Highlights of the SHG-Bank Linkage Programme, 2010-11

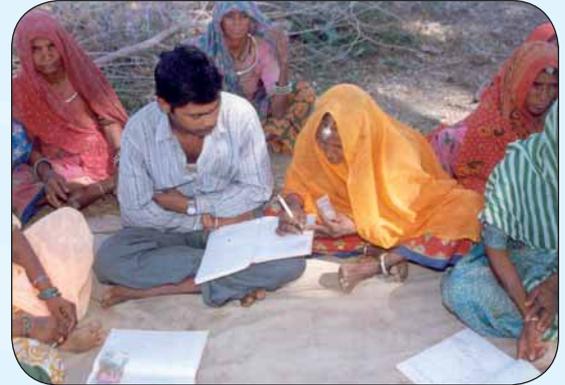

| S.No. | Particulars | Achievements | |
|-------|---|---------------------------|---------------------------|
| | | Physical (No. in lakh) | Financial (₹ in crore) |
| 1 | Total number of SHGs saving linked with banks | 74.62 | 7016.30 |
| 2 | Out of total [of which] exclusive Women SHGs | 60.98 | 5298.64 |
| 3 | Out of total [of which] SGSY SHGs | 20.23 | 1817.12 |
| 4 | Total number of SHGs credit linked during 2010-11 | 11.96 | 14547.73 |
| 5 | Out of total [of which] exclusive Women SHGs credit linked | 10.17 | 12622.33 |
| 6 | Out of total [of which] SGSY SHGs credit linked | 2.41 | 2480.37 |
| 7 | Total number of SHGs having loans outstanding as on 31 March 2011 | 47.87 | 31221.16 |
| 8 | Out of total [of which] exclusive Women SHGs | 39.83 | 26123.75 |
| 9 | Out of total [of which] SGSY SHGs | 12.86 | 7829.38 |
| 10 | Average loan amount outstanding/SHG as on March 2011 (In Rupees) | | 65223 |
| 11 | Average loan amount outstanding/member as on 31 March 2011 (In Rupees) | | 5017 |
| 12 | Average loan amount disbursed /SHG during 2010- 2011 (In Rupees)* | | 121637 |
| 13 | Estimated number of families covered upto 31 March 2011 | 97 millions | |
| 14 | No. of Banks and Financial Institutions submitted MIS (In Number) | 441 | |
| 15 | Support from NABARD | | |
| | (I) Capacity building for partner institutions | | |
| | Number of programmes conducted during 2010-11 | 5621 | 10.08 |
| | Number of participants covered during 2010-11 | 205748 | |
| | Cumulative number of participants trained upto March 2011 | 2660768 | 55.10 |
| | (II) Refinance support | | |
| | Refinance to banks during 2010-11 | | 2545.36 |
| | Cumulative refinance released upto 31 March 2011 | | 15407.01 |
| | (III) Revolving Fund Assistance [RFA] to MFIs | | |
| | RFA released to MFIs during the year | | 14.90 |
| | Cumulative RFA released to MFIs upto 31 March 2011 | | 64.25 |
| | Capital Support released to MFIs during 2010-11 | | 2.53 |
| | Cumulative CS released to MFIs upto 31 March 2011 | | 27.40 |
| | (IV) Grant assistance to SHPIs for promotion of SHGs | | |
| | Grant Assistance sanctioned during 2010-11 | | 37.86 |
| | Cumulative sanctions upto 31 March 2011 | | 146.22 |
| | Grant assistance for rating of MFIs during 2010-11 | | 0.19 |

Note: * Average loan amount disbursed/SHG worked out to Rs.1.00 lakh if the disbursements of Andhra Pradesh are excluded.

Micro Finance in India

1. Introduction

1.1 The term microFinance refers to extending the whole range of financial services from savings to credit to micro insurance to micro enterprises and a lot more for the poorer sections of society whose scale of operations are so small and hence are generally excluded from the purview of the existing service providers. The effectiveness of microFinance is better realised by the deprived sections when their capacities are also enhanced along with access to financial services. In the Indian context, the search for supplementary delivery mechanism to provide microFinance started with internal introspection regarding the innovations, which the poor had been traditionally making, to meet their financial service needs. It was observed that poor tended to come together in a variety of informal ways for pooling their savings and dispensing small and unsecured loans at varying costs to group members on the basis of their need. Some of the non-governmental agencies working especially in rural India, worked on such innovations and soon realised that they needed support of access to financial capital on the one hand and capacity enhancement to make the best use of the financial services on the other. NABARD while looking for supplementary delivery mechanism to extend the outreach of the financial institutions (FIs), observed that if the traditional approach to extend financial services to the deprived sections through self-help could be linked to the financial might of FIs, it could revolutionalise the financial sector in the country and open doors for extension of a variety of financial services

to the poor through a structure owned and managed by the poor themselves. This led to the launching of the Self Help Group – Bank Linkage Programme in 1992 on a pilot basis. Initially the pilot project started with a target of linking 500 SHGs with banks wherein the banks will provide access to the group members for their savings on regular basis while also providing credit to the group to meet the emerging credit needs of its members, in proportion to the savings of the group. The programme caught the imagination of not only financial institutions, but also governmental and non-governmental agencies that joined hands with

NABARD in its effort. Today, this unique initiative in India has about 4000 partners and has blossomed as a decentralised, yet most cost effective and fastest growing microFinance initiative in the world, enabling about 97 million poor household's access to sustainable financial services from the banking system. The institutional credit outstanding against the SHGs as at the end of March 2011 exceeded ₹ 31,200 crore – an experiment which has no parallel anywhere else in the world. In spite of certain turbulence surfaced in the recent past in the microFinance sector mainly due to the lack of discipline by very few stakeholders, the SHG-Bank linkage programme has been growing impressively as illustrated in the following paragraphs.

