## Preface

The Self Help Group (SHG)-Bank Linkage Programme, in the past eighteen years, has become a well known tool for bankers, developmental agencies and even for corporate houses. SHGs, in many ways, have gone beyond the means of delivering the financial services as a channel and turned out to be focal point for purveying various services to the poor. The programme, over a period, has become the common vehicle in the development process, converging important development programmes. With the small beginning as Pilot Programme launched by NABARD by linking 255 SHGs with banks in 1992, the programme has reached to linking of 69.5 lakh saving-linked SHGs and 48.5 lakh credit-linked SHGs and thus about 9.7 crore households are covered under the programme, envisaging synthesis of formal financial system and informal sector.

In view of the large outreach and pre-dominant position of the microFinance programme, it is important to keep a continuous track of the status, progress, trends, qualitative and quantitative performance comprehensively. To achieve this objective, Reserve Bank of India and NABARD issued guidelines in the year 2006-07 to Commercial Banks, Regional Rural Banks and Cooperative Banks to furnish data on progress under microFinance. The data so collected covers various parameters like savings of SHGs with banks, bank loan disbursed to SHGs, bank loan outstanding against SHGs, gross non performing assets of bank loans to SHGs, recovery performance of loans to SHGs. Further, the banks also furnished the data regarding bank loans provided to Micro Finance Institutions (MFIs). NABARD, has been bringing out the consolidated document annually.

This booklet presents the consolidated data obtained from the banks along with preliminary analysis of the various trends and progress under microfinance sector under the two models viz., SHG – Bank Linkage model and MFI – Bank Linkage model. The data furnished by the banks have been analysed on a region-wise, state-wise, agency-wise, bank-wise and also for SHGs exclusively under Swarnajayanti Gram Swarojgar Yojana and exclusive women SHGs data in the booklet.

The trend in submitting the Management Information System by banks has shown improvement. This year all 27 Public Sector Commercial Banks, 19 private sector Commercial Banks, 81 Regional Rural Banks and 318 Co-operative Banks have submitted the MIS. We thank all the banks for furnishing the data and expected that in the coming years all the remaining banks will co-operate in timely and accurate submission of data to us.

The major support provided by NABARD under Micro Finance Development and Equity Fund relates to promotion and nurturing of SHGs by Self Help Promoting Institutions and training and capacity building of the stakeholders in the Sector. NABARD is also experimenting innovative projects for further developing the microFinance through Joint Liability Groups. The details in this regard are also included in this booklet.

We hope that all the stakeholders under microfinance sector would use the information as input and feedback relating to the sector for bringing about policy changes and improvement in operational strategies. More analysis than what is given in the book is expected from all the microfinance players. NABARD would welcome suggestions and comments on this booklet for making it more informative and useful at all levels in microfinance sector.

# Micro Finance in India

## 1. Introduction

Microfinance sector has traversed a long journey from micro savings to micro credit and then to micro enterprises and now entered the field of micro insurance, micro remittance and micro pension. This gradual and evolutionary growth process has given a great opportunity to the rural poor in India to attain reasonable economic, social and cultural empowerment, leading to better living standard and quality of life for participating households. Financial institutions in the country continued to play a leading role in the microfinance programme for nearly two decades now. They have joined hands proactively with informal delivery channels to give microfinance sector the necessary momentum. During the current year too, microfinance has registered an impressive expansion at the grass root level. This booklet aims to provide a snapshot of the progress in the microfinance sector.

Since 2006-07, NABARD has been compiling and analysing the data on progress made in microfinance sector, based on the returns furnished by Commercial Banks (CBs), Regional Rural Banks (RRBs) and Cooperative Banks operating in the country. The banks operating, presently, in the formal financial system comprises Public Sector CBs (27), Private Sector CBs (22), RRBs (82), State Cooperative Banks (31) and District Central Cooperative Banks (370). Most of the banks participating in the process of microfinance have reported the progress made under the programme.

The data presented in this booklet covers information relating to savings of Self Help Groups (SHGs) with banks as on 31 March 2010, loans disbursed by banks to SHGs during the year 2009-10, loans outstanding of the banking system against the SHGs and the details of Non-Performing Assets (NPAs) and recovery percentage in respect of bank loans provided to SHGs as on 31 March 2010. The data have been compiled region-wise, State-wise and agency-wise. The booklet also provides details relating to SHGs coming under Swarnjayanti Gram Swarojgar Yojna (SGSY) and exclusive women groups. In addition, the information relating to bulk lending provided by Banks and Financial Institutions to Micro Finance Institutions (MFIs) for on lending to groups and individuals have also been provided. Based on these data and information, this booklet attempts an assessment of progress on varied dimensions of the microfinance sector.

