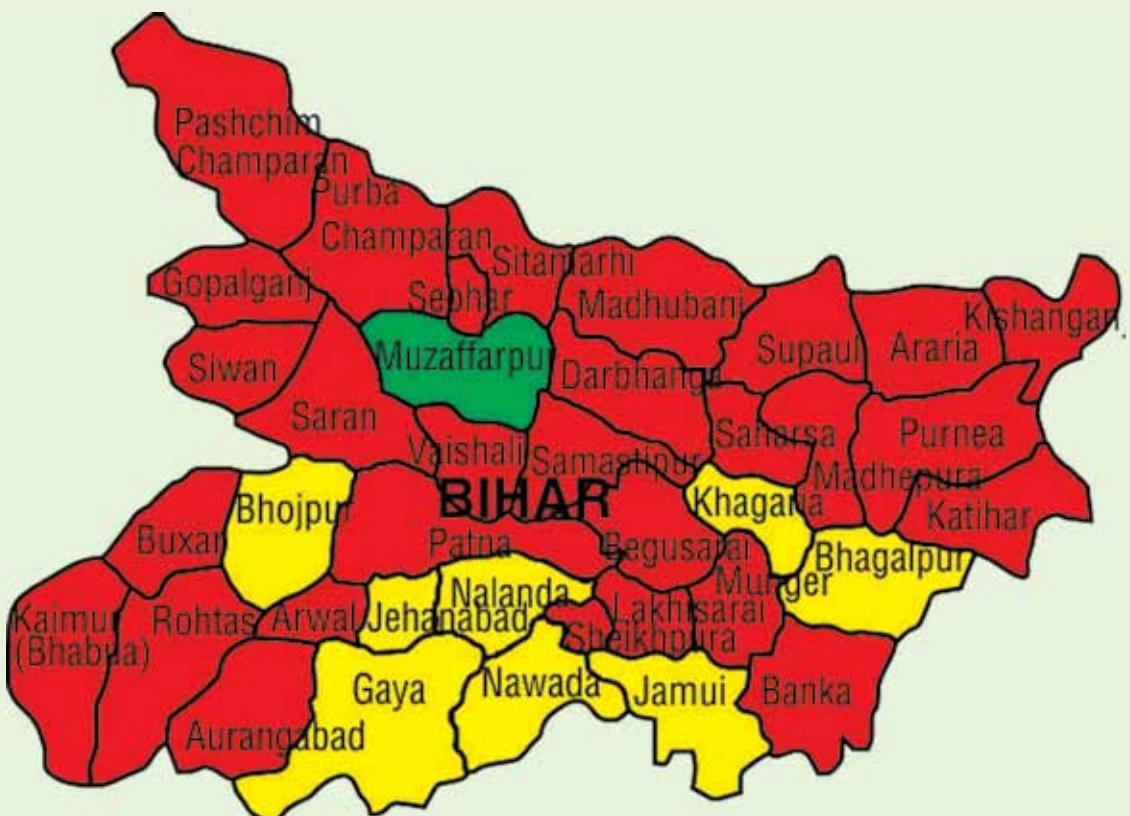

Green	Above 80%
Yellow	Between 50%-80%
Red	<50%

1	Potential Rural households to be covered	27.86 lakh	
2	Rural households covered* (SHG: savings linked)	11.65 lakh	
3	Districts with low coverage of SHGs	23 out of 24 districts	
4	Average savings/SHG (₹)	7502 National Average : 8230 Highest Priority State : Uttarakhand :12283	
5	Average credit disbursed/SHG (₹)	105823 National Average : 144046 Highest Priority State : Uttarakhand :148155	
		2010-11	2011-12
6.1	Loans issued No. of SHGs (lakh)	0.11	0.12