1.2 NABARD has been publishing data on microFinance in India every year alongwith an analysis of the data compiled through various stakeholders like partner NGOs, financial

institutions, Government Departments, etc. and this publication and data contained therein are extensively used and quoted in many studies and analyses, not only in the Indian context, but also internationally while discussing microFinance sector. A number of international agencies are turning to India to learn from our experiments with microFinance and to explore possibilities of replication of the model in other parts of the globe.

1.3 In addition to the analysis of data on the extent of savings harnessed by the SHGs from its members and the credit availed by the groups from FIs and other micro Finance Institutions (mFIs) across the agencies and across the geographical spread, the publication also highlights the facilitating role played by NABARD in further refining the SHG-Bank linkage programme by bringing in more stakeholders into this sector and by extending the scope of financial services rendered. In the current edition, an attempt has been made to dwell more into the quality of the services rendered alongwith the vertical expansion of the programme (viz: the increasing role being played by internally generated resources for lending, the extent of members actually making the best use of the services rendered, etc.)

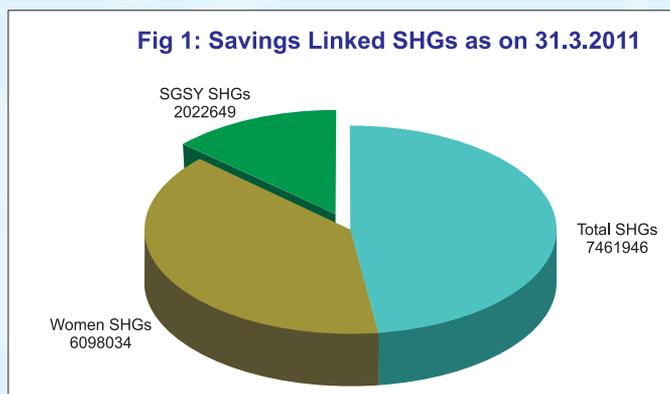

In the current edition, an attempt has been made to dwell more into the quality of the services rendered alongwith the vertical expansion of the programme (viz: the increasing role being played by internally generated resources for lending, the extent of members actually making the best use of the services rendered, etc.)

2. Progress under microFinance during 2010-11

2.1 The progress under the microFinance programme has been discussed separately under the SHG-Bank linkage programme where the financing banks extend services like savings and credit to the groups directly while other stakeholders like NABARD, Banks, NGOs, Government Departments, Insurance providers, etc. extend support services including organisation and nurturing of groups, capacity enhancement of their members, etc. and lending to SHG members through microFinance Institutions (mFIs). The new initiatives and the facilitating role played by NABARD are discussed in para-5.

2.2 SHG-Bank Linkage Programme

The SHG-Banks linkage programme which commenced as a pilot programme during 1992 to link 500 SHGs with banks, has grown exponentially during the last two decades and over 97 million rural households have now access to regular savings through 74.62 lakh SHGs linked to different banks. Of these, over 47.8 lakh SHGs also have access

to direct credit facilities from the banks. Nearly 12 lakh SHGs were extended fresh loans to the extent of ₹ 14,548 crore during 2010-11 by all FIs. The total loan outstanding of SHGs already credit linked as on 31.3.2011 was ₹ 31,221 crore. As much as 81.7 per cent of SHGs already linked to banks are exclusive women groups – one of the most distinguishing features of microFinance sector in the country. About 27 per cent of SHGs have been linked through the Swarnjayanti Gram Swarojgar Yojana (SGSY) programme – the rural poverty alleviation programme of the Government of India (Fig 1).

Table-1 and Fig.2 and Fig.3 illustrate comparative picture of last three years of SHG-Bank linkage programme in terms of growth of savings and credit through SHGs across the States.

Table 1: Overall Progress under SHG-Banks Linkage Programme

(Amount ₹ in crore/ Numbers in lakhs)

| | Particulars | 2008-09 | | 2009-10 | | 2010-11 | |
|---|------------------------------|-------------------|---------------------|------------------|---------------------|-------------------|---------------------|
| | | No. of SHGs | Amount | No. of SHGs | Amount | No. of SHGs | Amount |
| SHG Savings with Banks as on 31 March | Total SHG Nos. | 61.21 (22.2 %) | 5545.62 (46.5%) | 69.53 (13.6%) | 6198.71 (11.8%) | 74.62 (7.3%) | 7016.30 (13.2%) |
| | Of which SGSY Groups | 15.06 (25.1%) | 1563.38 (93.1%) | 16.94 (12.5%) | 1292.62 (-17.3%) | 20.23 (19.4%) | 1817.12 (40.6%) |
| | % of SGSY Groups to Total | 24.6 | 28.1 | 24.4 | 20.9 | 27.1 | 25.9 |
| | All women SHGs | 48.64 (22.0%) | 4434.03 (42.6%) | 53.10 (9.18%) | 4498.66 (1.46%) | 60.98 (14.8%) | 5298.65 (17.8%) |
| | Percentage of Women Groups | 79.5 | 80.0 | 76.4 | 72.6 | 81.7 | 75.5 |
| Loans Disbursed to SHGs during the year | No. of SHG extending loans | 16.10 (31.1%) | 12253.51 (38.5%) | 15.87 (-1.4%) | 14453.3 (17.9%) | 11.96 (-24.6%) | 14547.73 (0.01) |
| | Of which SGSY Groups | 2.65 (7.3%) | 2015.22 (8.5%) | 2.67 (1.0%) | 2198 (9.1%) | 2.41 (-9.9%) | 2480.37 (12.8%) |
| | % of SGSY Groups to Total | 16.4 | 16.4 | 16.9 | 15.2 | 20.1 | 17.0 |
| | All women SHGs | 13.75 (32.0%) | 10527.38 (40.8%) | 12.94 (5.8%) | 12429.37 (18.1%) | 10.17 (-21.4%) | 12622.33 (1.6%) |
| | Percentage of Women Groups | 85.4 | 85.9 | 81.6 | 86 | 85 | 86.8 |
| Loans Outstanding against SHGs as on 31 March | Total No. of SHGs linked | 42.24 (16.5%) | 22679.84 (33.4%) | 48.51 (14.8%) | 28038.28 (23.6%) | 47.87 (-1.3%) | 31221.17 (11.4%) |
| | Of which SGSY Groups | 9.77 (6.5%) | 5861.72 (21.7%) | 12.45 (27.5%) | 6251.08 (6.6%) | 12.86 (3.4%) | 7829.39 (25.2%) |
| | % of SGSY Groups to Total | 23.1 | 25.8 | 25.7 | 22.3 | 26.9 | 25.1 |
| | No. of all Women SHGs linked | 32.77 (12.3%) | 18583.54 (39.4%) | 38.98 (18.9%) | 23030.36 (23.9%) | 39.84 (2.2%) | 26123.75 (13.4%) |
| | Percentage of Women SHGs | 77.6 | 81.9 | 80.3 | 82.1 | 83.2 | 83.7 |