NABARD has been instrumental in facilitating various activities under microfinance sector, involving all possible partners at the ground level in the field. NABARD has been encouraging voluntary agencies, bankers, socially spirited individuals, other formal and informal entities and also government functionaries to promote and nurture SHGs. The focus in this direction has been on training and capacity building of partners, promotional grant assistance to Self Help Promoting

Institutions (SHPIs), Revolving Fund Assistance (RFA) to MFIs, equity/ capital support to MFIs to supplement their financial resources and provision of 100 per cent refinance against bank loans provided by various banks for microfinance activities. Financial support and promotional efforts of NABARD towards development of the microfinance sector have also been outlined in this booklet.

**No. of Savings linked SHGs**

**Savings of SHGs (₹ in crore)**

During the year under review, the average savings per SHG with all banks had marginally decreased from ₹ 9,060 as on 31 March 2009 to ₹ 8,915 as on 31 March 2010. The decrease may be due to proper utilization of saving amount by SHGs for internal lending. It varied from ₹ 11,352 per SHG with co-operative banks to ₹ 7,136 per SHG with RRBs.

As on 31 March 2010, the share of women SHGs in the total SHGs with saving bank accounts was 53.10 lakh SHGs forming 76.4 per cent as compared to the previous year's share of 79.5 per cent. The actual share of women SHGs would be more as all RRBs from Uttar Pradesh, Gujarat and Jammu & Kashmir and all Co-operative Banks from Uttar Pradesh, Gujarat, Jammu & Kashmir, Goa, Assam, Nagaland, Tripura, Mizoram, and Manipur have not reported data for women SHGs. In addition, some of RRBs viz., Marathwada Gramin Bank from Maharashtra, Assam Gramin Vikas Bank, Bihar Kshetriya Gramin Bank, Madhya Bihar Gramin Bank, Nainital Almora Kshetriya Gramin Bank and some of the Central Cooperative Banks have also not reported women SHGs data.

The State-wise and bank-wise position of savings of SHGs with banks as on 31 March 2010 is indicated at Statement III-A (i) (Public sector CBs), III-A (ii) (Private sector CBs), III-B (RRBs) and III-C (Cooperative Banks).

## 5. Financial Support and Promotional Efforts by NABARD

### 5.1 NABARD Refinance Support to Banks

NABARD provides refinance support to banks to the extent of 100 per cent of the bank loans disbursed to SHGs. The total refinance disbursed to banks against banks' loans to SHGs during 2009-10 was ₹ 3173.56 crore, registered a growth of 21.1 per cent from ₹ 2620.03 crore in 2008-09. Further, the cumulative refinance disbursed under SHG bank linkage programme by NABARD to Banks upto 31 March 2010 stood at ₹ 12861.65 crore.

## 5.2 Promotional Support - SHG-Bank Linkage

### (i) Micro Finance Development and Equity Fund

To strengthen the efforts of NABARD towards promotional support for micro finance, the Government of India in the Union Budget for 2010-11 had further increased the corpus of Micro Finance Development and Equity Fund (MFDEF) to ₹ 400 crore. Recognising the need for upscaling the micro-Finance interventions in the country, the Hon'ble Union Finance Minister, while presenting the budget for the year 2000-01, had created Micro Finance Development Fund (mFDF) with an initial contribution of ₹ 100 crore, to be funded by Reserve Bank of India, NABARD and commercial Banks in the ratio of 40:40:20. In the Union Budget for 2005-06, the Government of India had decided to re-designate the mFDF into mFDEF and raised its corpus from ₹ 100 crore to ₹ 200 crore. The mFDEF is managed and administered by NABARD under the guidance of an mFDEF Advisory Board. The objective of mFDEF is to facilitate and support the orderly growth of the microfinance sector through diverse modalities for enlarging the flow of financial services to the poor, particularly for women and vulnerable sections of society consistent with sustainability.

The Fund is utilised to support interventions to eligible institutions and stakeholders. The major components of the assistance include promotional grant assistance to Self-Help Promoting Agencies, training and capacity building for microfinance clients and stakeholders of SHG - Bank Linkage Programme, funding support to MFIs, Management Information System (MIS) for microfinance, research, studies and publications.