Fig 2: SHG – Bank Linkage Programme – Number of SHGs

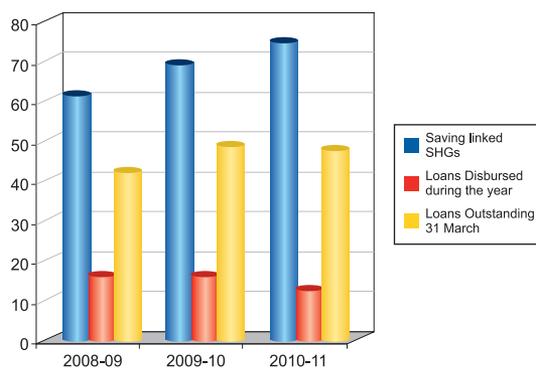

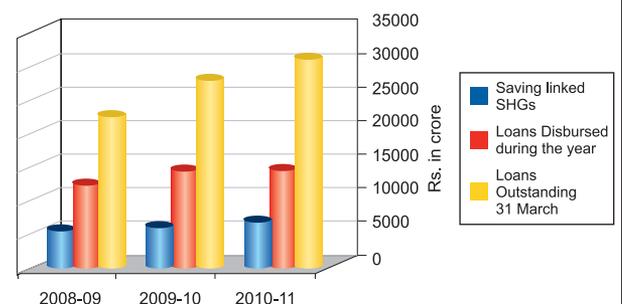

Fig 3: SHG-Bank Linkage Programme – Amount of Savings and Credits

SHG 2

There is a strong belief that the SHG movement has the potential to satisfy the financial service needs of India's unbanked people in a sustainable way. However, the design and approach is being revisited to address the need and scope for further intensifying the space for thrift and savings among poor households as also allowing greater room and flexibility to accommodate multiplicity of credit leverage at the SHG level, etc. NABARD has undertaken a series of consultations and Focussed Group Discussions to better appreciate the concerns being expressed from different quarters, ultimately to make the approach more flexible, client friendly and in tune with their changing needs.

The number of SHGs availing fresh loans from Banks has shown a decline of about 25 per cent during the year while the quantum of loan availed has remained almost at the same level. The loan extended per SHG on an average, however, showed an impressive growth of nearly 34 per cent from ₹ 91,000 during 2009-10 to over ₹ 1,21,600 during 2010-11, indicating more selective lending by banks during the year possibly on account of the turmoil in the MF industry in some states. The rate of growth in the number of SHGs having loans outstanding with banks has also declined during the year though the growth itself is positive.

2.3. MFI-Banks Linkage Programme

The Progress under MFI-Banks linkage programme is shown in Table-2 below:

Table 2: Progress under MFI-Bank Linkage Programme

(Amount ₹ Crore)

| Particulars | 2008-09 | | 2009-10 | | 2010-11 | |
|---|-----------------|--------------------|------------------|----------------------|-----------------|---------------------|
| | No. of MFIs | Amount | No. of MFIs | Amount | No. of MFIs | Amount |
| Loans disbursed by banks to MFIs | 581 (12.2 %) | 3732.33 (89.4%) | 691 (18.9%) | 8062.74 (116.0%) | 471 (-31.8%) | 8448.96 (4.8%) |
| Loans outstanding against MFIs as on 31 March | 1915 (72.7%) | 5009.09 (82.2%) | 1513 (-21.0%) | 10147.54 (102.6%) | 2315 (53%) | 13730.62 (35.3%) |
| Loan Outstanding as % of fresh loans | 329.6 | 134.2 | 219.0 | 125.8 | 491.5 | 162.5 |

Note: Actual number of MFIs availing loans from Banks would be less than the figures shown as most of MFIs avail loans from more than one Bank.

3. SHG-Bank Linkage Programme

Detailed analysis of the SHG-Bank Linkage Programme across the geographical spread of the country is being presented in this section. The analysis covers the broader components of the programme, namely inclusive growth, savings, loans and the recovery performance.

3.1 SHG as an instrument for Financial Inclusion

The SHG-Bank Linkage Programme has been accepted as an effective tool for inclusive growth by extending various financial services to the hitherto excluded category of poor rural households. Based on the data on the SHGs linked to the banks and their membership coverage, an attempt was made to estimate the extent of rural population covered under the SHG-Bank linkage programme. The Census 2011 data and the Tendulkar Committee

recommended norms for rural poverty were taken as the benchmark for the analysis. The analysis indicates that the membership of SHGs in all the southern States and in Andaman and Nicobar Islands and Chandigarh is more than the number of rural households in these states! The SHG membership is almost 5 times the rural households in Pondicherry while it is almost 200 per cent in Tamil Nadu. This anomaly could be attributed to the prevalence of multiple memberships within the same households. In the case of Chandigarh and Andaman and Nicobar Islands, this could also be possibly due to “urban” households being counted as members of SHGs. Detailed studies will be required to make corrections in the final assessments. The analysis, however, offers a ready tool for assessing the comparative performance of the States in terms of coverage of rural households under the SHG-Bank linkage Programme.

Overall, 53.4 per cent of the total rural households are members of the SHG-Bank Linkage Programme already (subject to correction on account of multiple membership, etc. *ibid*). Table-3 and Fig.5 indicates the frequency distribution of rural households covered under the Linkage Programme.

Table 3: Frequency Distribution of Rural Household coverage under SHG-Banks Linkage Programme

| Rural Household Coverage Range (per cent) | Number of States within the range | States |
|---|-----------------------------------|--|
| 0-20 | 9 | Bihar, Haryana, J&K, Jharkhand, M.P, Nagaland, Punjab, Sikkim, and Uttar Pradesh |
| 21-50 | 10 | Arunachal Pradesh, Assam, Chhattisgarh, Delhi, Gujarat, HP, Manipur, Meghalaya, Rajasthan, and Uttaranchal |
| 51-75 | 5 | Lakshadweep, Maharashtra, Mizoram, Tripura and West Bengal |
| 76-100 | 2 | Goa and Orissa |
| >100 | 7 | Andaman & Nicobar Island, A.P, Chandigarh, Karnataka, Kerala, Pondicherry and Tamil Nadu |

The rural household coverage is less than 50 per cent in 19 states, while the coverage shows more than the number of rural households in seven States (on account of multiple memberships)

PACS serving as unique Business Correspondents for Bidar DCCB

Bidar DCCB’s attempts to form and nurture SHGs using the PACS have shown constructive results. In order to ensure that the process is effectively grounded and quality SHGs are nurtured, the DCCB assisted PACS in contracting exclusive staff (as banking correspondents-BC) for the task. The overheads for appointing such BCs are borne by the DCCB in full initially and are subsequently met by PACS on a tapering basis. The BCs are exclusively trained at its training centre before initiating the SHG nurturing process. SHGs promoted by PACS through such BCs are allowed to open SB A/cs either with PACS or nearest DCCB branch as per the convenience of the group. Credit is normally provided by DCCB branch directly. While the loan accounts are opened in the books of the DCCB branch, SHG is free to make repayments through the PACS. PACS receive an incentive of one per cent of the interest collected on the loans issued to the groups, by the DCCB, Savings and other deposits maintained by SHGs with PACS ranged between ₹ 5.00 lakh per PACS to ₹ 3.00 crore PACS. The low cost deposits of SHGs benefit the PACS to improve its lendable resources and their business. As at the end of 31 March 2011, DCCB had credit linked 14,569 SHGs with a loan outstanding of ₹ 35.25 crore.

Fig.4 : Geographical Spread of SHG-Bank Linkage Programme as on 31.3.2011

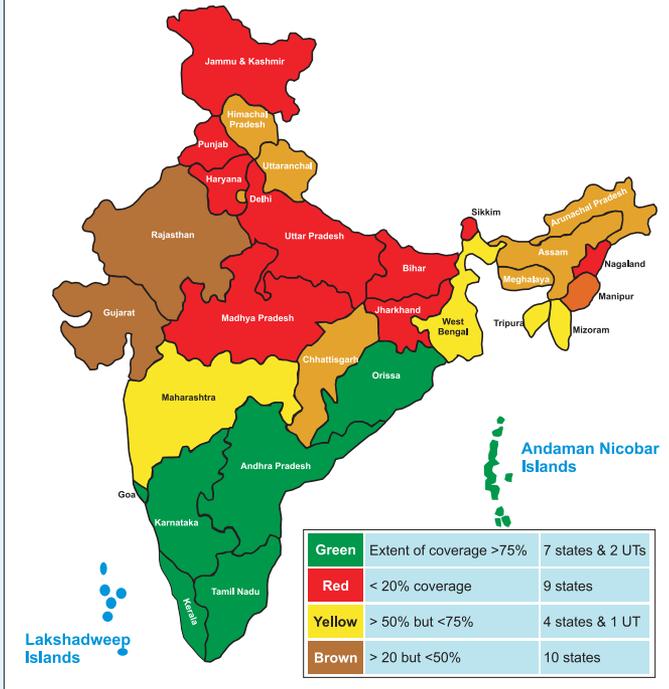

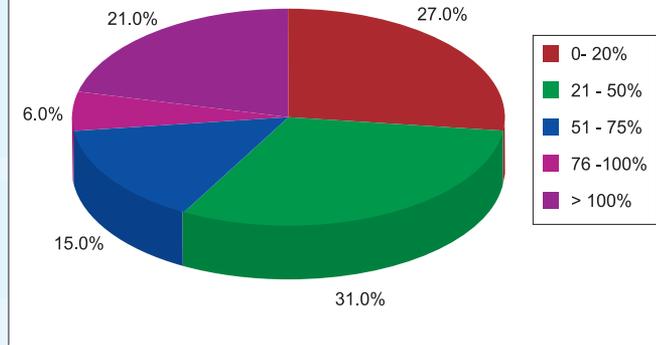

Fig.5 : Frequency distribution of SHG Coverage of Total Rural Households

The statewise details are given in Statement I(F).

| State | Est. No. of rural households | Est. No. of Poor Rural households | No. of households already covered | Percentage of poor Rural Households already covered | Percentage of total rural households covered |
|----------------------|------------------------------|-----------------------------------|-----------------------------------|---|--|

3.2 Savings

Total number of savings linked SHGs stands at 74.62 lakh recording an annual increase of 7.3 per cent over the previous year (Table-1 *ibid*) while the savings account balance as on 31.3.2011 of all these groups grew by 13.2 per cent for the same period at ₹ 7,016.30 crore. The total membership of these groups represents more than 53 per cent of the rural households in the country. Regular savings made by the members are utilised mainly for internal lending within the group and only the balance is kept in the savings bank account of the group with the banks. A quick study of a few SHGs selected on random basis indicates that the proportion of savings retained in the saving bank balance account for as low as 1 per cent (the balance utilised for internal lending) in a few cases to as high as 100 per cent in a few cases. On an average, it has been observed that only about 30 per cent of the total savings by the SHG members gets reflected in the saving bank account balance. The extent of internally mobilised savings utilised for lending therefore works out to over ₹ 16,500 crore while the gross savings by all the members, adds up to over ₹ 23,500 crore and per SHG gross savings of over ₹ 31,300. Among the geographical regions, the North Eastern Region recorded the least saving balance of ₹ 4,035 per SHG while the Southern States recorded the maximum savings balance of over ₹ 10,600 per group. The other regions recorded ₹ 7000 – ₹ 9000 per SHG. The average saving balance was less than ₹ 1000 per member in as many as 26 out of 33 States/ U.Ts.