### (ii) Training and Capacity building

NABARD continued to organize / sponsor training programmes and exposure visits for the benefit of officials of banks, NGOs, SHGs and government agencies to enhance their effectiveness in the field of microfinance. Training supplements and materials were supplied to banks and other agencies. Best practices and innovations of partner agencies were widely circulated among government agencies,

banks and NGOs. During the year 2009-10, fund support of ₹ 9.93 crore was provided for capacity building, exposure visits and awareness-building as against ₹ 6.10 crore during 2008-09. The cumulative fund support for the purpose as on 31 March 2010 stood at ₹ 45.02 crore. During 2009-10, 6,804 training/ capacity building programmes were conducted covering 2,53,868 participants. The progress under training and capacity building during the year 2009-10 is given in Table -10.

### (iii) Joint Liability Groups:

Based on the studies conducted by NABARD, it was found that financing of Joint Liability Groups (JLGs) is a good business proposition. It needs simplified documentation, group dynamics, timely repayment culture and prospects of credit enhancement to quality clients. Keeping in view the need and findings of the studies, NABARD has issued comprehensive guidelines on JLGs to Banks focusing on small and marginal farmers, oral lessees, tenant farmers engaged in farm sector and other clients under non-farm activities. NABARD supports banks for nurturing and financing of JLGs for the initial three years. Banks may use the services of JLG-promoting agencies. In addition, NABARD would also extend support for training, exposure visits, experience-sharing, etc., for banks' staff. The details of the scheme are given in Exhibit.

**(vi) Pilot Project on SHG-Post Office Linkage Programme**

xiv

NABARD has sanctioned an additional Revolving Fund Assistance (RFA) of ₹ 200 lakh to India Post for on-lending to the SHGs, taking the total RFA sanctioned to ₹ 500 lakh.

As on 31 March 2010, 2,828 SHGs have opened zero interest savings accounts with select Post Offices in Tamil Nadu and 1195 SHGs have been credit linked with loans amounting to ₹ 321.25 lakh.

NABARD has sanctioned RFA of ₹ 5 lakh to Post Offices in Meghalaya for on-lending to 50 SHGs in East Khasi Hills.

### (vii) Support to Activity-Based Groups

NABARD introduced a scheme for supporting small-scale activity based groups (ABGs) in 2008-09, wherein capacity building, production and investment credit and market-related support would be extended. The scheme focuses on forming and nurturing the groups engaged in similar economic activities, such as farmers, handloom weavers, craftsmen, fishermen, etc., to improve efficiency of their production and realise better terms from the market through economies of aggregation and scale. The scheme drew upon NABARD's existing modes of support and has both grant and loan components. While grant support would cover expenditure on SHGs formation and training, extension services, establishing market linkages, etc., bank loan/s would cover investment activities and working capital needs of the SHGs. Banks would be eligible to draw refinance for the loans provided to Activity-Based Groups on the same terms as applicable for SHG's financing. In select cases, NABARD may also provide loans directly to registered SHGs or through the agencies promoting SHGs to establish few initial projects where none exists.

### (viii) Support to SHGs' Federations

Recognising the emerging role of the SHGs' Federations in nurturing of SHGs, enhancing the bargaining powers of group members and livelihood promotion, NABARD introduced during 2007-08, a flexible scheme to support such Federations, irrespective of their model. The broad norms prescribed for supporting SHG Federations stipulate that the federations should be need-based, member-owned/driven, democratically managed with members at liberty to join, become self-managed over three years, etc. NABARD extends grant support to the Federation for training, capacity building, and exposure visits of SHG members, etc., as also under all of NABARD's existing promotional schemes. So far grant assistance of ₹ 22.02 lakh has been sanctioned to SHG Federations.

### (ix) Special Initiative for Scaling up SHGs/ SHG Federations

NABARD has been associated with Rajiv Gandhi Charitable Trust (RGCT) for promotion, credit linkage and formation of SHG Federations in select districts of Uttar Pradesh. The project envisages promotion and credit linkage of 22,000 SHGs, 1,100 cluster-level associations and 44 block-level associations in collaboration with participating banks and implementing NGOs. The project would

cover 15 and 29 blocks under Phase I and II respectively in 12 districts of Uttar Pradesh viz. Sultanpur, Rae Bareilly, Barabanki, Pratapgarh, Lucknow, Unnao, Fatehpur, Jhansi, Lalitpur, Bahraich, Shravasti and Banda. NABARD and RGCT have designed the project with technical assistance from Society for Elimination of Rural Poverty (SERP), Government of Andhra Pradesh. As at the end of 31 March 2010, 21,868 SHGs have been promoted, of which 12,749 SHGs have been credit linked. In addition, 676 Village Level and 15 Block Level SHG Federations were formed under Phase I and Phase II.