Statewise and agencywise details of savings of SHGs with Banks as on 31.3.2011 are given in Statement III, III-A, III-B, and III-C

3.3 Credit Linkage with Banks

During 2010-11, banks extended fresh loans to the extent of ₹ 14,547.73 crore to 11.96 lakh SHGs. There had been a decline of nearly 25 per cent in the number of SHGs securing fresh loans from banks during the year as compared to the previous year. At the same time, the average loan extended per SHG shot up from about ₹ 91,000 per SHG during 2009-10 to over ₹ 1,21,600 during 2010-11 – an increase of nearly 34 per cent. This is indicative of selective lending by banks (concentrating their lending to those SHGs who have good track record). This rather cautious approach of the banks is probably the result of the turmoil witnessed in the MF sector in states like Andhra Pradesh. This trend transcended the regional spread with all regions except the Northern Region recording decline in the number of SHGs securing fresh loans from banks during the year. The decline was most marked in the case of Western region where it declined by 57 per cent followed by Central Region where it decelerated by 37.4 per cent. The average loan extended per SHG during the year works out to ₹ 1,21,623, viz. nearly ₹ 10,000 per member. The Eastern Region recorded the least average of ₹ 65000 while the Southern Region topped with an average of over ₹ 1,50,000 per SHG. The Central Region consisting

of some of the least developed States recorded a loan average of ₹ 1,25,000 per SHG. The Commercial Banks extended loans at an average of over ₹ 1,45,000 while Cooperative Banks recorded an average of only about ₹ 70,800. It would be necessary for all stakeholders of the programme to devise strategies to re-impose the faith in the SHG-Banks linkage programme notwithstanding the temporary setbacks. If SHGs are to be graduated into micro enterprises, the lending by banks will need to be stepped up considerably.

Statewise and bankwise position of disbursement of bank loans to SHGs during the year 2010-11 is given in Statements IV-A, IV-B, and IV-C.

3.4 Loans outstanding of Banks against SHGs

The number of SHGs having outstanding loans with banks also decelerated by 1.3 per cent during the year as compared to last year with 47.87 lakh SHGs. However the loan outstanding against SHGs as on 31.3.2011 was ₹ 31,221.17 crore – an increase of 11.4 per cent over the previous year. The average loan outstanding per SHG works out to ₹ 65,224. Together with the savings internally generated used for lending (₹ 16,500 crore), the total loans outstanding against members can be assumed at over ₹ 47,700 crore.

The average loans outstanding against members at SHG level (bank loans outstanding + internal savings used for lending) is estimated at ₹ 86,000 per SHG. The Eastern and Western Region recorded the minimum bank loan outstanding of less than ₹ 40,000 per SHG while Southern Region topped with an average outstanding of over ₹ 80,000. Among the banks, cooperative banks had the least average of ₹ 42,000 per SHG. Commercial Banks had an average of ₹ 71,667 per SHG. The data collected randomly from a few SHGs suggest that about 80 per cent members have loans outstanding against them at SHG level which also includes their own savings being used for internal lending. In certain states, there exists the practice of dividing the bank loan equally among all the members of the group (especially in groups promoted by Government Departments) as these loans are subsidised and hence all members would like to avail the subsidy benefit.

The statewise and bankwise position of bank loans outstanding against SHGs is shown in Statements V, V-A, V-B, and V-C.

3.5 Recovery Performance of Bank Loans to SHGs

The Non-Performing Assets (NPAs) of banks against loans to SHGs have gone up from ₹ 823.04 crore during 2009-10 (2.90 per cent) to ₹ 1,474.11 crore as on 31.3.2011 (4.72%). The increase in the NPAs has been reported across the regions and across the agencies. Among the regions, the spurt in NPAs was more pronounced in the Southern and Western Regions. The turbulences in the microFinance sector in Andhra Pradesh seem to have some adverse impact on the recovery performance of SHG-Bank linkage programme as well. The reasons for the sudden decline in the recovery performance of SHGs will, however, need to be studied in detail and strategic interventions will need to be made to avoid any further slippage in future. The higher levels of NPAs against SHGs in Central and Northern Regions also need to be addressed as these are States where the financial inclusion levels are at the lowest and hence the need for up scaling the SHG-Bank linkage programme in these states. Table-5 and Table-6 illustrate the comparative performance of NPAs reported by banks against SHGs for 2009-10 and 2010-11.

Table 5: Agency wise NPAs of Bank Loans to SHGs

(₹ in crore)

| Agency | Loans Outstanding against SHGs | | Amount of NPAs | | Percentage of NPAs to Loan Outstanding | |
|---------------------|--------------------------------|-----------------|----------------|----------------|--|---------------|

The Statewise and bankwise position of NPAs of bank loans to SHGs as on 31.3.2011 is shown in Statements VI-A, VI-B, and VI-C.

4. MFI-Bank Linkage Programme

4.1 Micro Finance Institutions (MFIs) act as an important conduit for extending financial services to the micro finance sector in the country by raising resources from Banks and other institutions and extending loans to SHG members. MFIs could be either of the following legal entities.

- NGO MFIs – registered under the Societies Registration Act, 1860 or the Indian Trusts Act, 1880 – They are not for profit entities with a wider development agenda and had been among the first class of institutions to extend micro credit to SHGs even before the SHG-Banks linkage programme was conceived
- Cooperative MFIs – registered under the State Cooperative Societies Act or Mutually Aided Cooperative societies Act or Multi State Cooperative Societies Act
- NBFC MFIs incorporated under Section 25 of Companies Act, 1956 – These NBFCs are working “not for profit”, but on sound business principles by

complementing the efforts of the Banking system to extend the outreach of micro finance and help in financial inclusion.