### (x) State Specific Support in North Eastern Region

- (a) Arunachal Pradesh: During 2008-09, an amount of ₹ 39.15 lakh was sanctioned by NABARD for implementing the project 'Micro Finance Vision 2011' by the Govt. of Arunachal Pradesh. Further, an amount of ₹ 33.66 lakh was sanctioned to the Essom Foundation Trust for setting up a Resource Centre at Itanagar for providing policy, operational inputs, capacity building support and marketing linkages among the groups. NABARD has released ₹ 5.452 lakh to the trust upto 31 March 2010.
- (b) Tripura: NABARD continued to provide technical support to the State support project on SHGs being implemented by the Government of Tripura for credit linkage of 11,500 existing SHGs, forming and credit linking 35,000 new SHGs and promoting livelihood activities among the 3 lakh members upto 2012.

### 5.3 Promotional Support - MFI Bank Linkage

NABARD has taken three major initiatives to support Micro Finance Institutions (MFIs) to strengthen them as detailed in the following paragraphs:

#### (i) Capital Support to MFIs

##### (a) The Scheme:

As mentioned earlier, the Micro Finance Development Fund (mFDF) was set up with NABARD by Government of India in 2000-01 with the initial corpus of ₹ 100 crore to be contributed by Reserve Bank of India (40%), NABARD (40%) and Commercial Banks (20%). The mFDF was redesignated to Micro Finance Development and Equity Fund (mFDEF) in 2005-06 and the corpus was increased to ₹ 200 crore and same has been further increased to ₹ 400 crore during 2010-11. Accordingly, NABARD formulated a scheme called "Capital/Equity Support to MFIs" in 2007-08 for providing Capital/equity support to various types of MFIs to enable them to leverage commercial and other funds from banks. This would help MFIs in providing financial services at an affordable cost to the poor.

During 2009-10, NABARD introduced a new scheme for "Capital Support to start-up MFIs" having potential to scale-up their activities but lacking in capital, infrastructural facilities and managerial skills. Micro-Finance Organisations (MFOs) and MFI-NBFCs, identified as 'Start ups' on the basis of area of operation, client outreach, lending model, borrowing history, etc., are eligible for support under the scheme. Financial support will be in the form of 'subordinated debt' which shall be sub-ordinate to the claims of all other creditors. The quantum of support will be commensurate with the business plan of the MFO / MFI-NBFC but not exceeding ₹ 50 lakh in any case. The rate of interest has been fixed at 3.5 per cent to be repaid over a period of 7 years including moratorium of 2 years.

**(b) Progress under scheme:**

During 2009-10, under Capital Support Scheme, 10 proposals amounting to ₹ 6.87 crore were sanctioned to 10 MFIs and disbursed ₹ 7.87 crore. The outstanding under Capital support as on 31 March 2010 was ₹ 24.17 crore against 31 MFIs. The agency-wise outstanding is given in Statement No. X(B).

**(ii) Revolving Fund Assistance to MFIs**

**(a) The Scheme:**

NABARD provides loan funds in the form of Revolving Fund Assistance (RFA), on a selective basis, to MFIs. The RFA provided to these agencies is necessarily to be used for on-lending to SHGs or individuals and the amount is to be repaid along with the service charge between 3.5 per cent and 9.5 per cent within a stipulated period of 5 to 7 years with one to two years of moratorium period. This enables them to build a 'credit history', which would help them to access credit facilities through the regular banking channels.

**(b) Progress under scheme:**

During 2009-10, RFA of ₹ 23 crore was sanctioned to 13 MFIs taking cumulative RFA sanction to ₹ 65.98 crore to 51 agencies. The disbursements made during 2009-10 were at ₹ 22.55 crore and the cumulative disbursement reached to ₹ 55.49 crore. As on 31 March 2010, the total RFA outstanding was ₹ 33.27 crore against 22 MFIs. The details of agencies-wise outstanding RFA are given in Statement - X(A).

Besides Capital Support and RFA from MFDEF, refinance assistance of ₹ 30 crore was also released during 2009-10 of which outstanding as on 31 March 2010 was Rs.28.33 crore.

**(iii) Rating of MFIs**

In order to identify, classify and rate Micro Finance Institutions (MFIs) and empower them to function as intermediaries between the lending banks and their clients, NABARD had introduced a scheme for providing financial assistance by way of grant to CBs, RRBs and Co-operative Banks to avail of the services of accredited rating agencies for rating of MFIs. Banks can avail the services of credit rating agencies viz. CRISIL, M-CRIL, ICRA, CARE and Planet Finance for rating of MFIs and also avail financial assistance by way of grant to the extent of 100 per cent of the professional fees of the credit rating agency.

During 2009-10, the scheme has been refined and the grant support has been increased to a maximum of ₹ 3.00 lakh. The facility is available for the first rating of an MFI with a minimum loan outstanding of ₹ 50.00 lakh and maximum loan outstanding of ₹ 10 crore. During 2009-10, NABARD has provided grant support of ₹ 15.83 lakh for rating of 13 MFIs to Banks or MFIs. The MFI-wise details of the grant support provided by NABARD for rating of the MFIs during the year are given in Statement No. X (C).

## 6. Quality And Sustainability of SHGs

NABARD had entrusted a study to, Institute for Social and Economic Change (ISEC), Bagalore for studying the quality and sustainability of SHGs in Karnataka. For study purpose, three representative districts viz. Mysore (well developed), Tumkur (medium), and Bagalkot (less developed) and the major finding are as follows:

- 96 per cent of the SHGs constituted women's group with an average of 17 members per SHG.
- 90 per cent of the members were owning less than two acres of land.
- Around 40 per cent SHGs were credit linked to RRBs; 30 per cent to CBs and thirty per cent to Co-operatives.
- In developed district of Mysore 22 per cent the members lost interest in attending meetings and meetings were held less frequently.
- Government department promoted groups expected subsidised loans and depended on Anganwadi workers for maintenance of accounts and further guidance.
- NGOs and govt departments provided better opportunities for training for taking up income generating activities than the banks whose role in the area appeared to be low.
- Training imparted by NGOs / Government agencies, however, was not of substantial help and useful as training imparted did not match the needs of the members.
- Training on routine activities like papad and pickle making etc., were not preferred by the members.
- Average loan amount increased from ₹ 56,307 in the first linkage to ₹ 2,13,333 in the fifth dose in all the districts covered under study. Maximum loan availed amounted to ₹ 45 lakh for a group based activity.
- Nearly 57 per cent SHGs availed loan less than three times of their savings, 24 per cent between three and five times.
- Certain problems encountered by the groups were
  - ♦ inadequate loans: 97 percent of the SHGs in Bagalkot district, 81 percent in Mysore district and 70 per cent in Tumkur district reported getting inadequate loans.
  - ♦ delay in getting loans with the need for frequent visits by the members to the banks,
  - ♦ SGSY loans being made available in installments which were equally divided among the members
  - ♦ different interest rates charged by the banks: while commercial banks and RRBs charged 12 per cent whereas the DCCBs charged at the rate of 4.5 per cent (subsidised by the State Govt).
- Dependency on money lenders was reduced as about 96 per cent of the SHGs stopped going to money lenders.
- Repayment of loans was made regularly on monthly basis.

The SHG BLP has led to social and economic empowerment of the rural poor, such as: Ninety two per cent of the SHG members came out of the four walls of the their houses and 76 per cent of the them were able to interact with officials/ give speeches and 28 per cent of the members were able to save in banks; the result were seen in decision making in household matter, sending children to school, changing undesirable habits of their spouse, participating in Gram Panchayat election, access to bank credit after joining SHG (98%) as compared to mere two per cent before joining, increase in income by undertaking income-generating activities, etc.

## 7. Centre for Micro Finance Research

With the funding support from MFDEF, a Centre for Micro finance Research (CMR) has been setup in Bankers Institute of Rural Development, Lucknow to take up research studies in the field of microfinance with the mission of strengthening microfinance sector through supply of research inputs to facilitate policy initiatives and improvements in design and delivery system that provide poor with sustainable access to quality financial services. The CMR along with four sub-centres viz., Indian Institute of Bank Management (IIBM), Guwahati, Institute of Financial Management and Research (IFMR), Chennai, Institute of Development Studies (IDS), Jaipur and Chadragupta Institute of Management, Patna (CIMP) had initiated several studies on critical issues of microfinance. Grant assistance of ₹ 375.00 lakh was sanctioned to CMR from MFDEF to pursue the above-envisioned activities.