- NBFC MFIs incorporated under the Companies Act, 1956 and registered with RBI – Like other companies incorporated under the Companies Act, these NBFCs work of purely business lines laying emphasis on return on investment. “Doing good business while extending micro finance to the poor” is their motive.

4.2 In addition to their internal resources, these MFIs have been allowed to seek and obtain bulk loans from Banks/ other Financial Institutions for providing micro credit to SHG members. Though most of these MFIs entered the micro finance sector only after the SHG-Bank linkage programme was well entrenched, the turnover of these institutions grew at a much larger scale than the former. They were more aggressive and innovative in reaching out to the rural poor than the formal banking system. Of late, however, the functioning of these institutions (mostly “for profit” NBFCs) were being subjected to closer public scrutiny on account of alleged unethical business practices and questionable recovery practices. These developments resulted in Andhra Pradesh Government promulgating an ordinance to severely restricting their lending operations and recovery mechanism. Some other states like Orissa too placed restrictions on their functioning. As a result, the lending operations of these institutions virtually came to a halt not only in AP where most of their lending operations were concentrated) but in other areas as well while the recovery of loans nosedived. The adverse publicity these drives had attracted might have led other SHG loans also becoming sticky, as is evident from the sudden spurt in NPAs under the SHG-Bank Linkage Programme reported during 2010-11(ibid).

4.3 Total loans issued to MFIs by all banks including SIDBI during 2010-11 was ₹ 8,448.96 crore recording a decline of 21.25 per cent from the previous year while the loan outstanding against MFIs recorded a slight decline of 1.6 per cent as on 31.3.2011. The steep decline in the loans issued is mainly attributed to loans by SIDBI which declined by as much as 68.35 per cent during the year. If it is read with the 25 per cent decline in the number of SHGs availing fresh loans from Banks directly, it is an area of concern. The agency wise details of loans extended to MFIs are shown in Table-7 below.

Table 7: Loans to MFIs by Banks/Financial Institutions

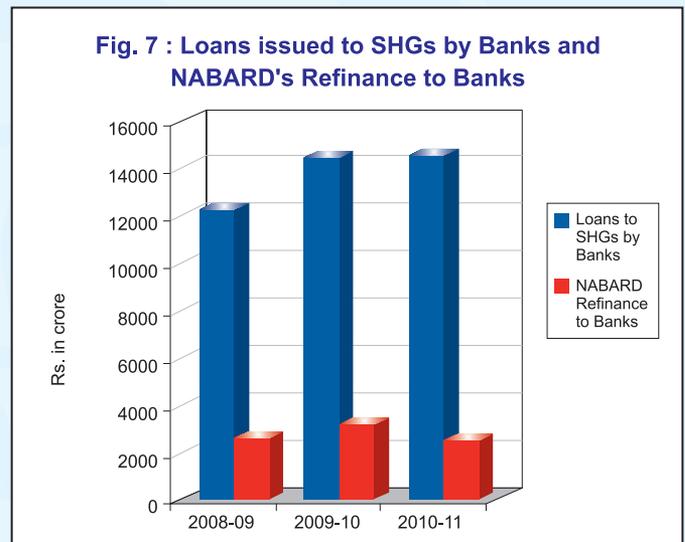

| Financing Agency | Period | Loans disbursed to MFIs during the year (₹ in crore) | | Loan outstanding against MFIs as on 31 March (₹ in crore) | | Percentage of Recovery from MFIs |
|-----------------------|---------|--|----------|---|----------|----------------------------------|
| | | No. of MFIs | Amount | No. of MFIs | Amount | |
| All Commercial Banks | 2008-09 | 522 | 3718.93 | 1762 | 4977.89 | 70-100 |

| Total by all agencies | 2008-09 | 581 | 3732.33 | 1915 | 5009.09 | |
| | 2009-10 | 779 | 10728.50 | 1656 | 13955.75 | |
| | 2010-11 | 471 | 8448.96 | 2315 | 13730.62 | |

Bank-wise details of MFIs financed are given in Statement VII.

5. NABARD as a Facilitator of microFinance

5.1 NABARD has been extending refinance to the extent of cent per cent to banks for lending to SHGs since the SHG-Bank Linkage Programme was launched. Initially, this was intended to encourage the banks to actively participate in the Programme. As the banks gained confidence in lending to SHGs and realised the business potential in extending microcredit through SHGs, they have been deploying their own funds in a mutually beneficial relationship with the SHGs. As a result, the gap between the total loans issued by banks to SHGs and the refinance extended by NABARD for such loans is widening as would be seen from the graph shown below (Fig.7). The refinance support from NABARD, however, continues to supplement resource mobilisation for the programme. During 2010-11, NABARD extended refinance to the extent of ₹ 2,545.36 crore as against ₹ 3,173.56 crore disbursed during the previous year. Cumulative disbursement of refinance by NABARD for SHG lending now stands at ₹ 15,407.01 crore.

5.2 MicroFinance Development and Equity Fund (MFDEF) has been created in NABARD with an initial corpus of ₹ 100 crore (since enhanced to ₹ 400 crore) to facilitate and support the orderly growth of the microFinance sector in the country. The fund is being utilised to support various promotional activities like grant assistance to Self Help Promoting agencies (SHPIs), funding of training and capacity building of microFinance clients and stakeholders of the SHG-Bank linkage programme, support to MFIs, for supporting introduction of Management Information System (MIS) for the sector and for helping research, studies and publications concerning microFinance related issues. An amount of ₹ 47.48 crore was disbursed from MEDEF during the year – ₹ 29.95 crore as grant towards various promotional activities and ₹ 17.45 crore as Capital Support and Revolving Fund Assistance to MFIs (Para 5.3 *ibid*).