## 8. NABARD – GTZ Technical Collaboration in Rural Finance Institutions Programme

Under the purview of technical collaboration in Rural Finance Institutions Programme between GTZ and NABARD, technical assistance continued to be extended to NABARD during the year for, inter alia, promotion and development of microfinance as well as improvement in the quality and viability of financial services under SHG-Bank Linkage Programme. Exposure-cum-studies, capacity building interventions and documentation, etc., were undertaken in collaborative process for furtherance of the sector.

The report of the 'Committee on Financial Inclusion' has indicated the need for addressing the remittance needs of the poor and NABARD has to play an important role in this. Keeping in view, NABARD with GTZ has undertaken a quick study on present practices of remittance and the team leader was Dr. Y.S.P.Thorat (ex-chairman, NABARD). Based on the findings of the study report, a joint appraisal mission on remittance discussed the issue with various partners viz., Ministry of Finance, GoI, Reserve Bank of India, State Bank of India, India Post, Mr Nandan Nilekani (Unique ID), etc. On the basis of the discussions of the appraisal team, NABARD and GTZ signed 'Agreed Minutes on the Joint Appraisal of the Programme' on 19 January 2010. The NABARD and GTZ have now commissioned a detailed study on "Remittance needs of the poor" in different corridors (Eastern Uttar Pradesh and Mumbai, Intra State between various parts of Maharashtra and Mumbai and Orissa and Kolkata).

Findings of the study will be presented before Government of India and Reserve Bank of India for policy changes, if required, for financial inclusion of poor migrant workers particularly rural women.

## 1. Introduction

SHG-Bank linkage programme has proved to be successful in providing financial services from the formal banking sector to the poor. However, the issue of linking the small /marginal farmers, tenant farmers / oral lessees, share croppers and the rural non-farm entrepreneurs with the formal banking sector was concern for NABARD as their demand were not met through the SHG as in SHGs, loan amount is linked to savings.

NABARD had piloted Joint Liability Groups (JLGs) programme during 2004-05 in eight states of the country with the help of 13 RRBs through the mechanism of joint liability approach. The JLGs promoted in 2004-05 were 285 with bank finance of ₹ 4.48 crores and to 488 JLGs with bank loan of ₹ 6.79 crores in 2005-06. Besides the above pilot project, the Government of Andhra Pradesh through its Agriculture Department primarily designed the initiative by promoting Rythu Mithra Groups (RMGs) on the SHG model. During 2005-06, banks extended finance of ₹ 131.78 crore to 12,468 RMGs. RMGs are also expected to serve as a conduit for technology transfer, facilitate access to market information and assist in carrying out activities like soil testing, training, health camps, assess input requirements, etc., to its members.

Over the last few years NABARD has been propagating the idea of JLGs at various fora. Based on the experience gained in implementation of the pilot project, a scheme for financing JLGs by the Commercial Banks, RRBs and Cooperative Banks has been formulated and circulated to RRBs and Co-operative Banks by NABARD and to Commercial Banks through Reserve Bank of India/Indian Banks Association. The salient features of the scheme are as given below:-

## 2. Objectives: The scheme aims at the following objectives

- To augment flow of credit to tenant farmers<sup>1</sup> cultivating land either as oral lessees or sharecroppers and small farmers who do not have proper title of their land holding, through formation and financing of JLGs.
- To extend collateral free loans to target clients, including rural micro entrepreneurs through JLGs
- To build mutual trust and confidence between banks, tenant farmers, entrepreneurs, etc.

## 3. General features of JLG

- JLG is an informal group of preferably 4 to 10 individuals but can be upto 20 members as in the case of SHG
- The JLG members would offer a joint undertaking for bank loans.
- The JLG members are expected to engage in similar type of economic activities like crop production.

1. Tenant - Any person who holds land under another person's name and pays rent to such other person on account of the use of land is called a tenant i.e. Tenant is a person who has taken the lease and is liable to pay rent for the piece of land.

Oral lessees - The term refers to tenancy without legal sanction and permission or without any written agreement.

Sharecroppers - Tenants who pay rent to landlords by way of sharing crops grown (in lieu of rent by cash) may be called sharecroppers.

## 4. Criteria for selection of JLG members

JLGs can be formed primarily consisting of tenant farmers and small farmers cultivating land without possessing proper title of their land / rural entrepreneurs engaged in non-farm activities.

- (i) Members should be of similar socio-economic status and background carrying out farming activities / non-farm activities and who agree to function as a joint liability group.
- (ii) The members should be residing in the same village/ area and trust each other to take up joint liability for group/ individual loans.
- (iii) The members should be engaged in agricultural activity for a continuous period of not less than one year within the area of operations of the bank branch.
- (iv) The group members should not be a defaulter to any other formal financial institution.
- (v) There should not be more than one person from the same family in the JLG.

## 5. Security

The group would extend mutual guarantee for the group or individual loan.

## 6. Formation of JLGs

Banks may initially form JLGs by using their own staff wherever feasible. Banks may also engage business facilitators like NGOs and other individual rural volunteers to assist banks in promoting the concept and formation of groups.

*JLG Farmer spraying pesticide.*

## 7. Savings by JLG

The JLG is intended primarily to be a credit group. Therefore, savings by the JLG members is voluntary and not compulsory as in the case of SHG. All the JLG members may be encouraged to open an individual "no frills" account. However, if the JLG chooses to undertake savings as well as credit operations through the group mechanism, such groups should open a savings account in the name of JLG with atleast two members being authorised to operate the account on behalf of the group.

## 8. JLG Models

Banks can finance JLG by adopting any one of the following two models;

**Model A – Financing Individuals in the Group:** The group would be eligible for accessing separate individual loans from the financing bank. All members would jointly execute one inter-se document (making each one jointly and severally liable for repayment of all loans taken by all individuals in the group). The financing bank could assess the credit requirement, depending on the activities being undertaken and credit absorption capacity of the individual. However, there has to be mutual agreement and consensus among all members about the amount of individual debt liability that will be created.

**Model B – Financing the Group:** The JLG would consist preferably of 4 to 10 individuals and function as one borrowing unit. The group would be eligible for accessing one loan, which could be combined credit requirement of all its members. In case of crop loan, the credit assessment of the group could be based on crop/s to be grown and the available cultivable area by each member of the JLG. All members would jointly execute the document and own the debt liability jointly and severally.

## 9. Type of loan

Banks may consider cash credit, short-term loan or term loan or composite loan (working capital with term loan) depending upon the purpose of loan.

## 10. Margin and Security Norms

No collaterals may be insisted upon by the banks against their loans to JLGs. It may however, be ensured that the mutual guarantees offered by the JLG members are kept on record. Margin as per the norms prescribed by RBI, may be applied.

## 11. Documents

### Model A:

The documents to be obtained include Introduction form, application-cum-appraisal form, mutual guarantee & DPN.

### Model B:

Documents as applicable to SHGs may be adopted.

## 12. Financing to JLGs

Financing to JLGs by bank will form part of priority sector lending and banks may include lending to JLGs in their corporate plan and also in the training schedule of officers/staff.

## 13 Support extended by NABARD:

### (i) Grant support for of JLGs:

To facilitate promotion of JLGs, NABARD provides grant assistance to Banks and other institutions involved in promotion and nurturing of JLGs. JLG promoting institute is expected to formulate a plan for a minimum of 20 JLGs. Grant assistance of ₹ 2000 per JLG will be extended to banks for formation, nurturing and financing of JLGs over a period of three years. The first instalment of ₹ 1000/- would be released to the Bank/ other institutions after sanction of loan by the bank. The second instalment may be released after commencement of repayment. The third instalment may be released in third year subject to certification of bank with regard to satisfactory repayment. However, the grant to other institutions would be released, based on the certification by the banks as indicated above.

### (ii) Refinance: NABARD will provide 100% refinance assistance to all banks in respect of their lending to JLGs under investment credit and the procedure for claiming refinance from NABARD would be similar to that under SHG-Bank Linkage Programme.

## 14. Capacity Building :

Banks may undertake capacity building measures like conduct of training programmes for stakeholders, awareness and sensitization of JLG concept both for banks own staff as well as the target group. The banks operating staff should be familiar with the concept, benefits for the banks and clients under the programme. NABARD would consider supporting capacity building programmes for Bank's staff and other publicity measures, such as publication of pamphlets/ leaflets, use of media (print as well as others), etc. for greater awareness and orientation.

**Note:** For further details banks/NGOs may contact nearest NABARD office.