5.2.1. Support for training and capacity building of microFinance clients

NABARD continued to support various training programmes and capacity building efforts of clients and stakeholders of microFinance sector. Table-8 indicates the number of such programmes supported by NABARD and the number of participants.

Table 8: Training Programmes and Capacity Building of microFinance stakeholders supported by NABARD

| Programme Particulars | Participants trained during the year | Participants trained since inception |
|--|--------------------------------------|--------------------------------------|
| Training on SHG-Linkage Programme for Bank Officers | 31,324 | 2,93,183 |
| Training of trainers on SHG-Bank Linkage Programme | 2037 | 4,796 |
| Awareness cum refresher Programme for NGOs | 4,939 | 97,436 |
| Exposure cum training Programme on microFinance Initiatives for SHG Leaders / Members | 94,560 | 16,38,403 |
| Training and Exposure Programme for Govt. Officers on SHG-Bank Linkage Programme | 597 | 62,486 |
| Exposure visits for Bank Officers/ NGOs in microFinance Initiatives | 164 | 8,831 |
| Filed Visit of Block Level Bankers Committee members to nearby SHGs | 4581 | 60,473 |
| Exposure Programme on microFinance Initiatives for members of Panchayat Raj Institutions | 2161 | 14,766 |
| Training for Micro Enterprises Development | 60,160 | 1,31,678 |
| Training for Micro Enterprises Promotion Agencies | 0 | 1,534 |
| Bankers Meets on microfinance | 768 | 21,622 |
| NGO Meets on microFinance Initiatives | 1094 | 27,650 |
| Other meets | 2611 | 29,807 |
| Other trainings | 802 | 2,81,846 |
| Grand Total | 2,05,798 | 26,60,818 |

The region wise position of support extended by NABARD for training and capacity building is given in Statement – VIII.

5.2.2. Grant Support to Partner Agencies for Promotion and Nurturing of SHGs

Ever since the SHG-Banks Linkage Programme was launched by NABARD, the Self Help Promoting Agencies such as NGOs, Banks(RRBs, DCCBs), Farmers' Clubs and Individual Rural Volunteers(IRV) are being extended grant support to organise and nurture SHGs of the poor. In fact, the phenomenal growth of SHG-Bank Linkage Programme in the country, is the result of the painstaking efforts put in by these agencies in forming and nurturing SHGs especially in areas where the concept never existed. The financial support extended by NABARD to various SHPIs during the year is indicated in Table-9.

Table 9 : Grant Support to Partner Agencies

(₹ in lakh)

| Agency | Cumulative Sanction | | Cumulative Achievement (31.3.2011) | |
|---------------|---------------------|---------------|------------------------------------|---------------|
| | Amount | SHG Nos. | Amount | SHG Nos. |
| NGOs | 12626.84 | 414338 | 4471.37 | 268791 |
| RRBs | 445.44 | 49335 | 193.05 | 55548 |
| Coop. Banks | 739.31 | 66955 | 287.22 | 47203 |
| IRVs | 728.38 | 42923 | 80.97 | 12208 |
| Farmers Clubs | 82.429 | 7628 | 73.68 | 17321 |
| Total | 14622.40 | 581179 | 5106.29 | 401071 |

Agency wise, State wise details of grant assistance extended to partner agencies have been given in Statement – IX-A, IX-B, IX-C, IX-D and IX-E.

5.2.3. Other Initiatives

FINANCING OF JOINT LIABILITY GROUPS

Joint Liability Groups (JLGs) are informal groups of 4-10 members (which can go upto 20 if needed) who are engaged in similar economic activities like

crop production and who are willing to jointly undertake to repay the loans taken by the Groups from the Banks. Unlike in the case of SHGs, JLGs are intended basically a credit groups for tenant farmers and small farmers who do not have proper title of their farmland, and as such, regular savings by the Group is purely voluntary and their credit needs are to be met through loans from financial institutions and such loans could be individual loans or group loans. Financing of JLGs was introduced as a pilot project in 2004-05 by NABARD in eight States with the support of 13 RRBs. Apart from extending refinance support of cent per cent of such finances to Banks, NABARD also extends financial support for awareness creation and capacity building of all stakeholders of this Programme. NABARD also extends grant support for formation and nurturing of JLGs to banks and other JLG promoting agencies. An amount of ₹ 24.74 crore was sanctioned as grant for promotion of 1.25 lakh JLG across the country till 31 March 2011. During the year, banks disbursed a loan of ₹ 659.70 crore to 85,766 JLGs taking the cumulative loan disbursed to ₹ 1,145.29 crore for 1,41,045 JLG.

MICRO ENTERPRISE DEVELOPMENT PROGRAMME

The Micro Enterprise Development Programme launched by NABARD in 2006 is intended to nurture the entrepreneurial talents of members of mature SHGs to set up and run micro enterprises as a livelihood option in farm or non-farm sector, either on individual basis or on group basis. Support is extended under the programme to members of such SHGs to enrich their knowledge on enterprise management, business dynamics and rural markets. More than 60000 SHG members have so far been benefitted under this programme and many of them have since turned into micro entrepreneurs.

PILOT PROJECT ON SHG-POST OFFICE LINKAGE PROGRAMME

Realising the potential of Post Offices to extend the outreach of the microFinance initiatives, NABARD launched a pilot project initially in five districts of Tamil Nadu and later extended to Meghalaya, by extending Revolving Fund Assistance (RFA) to Post Offices in the pilot area, for on lending to the SHGs. The SHGs which are linked to Post Offices will also have access to keep their regular savings in the post offices. This is particularly useful in areas where the branch network of RFI is low as in the case of North Eastern States. A total of 2,819 SHGs have opened zero interest savings accounts with local Post Offices, of which 1,219 groups have been credit linked. Loans amounting to ₹ 3.36 crore have been disbursed to these Groups as on 31 March, 2011. During the year additional RFA of ₹ 200 lakh was sanctioned to India Post in Tamil Nadu and ₹ 5 lakh in East Khasi Hills in Meghalaya (for 50 SHGs). India Posts could very well earn its name in history of Post Offices as the trend setter for providing microFinance services for the masses.

Study findings on SHG-Bank Linkage Programme

NABARD has been conducting regular studies on the functioning of Self Help Groups through reputed institutions to gain useful insights into the working of the groups. During the year, it conducted studies of SHGs in Tamil Nadu (by Gandhigram Rural Institute), in Karnataka (by the Institute for Social and Economic Change, Bangaluru) , in North western states of Rajasthan, Gujarat, M.P, HP (IDS, jaipur), and in Maharashtra (Centre for Studies in Social Sciences, Pune). Major findings of these studies are:

- SHGs have helped reduced dependence on local money lenders (upto 66% of the members are now free – either fully or partially from the clutches of local money lenders in Tamil Nadu and as high as 92 per cent in Karnataka
- Majority of the SHGs had written rules (88%) and the rest had oral rules
- Bankers continue to take long time to provide the first loan to SHGs and only few groups were able to get bank loans after 6 months.
- While NGOs and Government Departments provided skill training to the SHG members, bankers as SHPIs were not very proactive in providing vocational training to members
- The training given by SHPIs may not completely meet the skill requirements of the members for taking up suitable income generating activities.
- The loans given by banks to the groups are generally 1-3 times their savings though the actual requirement is much higher
- The SHGs depend heavily on SHPIs (NGOs, Anganwadi Workers in case of Government sponsored groups) for proper bookkeeping and the quality of bookkeeping suffers on exit of the agencies.
- The maintenance of books is normally being externalised and its was regular in (83%) cases when maintained by outsiders, while only 54% of the books were updated when maintained by the SHGs themselves
- There is a laxity in enforcing group disciplines like regular attendances and regular savings in the meetings even in the case of groups organised long back.
- Asset creation out of SHG loans is seen in about 28 per cent cases while in other cases loans are used for consumption/ purchase of utility items or household goods.
- Loans to individual members range from ₹ 10,000 – ₹ 20,000 in majority of cases.
- Competition among various SHPIs and emphasis on achieving targets also resulted in multiple membership by SHG members.

5.3 Promotional Support to MFI by NABARD

5.3.1. NABARD has been extending financial assistance by way of capital/equity support to MFIs to help them extend their outreach to the poor households. Under the Capital Support Scheme introduced in 2007-08, MFIs were allowed

to see capital/equity support from NABARD to enable them to leverage commercial borrowings from banks, etc. for on lending to the SHGs. A new scheme was introduced during 2009-10 to provide capital support to start-up MFIs who have the potential to scale up their operations, but lack capital, infrastructure facilities and management skills. The support extended under this scheme to microFinance Organisations(MFOs) and MFI-NBFCs identified as start-up MFIs will be by way of subordinated debt and will be commensurate with the realistic business plans of the MFIs. As many as 40 MFIs have so far been sanctioned capital support to the extent of ₹ 2,739.67 lakh. Agency wise details of the capital assistance are given in Statement-X-B.

NABFINS Business Model for microfinance through Business Correspondents

NABARD Financial Services Ltd (NABFINS) is a subsidiary of NABARD with Government of Karnataka and a few public and private sector banks as co-equity holders. NABFINS is partnering with NABARD in developing innovative business models for extending microFinance to the poor. NABFINS endeavours to reduce clients' risks while keeping the interest rates on loans to SHGs low. It has adopted a Business Correspondent (BC) Model as one of its principal verticals in its business model. Under this model, NABFINS identifies NGOs, SHG Federations, etc. who have a good track record of working with the poor, as its BCs to reach out to the SHGs of poor. NABFINS and the BCs then together assess the suitability of the SHGs identified by the BCs for direct financing by NABFINS. The BC not only identifies suitable SHGs for financing by NABFINS, but also collects the recoveries and passes it on to NABFINS. BCs receive commission from NABFINS for the services rendered. They also have access to NABARD promotional assistance through NABFINS for organisation and nurturing of SHGs and for extending skill trainings and exposure programmes for SHG members. NABFINS also assist the BCs in accessing funds for other economic activities for the poor taken by BCs like watershed development, etc. from NABARD and other agencies. As on 31.3.2011, 31 BCs have been engaged by NABFINS and through them has extended loans to the extent of ₹ 50.64 Crore to 2044 SHGs. NABFINS will also be piloting other innovative business models for extending micro finance to the poor.

- 5.3.2. NABARD has also been extending Revolving Fund Assistance (RFA), on a selective basis, to MFIs for on lending to SHGs/ individual members of SHGs. RFA is extended to help the MFIs to establish their credit rating so that they can access funds from other financial institutions for their microFinance operations later. Till 31.3.2011, 42 MFIs were sanctioned RFA to the extent of ₹ 6,078.60 lakh. The actual amount drawn was ₹ 5,725.40 lakh and the outstanding as on 31.3.2011 was ₹ 4,615.19 lakh. Agency wise details of RFA are given in Statement-X-A.
- 5.3.2 Banks rely on credit rating of client institutions like MFIs before they extend loans to them for on lending to SHGs/ members. As these organisations are not able to meet the cost of such ratings, it affects their ability to draw funds from banks. In order to help these MFIs to access funds from Banks, NABARD introduced a scheme wherein the financing banks like Commercial

Banks, Regional Rural Banks and Cooperative Banks are extended financial assistance by way of grants to engage the services of rating agencies like CRISIL, M-CRIL, ICRA, CARE and Planet Finance to take up the rating of such MFIs. During 2010-11, ₹ 19.04 lakh was provided to the banks for rating of 15 MFIs. The agency wise details are provided in Statement X-C.

Note : In case of some banks, the number of accounts of SHGs having loan outstanding are more than the number of SHGs having Saving Bank account. The issue has been discussed and it was clarified that data has been extracted by the banks through CBS and loan accounts which are having zero balance (on repayment) are also counted along with repeat loan sanctioned to the same SHG. Further, in some cases, banks have sanctioned more than one loan to an SHG for different purposes.

STATEMENT – V - A (ii)
